Question.

Mr. Herbert Roberts,—To ask the Secretary of State for India, whether he is aware that on the professorship of biology at the Madras Presidency College becoming vacant, Mr. K. R. Menon, Assistant Professor of Biology, was appointed to act in the place of Dr. Bourne, a specialist in zoology, and has filled the position for two years; and, whether, seeing that the Madras Government now proposes to supersede Mr. Menon by a specialist in botany from England, he will take steps to secure that Mr. Menon's qualifications and claims to the appointment shall be considered. [14th March 1904.]

Answered by Mr. Secretary Brodrick.

I will take care that Mr. Menon's claims to the post are fully considered, but I cannot promise that he will be appointed to it. [14th March 1904.]
