READ memorial to Government from Mahamood Ali Sahib, Clerk Register Section dated 24th February 1904 praying for exemption from examination rules.

Resolution.

The petition from Mahamood Ali Sahib praying for exemption from the operation of the Examination rules is submitted for the orders of Government.

2. The applicant passed the Lower Secondary Examination in 1893 in one of the optional subjects, viz., English, and continued his studies up to the Matriculation class, but did not appear for the examination, as he says, he fell ill at the time. He does not appear to have attempted to pass this Examination at any subsequent date. He was entertained as a temporary clerk in the "Register" section of the Board's Office on Rs.15 per mensem in December 1902 and has since then satisfactorily done the work assigned to him. The special ground urged by the petitioner for exemption is that his family was connected by descent or marriage with Tipu Sultan and Nabob Wallajah of Arcot.

3. The petitioner is a respectable Mussulman who --
has

has been doing good work, and considering the backwardness of the Mahomedan section of the population in the matter of education, the Board is inclined to recommend that the -- exemption applied for may be sanctioned, so that the petitioner may be appointed to a permanent post on Rs.15/- per mensem in the Public Service. It is not prepared to support his request for a general exemption in respect of any higher paid appointments.

mination rules so as to enable him to get a permanent post.

C. No. 834 From the Revenue Department No 605, dated 5-5-1904.

SUBJECT

Exemption from passing the upper secondary examination.

This is an application from one Muhammad Ali Sahib, a temporary clerk in the register section of the Board's Office (Settlement Depart.) for exemption from the upper secondary examination so as to enable him to obtain a permanent post in the public service. The Board in submitting the application says that the applicant is a respectable Mussalman and has been doing the work assigned to him satisfactorily and, considering the backwardness of the Muhammadan section of the population in the matter of education, recommends that the applicant maybe exempted from the examination rules so that he may be appointed to a permanent post on Rs. 15 per mensem. The only ground for exemption urged by the applicant is that he is highly connected. This by itself does not, however, appear to constitute a sufficient ground for exemption. Orders are solicited.

Some precedents for and against are submitted.

Re 12/5/4 Recommendations by the Board are generally accepted. The Board's recommendation is by 13/5/4

Re 12/5/4 Put up precedents - there are plenty of them. Re 13/5/4

All the cases, except the Freedmen's put up, in which
action can be pursued, relate to negatives.

The present man has apparently made no attempt

to pass legislation, and there can be no

to pass. Permanent exemption would probably be more effective.

The application is refused. Please note.
