The humble petition of

2. The applicant
is intelligent,

showeth:—

The applicant is a native
hand working and of Rayachoty Taluk. And belongs
a willing worker to Kapu Caste. An agricultural
and does not class. Though it is a well-known
quibble at fact that Kapus are very backward

manner the applicants' Educational ^{up to Rs. 30}
prospect came to an end by inevitable
circumstances.

2/ The applicant entered
into the Public Service in about 1883. ¹⁸⁹⁴
with an acting appointment on Rs 15/.
and by steady application to duty
and doing it honestly and faithfully,
he gained the favour of superiors who
had the kindness to get him a permanent
appointment four years after that is,
in 1887. He held that appointment
since then but could not rise higher
for want

for want of educational qualifications.
Fortunately for him revision of the
Taluk Establishment arrived in 1889,
when his superiors including the
Tahsildar and the Divisional
officer proposed him for a permanent
promotion on Rs 20-0-0. But to his
misfortune he was favoured only
with a 17 1/2 Rupees post which he
occupies even to day.

Though the applicants' English
reading was over with 58 form he
spared no pains to improve the
English language after entering
into the public service and he has
learned the art of producing
efficient drafts required of any
business. But what is the use
of all his trouble. He does not
possess Examination pass without
which there is no opening to further
promotions. As explained in para 1
there were obstacles in the way of
his completing examination quali-
fications. When he was young
and now it is too late to study
for examinations. The only last

 Chance opened for the applicant
 is to place his case at the feet of
 the Government and to crave its
 generosity to exempt him from the
 examination restrictions. The Government
 has been kind enough to grant such
 indulgence to men of other castes.
 possessed with less qualifications,
 the main circumstances in favour
 of the applicant is that he is the only
 man of the agricultural class
 employed in the District in the lower
 appointments. The applicant has passed
 the middle school examination in IInd class.

3/ In these circumstances
 applicant most humbly prays that
 his honor, the Sub Collector, will be
 good enough to recommend the
 exemption of the applicant from
 the examination restrictions for
 rising up to the grade of at least
 head gumastah on Rs 30-0-0.

I beg to remain,
 Respected Sir,
 Yours honor's most obedient
 servant

Govindaswamy
 Clerk
 Taluk office, Vayalpet.

The Sub Collector is a good order. It is much
 necessary to examine the case in the District in particular as we are absolutely dependent on the Government
 for the grant of such indulgence. The only other case is
 to be seen in the District & the Government is the only one in the District. The Government is the only one in the District.

Submitted to Government, Educational Department, and strongly
 recommended that Chintakunta Govinda Reddi may be exempted from
 the examination rules for being appointed to posts carrying a
 salary not exceeding Rs.30 per mensem.

C. No. 931 From the Collector of Cuddapah No 1753, dated 19-5-1904.

SUBJECT.

Exemption from the examination rules.

The Collector of Cuddapah strongly recommends the exemption from the examination rules of Chintakunta Govinda Reddi, Clerk on Rs. 17 1/2 in the Poyyalpand Taluq Office for promotion to posts carrying salary not exceeding Rs. 30/ per mensem. He entered the service in 1883 ^{but} was permanently appointed ^{only} in 1887. He has passed only the middle school examination in the second class. He belongs to an agricultural class and is said to be the only member of that class employed in the lower ranks of the service in the District. The Tahsildar and the sub Collectors speak well of him and the latter says that ~~it~~ it is most necessary to encourage other castes than Brahmmins in the Division ^{that} these castes are badly wanted to leave the whole and that the Reddi castes in particular should be encouraged as then a better hold could be had over their other relatives who hold the Village Officers' posts.

2. In the notes in G.O. no. 586 Est. of 26th Novr: 1903 the late Secretary, Mr. Cardew said that he was getting tired of Mr. M. C. Reddi's exemption a

Rec 3. Orders are solicited whether for the present applicant should be exempted.

PH 30/5/14 10th May 1914

Case A - since it relates to Varadachari Office. The present applicant has been 17 years in present employment. I do not think it is a case for exemption for port carrying a higher salary etc. and is other of the agricultural class & quality. If the man were really, or in merit, worthy of promotion to higher post, the recommendation would have been made long ago. in all probability there are far too many special exemptions in the Cuddalore District, and I cannot support the Col's application in the

present case. If exemption is granted, it should be only for port carrying a salary of Rs 25. less, and not Rs 30. less a month.
