EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 389, EDUCATIONAL, DATED
25TH JUNE 1904.

[SUBJECT.—*Transfer of the Military Female Orphan Asylum to Ootacamund.*]

The notification * issued under G.O., No. 212, Educational, dated 5th April 1904, orders that the properties of the Madras Military Female Orphan Asylum shall vest in the Treasurer of Charitable Endowments as from the 1st day of July 1904 or such later date as may be notified by the Local Government in that behalf. When the Government order was passed it was expected that the † new buildings at Lovedale would be ready by the 30th instant, and that the girls of the Military Female Orphan Asylum selected for transfer to Lovedale would be transferred by the 1st July 1904.

2. Nothing is known in this Department as to how the buildings are progressing and as to when the girls will be transferred. If the transfer cannot be effected by the 1st proximo, a notification will have to issue postponing the vesting of the properties of the Military Female Orphan Asylum in the Treasurer of Charitable Endowments. It is submitted, therefore, that the Public Works Department may be asked whether the buildings will be fit for occupation by the 1st proximo.

3. The following telegram may also be sent to the Secretary to the Military Female Orphan Asylum:—

Telegram can wait till we have Public Works Department's answer.

"Can the transfer of the Military Female Orphan Asylum to Ootacamund be effected by 1st proximo."

To the Public Works Department.

PUBLIC WORKS DEPARTMENT.

I was over at Lovedale on Friday last, and was informed that bad weather had so delayed operations that it would be impossible to complete the buildings before end of July. I will obtain a definite date from the Consulting Architect. Meanwhile, it may be accepted that the buildings will not be ready for occupation by 1st July.

W. B. DE WINTON—14-6-04.

Office-note from W. B. de WINTON, Esq., C.I.E., Chief Engineer, Public Works Department, to the Consulting Architect to Government, dated Ootacamund, 14th June 1904, No. 524-D.

Please be so good as to fix a definite date by which the buildings at Lovedale will be ready for occupation. The information is required for a notification which has to be issued vesting the properties of the Madras Military Female Orphan Asylum in the Treasurer of Charitable Endowments.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

X The reply of the Consulting Architect as to when the buildings may be expected to be ready for occupation may be awaited. Meanwhile, a draft notification postponing the vesting of the properties may be prepared.

H. D. TAYLOR—14-6-04.

A draft notification is placed below for approval. Orders are solicited whether the date of the coming into operation of the vesting order and scheme should not be fixed in consultation with the Governors of the Military Female Orphan Asylum also. The buildings may be ready, say, in August, but that may not be a convenient time for transferring the girls. On receipt of the Consulting Architect's reply a telegram may, therefore, be sent to the Secretary of the Asylum and the date fixed afterwards.

P. T. THARYAN—14-6-04.

A. GALLETTI—15-6-04.

Approved. I do not suppose that the new buildings will be fit for occupation—especially during the monsoon—for some time after they are completed.

Z 2. I presume that in accordance with the note, dated 26th January 1904, at page 8 of the printed notes in G.O., No. 74, dated 29th January 1904, the necessary arrangements have been made for the temporary accommodation of the Female Civil Orphans in the Women and Children hospital, Egmore?

H.D.T.—15-6-04.

Action has been taken as at Z. Please see G.O., No. 522 P., dated 17th March 1904. The South Indian Railway Company has promised not to evict the Civil Orphan Asylums until November next—*vide* the opening sentence of the Secretary's note, dated 16th March 1904, on page 4 of the notes in the above Government order.

P.T.T.—15-6-04.

A.G.—15-6-04.

The reply of the Consulting Architect to the reference made to him may be awaited.

H.D.T.—16-6-04.

The Consulting Architect's reply has not yet been received. May the Public Works Department be asked to telegraph He is here, I think.

A. GALLETTI. referred to in the note at X above should issue, if possible, on Tuesday week—the last Gazette day of the month.

P.T.T.—20-6-04.

A.G.—20-6-04.

Public Works Department may be asked to let us have the information by Thursday next (23rd) at latest.

Office-note from W. B. deWINTON, Esq., C.I.E., Chief Engineer, Public Works Department, to the Consulting Architect to Government, dated Ootacamund, 20th June 1904, No. 610-D.

Will you kindly reply to this office-note No. 524-D., dated 14th June 1904, copy herewith, by to-morrow. The Educational Department presses for the information.

The Consulting Architect was asked on the 20th instant to reply by the next day, fixing a definite date by which the buildings at Lovedale will be ready for occupation. Educational wants a reply by to-day and the Consulting Architect has not replied. For orders.

C.V.G.—23-6-04.

He told me he was going over to Lovedale yesterday, and would let me know last night. I have not heard. Please send an office-note to him urgently.

W. B. deWINTON—23-6-04.

Office-note from W. B. deWINTON, Esq., C.I.E., Chief Engineer, Public Works Department, to the Consulting Architect to Government, dated Ootacamund, 23rd June 1904, No. 630-D.

Please be so good as to reply per bearer this office-notes No. 524-D., dated 14th June 1904, and No. 610-D., dated 20th June 1904, requesting you to fix a definite day by which the buildings at Lovedale will be ready for occupation.

The Consulting Architect replies that all the buildings will be complete by 31st July. The dormitory extensions are practically ready and could be occupied if necessary in a fortnight. The Consulting Architect fears that the upper story of the new block will be damp for some time. To allow the buildings time to dry, the Chief Engineer recommends that occupation be deferred, if possible, until 1st September.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

The Directors of the Female Orphan Asylum suggest 1st October as the latest date.

2 The removal may take effect from 1st September and the notification issue accordingly.

3. Meantime, it will be necessary to arrange for the Orphans to be properly provided with a sufficient supply of warm clothing.

H. D. TAYLOR—24-6-04.

It is essential that the buildings should have time to dry and that is not possible without a spell of fine weather. Better make the date 1st October and issue.
