CHIEF SECRETARY
15-JUN. 1904
GOVERNMENT OF MADRAS

To
The Chief Secretary
Government of Madras.
Madras.

Sir,

I have been informed that
the post of Lady Superintendent
of Presidency Training School
for Misses, Madras, is to be
vacant soon; and I beg

to make application for it.

I graduated in January 1899 at the Madras University and took the Master of Arts degree at the same University in January 1902. My Special Subjects for the B.A. were History, English & Vernacular (Telugu). For the M.A. I specialised in English Language and Literature.

This is my third term at the Cambridge Teachers

College, and I hope to take the diploma in June next.

I am forwarding my testimonials, Miss Powell, the Lady Principal of this College will be glad to answer any questions about me.

I am 23 years old.

I am a member of the Church of England.

I beg you will be good enough to consider

Hannah Krishnamma.

The Cambridge Teachers College.

May 24. 1904.

Miss H. Krishnamma has been a student here for the last year and hopes to take her diploma in June in the Theory & Practice of Teaching.

I can speak in the highest terms of Miss Krishnamma's character and abilities, as they have come under my notice. She is a very good teacher and has a wonderful power of grasping and adapting herself to new conditions and would be a most valuable member of a school staff. She has also used her opportunities so well here that I can confidently recommend her for the task of training teachers in India, which is her chief desire.

I shall be glad at any time to answer questions concerning Miss Krishnamma.

Miss Hannah Kristamma studied under me for five years at the Noble College, Maoulipatam, from which institution she passed the F.A and B.A. examinations. She obtained a 1st Class in the former, and in the Language Branches of the latter, and a Second class in the History Branch of the B.A. Two years later she proceeded to the M.A. degree. She displayed a very marked degree of ability as a student, as her College career indicates. I consider her in every way suited to obtain the Government of India scholarship to England, for she is likely to bring credit to the Madras University, at whatever English University she elects to study; moreover she is a student unusually likely to produce original work hereafter, in my opinion. The three years course in England is calculated to benefit her personally more than the majority of eligible students, as she has two brothers, now studying in that country, & the social advantage and beneficial influences of the country will be specially open to her, as her family is well-to-do, & her father has

many friends in England, where he himself resided for some years. Her conduct as a student was excellent, & I have the highest opinion of her character. I think her sex should not be allowed to prejudice her claim to the scholarship as the fields of influence now open to women in India are wonderfully extensive, & a highly cultivated woman, who has enjoyed the privilege of a three years course at an English university, is in my opinion more likely to exert an elevating & enlightening influence on Indian society, than a man of no greater ability. I have therefore the utmost confidence in strongly recommending Miss Krishnamma for this scholarship, being assured that she will in no common degree benefit by the privilege, & bring credit to the Madras University, & her native country.

Miss Hannah Krishnamma M. A. was a student of this College for 5 years from 1896-1898, and during that time she distinguished herself both by her industry and by her exceptional abilities.

Whatever subject she applied herself to she excelled in and set a brilliant example to the other students by the systematic and efficient manner in which she did all her work.

In 1896, she stood 2nd in the 1st class in the F. A. Exam: and in 1898 she passed all 3 branches of the B. A. Exam standing 4th in the 1st class in English, 5th in the 1st class in Telugu, & 4th in the 2nd class in History.

She has just passed her M. A. in English.

Her general character is excellent & I can strongly recommend her for a Government scholarship to England for I believe that in any branch of study she takes up, she will do credit to her native country of India.

Miss Krishnamma is I think Pattanamachari

nothing officially of an impending vacancy at present.
