READ—also the following paper :—

From R. NATHAN, Esq., C.I.E., Deputy Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Simla, the 17th June 1904, No. 495.

In continuation of the Home Department letter No. 539, dated the 7th September 1903, I am directed to forward, for the information of the Governor in Council and guidance, extracts of paragraphs 2, 3 and 6 of a letter from the Board of Education, London, No. 1040, dated the 11th April 1904, regarding the recognition of certain schools in India for the purposes of registration of teachers in England.

ENCLOSURE.

No. S. 1040.

BOARD OF EDUCATION,
SOUTH KENSINGTON,
LONDON, S.W., 11th April 1904.

SIR,

2. This recognition is given on the understanding that the transmission of the applications in the form in which they were received from the schools implies that the information furnished by the schools may be accepted as correct, and that no observations are made either by the Government of the Punjab or by the Government of India because observations are not thought necessary.

3. In all cases recognition accorded for the purposes of sections 3 (3) and 4 is limited to three years from the date of its being given, and is liable to withdrawal at any time at the discretion of the Board, and the Board direct me to ask that the Government of India be requested to inform schools of this in making the announcements of recognition. The Board would also be much obliged by the Government of India informing them, should at any time any alteration take place in the circumstances of any of the schools of such a nature as might render them ineligible for continuance of recognition.

6. With reference to the Board's letter of the 8th June 1903, addressed to the Director-General of Education in India, I am to ask that the Government of India may be requested, in the case of any future application, to supply, in addition to the information asked for in the 6th paragraph of that letter, the latest official report that has been made on the school, in order that the Board may be able to form an estimation of its actual condition and the measure of its efficiency in working.

I have, etc.,
W. N. BRUCE.

The Under Secretary of State for India,
India Office, Whitehall, S.W.

ORDER—No. 409, Educational, dated 4th July 1904.

With reference to the orders read again at the head of these Proceedings regarding the recognition of schools in India for the purposes of registration of teachers in England, the following further instructions are issued :—

(1) In forwarding an application for recognition from a school the Director of Public Instruction should state whether the information furnished by that school in such application may be accepted as correct and should submit a copy of the latest official report that has been made on the school.

(2) Recognition accorded for the purposes of sections 3 (3) and 4 of the regulations for the formation of a register of teachers, communicated with G.O., No. 456, Educational, dated 19th September 1903, will always be limited to three years from the date of such recognition and will be liable to withdrawal at any time at the discretion of the Board of Education, London. In the event, therefore, of any school being recognised it should be informed of these facts when the announcement of recognition is conveyed to it.

(3) If after a school is recognised any alteration takes place in its circumstances of such a nature as might render it ineligible for continuance of recognition, the fact should at once be reported to Government.
