Education.Simla, the 10th May 1904.

SIR,

I
216-17
15-503

IN reviewing the points dealt with in the report of the Indian Universities Commission in Home Department letter no. 854, dated the 24th October 1902, the Government of India made no special reference to the recommendations of the Committee regarding medical education. This question has recently received the attention of the Governor General in Council in connection with certain changes which have been proposed in the regulations for the degree of M. B. in one of the universities, and the passing of the Universities Act has rendered it necessary that a careful examination should be made of the system of medical education which is now recognized by the different universities.

2. With a view, therefore, of arriving at a common understanding as to the way in which the regulations for medical degrees should be revised, and the extent to which, and the means by which, a more uniform system may be introduced, the Government of India propose to appoint a Committee consisting of the Principals of the four Medical Colleges and certain other medical officers to consider the whole question. The Committee will be constituted as follows:—

President:

Colonel S. H. Browne, C.I.E., M.D., I.M.S.,
Inspector General, Civil Hospitals, Bengal.

Members:

Colonel G. Bomford, C.I.E., M.D., I.M.S.,
Officiating Inspector General, Civil Hospitals, Punjab.

Lieutenant-Colonel J. Maitland, M.D., I.M.S.,
Principal, Medical College, Madras.

Lieutenant-Colonel H. P. Dimmock, M.D., I.M.S.,
Principal, Grant Medical College, Bombay.

Major F. J. DRURY, M.B., I.M.S.,
Officiating Principal, Medical College, Calcutta.

Major J. C. LAMONT, M.B., I.M.S.,
Acting Principal, Medical College, Lahore.

3. The Committee will meet in Simla during the present season some time in the month of July next (the exact date will be communicated hereafter), and it is hoped that they will be able to complete their deliberations and to submit their report within a fortnight or three weeks at the outside. The Government of India do not consider that it will be necessary, for so short a period, to make any officiating appointments in place of the officers who will serve on the Com-

4
2
mittee or to grant them any deputation allowance. The ten days' limit for halting allowance prescribed by Civil Service Regulations, Article 1056, will, however, be relaxed in their favour.

4. I am to request that, with the permission of *the Governor in Com-*
cil the services of the officers referred to in paragraph 2 may be made available to serve on the Committee, and that they may be instructed to hold themselves in readiness to proceed to Simla in July next.

I have the honour to be,

SIR,

Your most obedient servant,

H. H. Risley

Secy. to the Govt. of India.
