From C. A. PATERSON, Esq., M.A., LL.B., Registrar, University of Madras, to the Secretary to Government, Educational Department, dated 22nd April 1904, No. 1401.

I have the honour to inform you that the Vice-Chancellor of this University has selected Mr. A. Tyagarajan, M.A., for the scholarship placed this year at the disposal of the Madras Government.

2. Mr. Tyagarajan is a Hindu Brahman, and is about 20 years of age. He was born in a village in the Kistna district though his parents are natives of the Tanjore district. He was educated at the Presidency College from which institution he passed the B.A. as well as the M.A. Degree examinations. He appeared in Mathematics for the B.A. and M.A. Degree examinations and passed in the first class in both the examinations. He is under the guardianship of his father Mr. K. Arunachala Sastriyar, Delta Superintendent in the Gódvári district.

3. The scholar intends joining the University of Cambridge with the object of studying for the Mathematical Tripos and he also intends to undergo a course of study for the open competition for the Indian Civil Service and to keep terms at one of the Inns of Court.

4. I have furnished him with the rules for Indian scholars in England framed by the Secretary of State.

He is prepared to provide two sureties and to comply with all the other formalities observed on the previous occasion. He has intimated in writing his willingness (*vide* document enclosed) to abide by the rules laid down by the Secretary of State for the guidance of Government scholars.

5. On receipt of an order from Government I shall make the necessary arrangements for the scholar proceeding to England so as to enable him to arrive there in September next.

6. I shall also address the Government Solicitor regarding the necessary bond to be executed by the candidate and two sureties for the refund of his passage to England and the provision of the return passage to India in the event of his scholarship being forfeited.
