Sir,

I have the honour to submit herewith a memorial addressed to His Excellency the Governor in Council, from A.E. Ponnambala Mudaliar, a 3rd Grade Amin on #12 of the District Munsif's Court of Chittoor, praying for exemption from the operation of the Public Service Notification of 1894; and to state that I see no special grounds for ---- granting his prayer and cannot, therefore, support the ---- memorial.

I have the honour to be,

To

His Excellency the Right Honourable

Arthur Oliver Villiers, Baron Ampthill, G.C.I.E.,

GOVERNOR OF FORT SAINT GEORGE,
MADEAS.

through the District Judge, North Arcot.

The humble and respectful memorial of A. E. Ponnambala Mudaly, an Amin of the District Munsif's Court, Chittoor working as Process Writer in the District Court, North Arcot.

MAY IT PLEASE YOUR EXCELLENCY:—

1. Your most humble memorialist belongs to a respectable family and he is conversant with English, Tamil and Telugu and has passed the Middle School Examination in the 2nd class.

2. Your memorialist was entertained in the District Court, North Arcot, as a Copyist 18 years ago when he was getting about Rs. 30 a month including extra allowance.

3. Your memorialist was appointed as a Reader in the Central Copyist Establishment, District Court, North Arcot, on Rs. 15 on 9—9—1895 and continued as such till 4—1—97. As the proposal for a permanent Reader, as recommended by the then District Judge Mr. E. J. Sewell, was not sanctioned, your memorialist was obliged to revert as a Copyist. He also acted on several occasions as a Clerk in the District Court and Munsif's Court on Rs 15. As a Reader he was comparing copies prepared by several Copyists which gave him an opportunity for deciphering different sorts of writing of several Judges, Collectors, Sub-Magistrates, Munsifs &c. Seeing the long period during which your memorialist was a Reader and remembering that he had to revert as a copyist, Mr. Sewell was pleased to appoint him as an Amin on a salary of Rs. 12, which is hardly sufficient to meet the bare necessities of life, he being entrusted with the care of a family containing 6 souls.

4. As your memorialist is unable to earn his bread in any other way, he is obliged to content himself with his present situation as an Amin. Your memorialist was for sometime engaged in outdoor work, but was latterly

chosen and taken in as a Process-Writer, as there was no one available among the staff of Amins who was conversant with all the 3 languages prevailing in the District as will be seen by the District Munsif's letter to the District Judge herewith submitted.

5. Your memorialist begs to submit that your benign Government was graciously pleased to exempt several helpless men like your memorialist from the Examination Rules.

6. The same benign Government has also been pleased to pass a like order with regard to new appointments. While strangers are exempted in consonance with the spirit of this order your benign Government may not find any difficulty in exempting persons already long in service like your poor memorialist.

7. Further in all the Munsiffs Courts and Sub-Courts and in some District Courts there are usually two Process Writers, but in this District Court which has a heavy file there is but one single Process Writer who has to get through the heavy work with much difficulty and exertion day and night.

8. Your Excellency being the common father of the people, your memorialist has with the greatest humility ventured to lay his most pitiable case before your Excellency and to implore that, in consideration of his long service as Copyist and Process Writer, his devotion to the duties entrusted to him and appreciation of his work by his superiors will be pleased to graciously extend your mercy to this poor and helpless servant and exempt him from the Examination Rules so as to entitle him to hold appointments to which any special test is not required. In so doing your memorialist will earn a small increase to his salary before his retirement from public service.

9. For the special interest your Excellency may take in him, your memorialist will ever acknowledge your benevolence with gratitude and shall pray for your long life and prosperity.

He begs to remain,

May it please your Excellency,

Your Excellency's most obedient and faithful servant,

A. Ponnambala

TESTIMONIALS.

A. E. Ponnambala Mudaliar is a Process Writer in the Chittoor Munsif's Court and was under my observation for nearly a year and I have found his work extremely satisfactory. His conduct and character are thoroughly unexceptionable. I wish him every success in life.

Chittoor,

District Munsiff.

A. Ponnambala Mudaliar has been a copyist in the District and Sessions Court of North Arcot for nearly 18 years and acted several times as a Reader and Clerk and in 1897 he was appointed a 3rd grade Amin. During this period I found him very obedient and honest and useful in all branches of Court work. He gave entire satisfaction in the discharge of his duties. He would have been promoted as a 2nd grade Amin or appointed as a Clerk if he had passed the Middle School Examination in the 1st Class. I wish him every success in life.

Sheristadar,

1st October 1903.

I was long Sheristadar of the District Court, Chittoor, and knew the bearer Ponnambala Mudaly well. He was always steady and well-behaved and did his work well. He writes a fair hand. Mr. Knox when District Judge singled him out for promotion and put him on the Regular Establishment temporarily. Though retired from service I give him these lines at his request and will be glad to hear if this certificate be of service to him.

DISTRICT JUDGE,
North Arcot.

Sir,

I have the honor to submit that Ponnambala Mudaly, Amin, District Munsiff's Court, Arni, who has been temporarily transferred to this Court has to go back to Arni Munsiff's Court to join his appointment on the 1st Proximo. Ever since his transfer to this Court he has been preparing Execution Processes to my satisfaction without any fault or complaint. None of the Amins in this Court is capable of preparing Processes. Now the execution work is somewhat increased and a large number of Processes are being issued daily. If there is no efficient Process Writer for this work my work will suffer very seriously and if the said Ponnambala Mudaly is retained in this Court one of the Amins of this Court will have to be transferred. Under these circumstances I beg to suggest that Khader Modeen who was last promoted to Amin's place from the post of process server and who possesses no educational qualifications whatever may be transferred permanently to the District Munsiff's Court of Arni in the room of Ponnambala Mudaly. I request that my suggestions may be approved.

I have &c.

In forwarding herewith the petition of Amin ---
A. Ponnambala Mudaliar of this Court, who is at present
doing the duty of Process Writer of the District Court,
to His Excellency the Governor of Fort Saint George, I
have the honour to recommend that it may be kindly submit-
-ted to Government through the High Court for favourable
consideration and orders. The petitioner, as will be
seen from the petition itself, has rendered long and, as it
would seem, faithful service in the department. Add to it
his thorough conversance with both the vernacular languages
of the District, his fair knowledge of English and his long
experience in the department make him competent for the
work of the clerical establishment. His conduct and
character, above all, which seem to have been uniformly
satisfactory, have placed him in a fit position to deserve
the kindness he prays for in his petition.

I have the honour to be

Sir

Your most obedient servant,
