Notice

The Secretary to Government,

Educational Department.

Sir,

Referring to G.O.No. 14 Educational, dated 13th January 1903 ordering the acquisition of a site for the Government Training School, Tinnevely, I have the honour to state that the Collector of Tinnevely objected to the site in question being utilized for school purposes on the ground that it was a portion of the land on which stands the house occupied for years past by successive Collectors and that the construction on it of an upper storied building would deprive his house and compound of all privacy. This site has, therefore, had to be abandoned and another viz., the one shown in the accompanying tracing ~~which~~ has been selected in consultation with the Collector. I have personally inspected the site, and can testify to the fact that it is a very good one. It is at present under wet cultivation but the C.M.S. College stands on part of the same land which has been well drained and does not suffer from damp. I therefore request that orders may issue for the acquisition of the site which extends over about 4 acres of land with a frontage of 150 yards. The cost of acquisition is expected to amount to Rs 6,500/-. I also request that orders may issue for the preparation of the necessary estimates in accordance with the type design which is now under preparation in the office of the Consulting Architect to Government.

I have the honour to be,

Sir,

Your most obedient servant,

A. G. S. S. S.

Director of Public Instruction.
