But where are the Notes showing
that the answer is to be in the negative

Dr. Bourne, who was in my office-room when this paper arrived, expressed a strong opinion that quarters or allowance should be given.

The notes were not in the office when the file was submitted yesterday. The copy returned by the Press is now submitted. Please see portion of Mr. Orange's letter marked in pencil on page 11 of the notes.

As house rent is not included under salary - vide Article 38.C.3 of the C.S.R. - the sanction of the Local Govt. will be sufficient for payment of house rent - vide Article 75 of the C.S.R.

For order

The P.D. informed ^{me} that he thought a woman of education & fair social standing w^d. find it difficult to live on Rs. 250 per unless quarters are provided.

Quarters may ^{be built} at Saidapett. where it w^d. otherwise not be very easy for the person app^d to find suitable lodging.

If 2 or 3 more women are brought out, they might all live in a single bungalow, & be drafted upcountry to model training schools as soon as they know something of the vernacular.
