To

The Secretary to Government,

Educational Department.

Sir,

The Superintendent, Medical School, Vizagapatam, purchased locally articles of stationery for Rs 5-2-1 for examination purposes and case books for Rs 9-10-0 to supply to students for drawing up their clinical cases. When the bill for Rs 14-12-1 was presented to the Treasury Officer, Vizagapatam he refused to pass the bill without the special sanction of Government, required under article 98(f) of the Civil Account Code. The necessity for the local purchase of the articles as explained by the Superintendent is that they were urgently required for examination purposes and they could not be obtained from the Superintendent of Stationery as that officer objected to the supply according to Rule 4, Appendix E of the Stationery Manual under the apprehension that the paper was to be supplied to the students. I have the honour therefore, to request that the sanction of Government may be obtained for the local purchase of stationery for Rs 14-12-1. The Superintendent, Medical School, Vizagapatam has now been instructed not to supply case books to students hereafter as I understand that they are not supplied to the students of the Madras Medical College.

I have the honour to be,

Sir,

Your most obedient servant,

Eunniadlemash
