Sir,

HIS EXCELLENCY THE GOVERNOR IN COUNCIL,

Fort Saint George,

Madras.

The humble petition of C. K. Ramaswamy Iyer
Sub Registrar, III Grade, Trichinopoly Fort,

MOST RESPECTFULLY SHEWETH:--

1. That your Excellency's humble petitioner, has put in a service of more than 21 years, as a Sub Registrar, and that his conduct and his manner of discharging his duties, has been satisfactory throughout,

2. That he was one of the two candidates, who appeared for the Civil Judicial Test, held in October last, in this centre, the other being a Clerk of the District Munsiff's Court, that he availed himself of two months' privilege leave, and studied hard for the examination, stopping at Trichinopoly all through the period of his leave, that his Register Number was 2547, and that this number was one of the 22 numbers, that were published in the Daily Hindu, Madras, of the 15th January last as the Numbers of the candidates who have passed the above test, and that he is now, therefore, preparing for the Account Test, Higher Grade, these two examinations being held compulsory for the post of a District Registrar,

3. That the Office, of which your Excellency's humble petitioner is now in charge, is a heavy office and taxes his time and energies fully,

4. That, on receipt of G. O. No. 169, dated the 11th March 1904, communicated with Endorsement in the Judicial Department No. 1244 dated the 21st idem, directing that none of the candidates, who appeared for any of the Special Tests, held in October

lms

October last, shall be held to have satisfied the Examiners, your Excellency's humble petitioner, who believed that he has crossed over one difficulty, by passing this examination, has become transfixed, and confused,

5. That your humble petitioner cannot be suspected, to any degree, to have had any previous knowledge of the Examination papers, till he entered the Examination Hall, and the papers were handed over to him for being answered, and that Trichinopoly is not a centre, where examination papers are suspected to have leaked out before the day of examination,

6. That your Excellency's humble petitioner, is not actually labouring under any immediate disadvantage, so as to induce him, to have recourse, to foul means, to pass the Examination, and that he humbly and respectfully submits, that he may not be made to suffer, for the mal-practices of others,

And 7. That in these circumstances, he most humbly throws himself upon your gracious Excellency's mercy, and prays that, as a special case, he may be exempted from passing the Examination, in consideration of his long service, hard and earnest work all through his past service, and the arduous nature of the duties of the office, he is now in charge of.

For which act of charity and benevolence, your Excellency's humble petitioner, shall ever pray.

He humbly begs to remain,

Sub Registrar's Office, Your Excellency's most obedient servant,

Trichinopoly Fort,

The 1st April 1904.

Culamaswamy, Signor

Sub Registrar.

Quo 707. Sec 4.

It has been decided that the innocent are to suffer with the guilty because there is no way of distinguishing the innocent from the guilty.

The only exception to be made is in the case of persons who appeared by special permission.

Mr 25-4-4

There are no special points for an exception being made in this case except that the memorialist - no doubt in common with many other candidates took leave to prepare for the memorial. The memorial is addressed to the President & Council.
