[Despatch Abstract.]

Regulations for Medical Degrees

Informing the S.D. & the Surgeon-General that the Committee of medical officers appointed to consider the question of the revision of the — granted by the Indian Universities, met and assembled at Calcutta during November 1904, instead of at Simla in July as originally arranged.

Informing the Director of Public Instruction and the Surgeon-General that the Committee of medical officers appointed to consider the question of the revision of the — granted by the Indian Universities, will assemble at Calcutta during November 1904 instead of at Simla in July as originally arranged.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following paper :—

G.O., No. 319, Educational, dated 26th May 1904.

Read—the following paper :—

From H. H. RISLEY, Esq., C.I.E., Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Simla, 10th May 1904, No. 379.

In reviewing the points dealt with in the report of the Indian Universities Commission in Home Department letter No. 854, dated the 24th October 1902, the Government of India made no special reference to the recommendations of the Committee regarding medical education. This question has recently received the attention of the Governor-General in Council in connection with certain changes which have been proposed in the regulations for the degree of M.B. in one of the universities, and the passing of the Universities Act has rendered it necessary that a careful examination should be made of the system of medical education which is now recognized by the different universities.

2. With a view, therefore, of arriving at a common understanding as to the way in which the regulations for medical degrees should be revised, and the extent to which, and the means by which, a more uniform system may be introduced, the Government of India propose to appoint a Committee consisting of the Principals of the four Medical Colleges and certain other medical officers to consider the whole question. The Committee will be constituted as follows :—

President :

Colonel S. H. Browne, C.I.E., M.D., I.M.S., Inspector-General, Civil Hospitals, Bengal.

Members :

Colonel G. Bomford, C.I.E., M.D., I.M.S., Officiating Inspector-General, Civil Hospitals, the Punjab.

Lieutenant-Colonel J. Maitland, M.D., I.M.S., Principal, Medical College, Madras.

Lieutenant-Colonel H. P. Dimmock, M.D., I.M.S., Principal, Grant Medical College, Bombay.

Major F. J. Drury, M.B., I.M.S., Officiating Principal, Medical College, Calcutta.

Major J. C. Lamont, M.B., I.M.S., Acting Principal, Medical College, Lahore.

3. The Committee will meet in Simla during the present season some time in the month of July next (the exact date will be communicated hereafter), and it is hoped that they will be able to complete their deliberations and to submit their report within a fortnight or three weeks at the outside. The Government of India do not consider that it will be necessary, for so short a period, to make any officiating appointments in place of the officers who will serve on the Committee or to grant them any deputation allowance. The ten days' limit for halting allowance prescribed by Civil Service Regulations, article 1056, will, however, be relaxed in their favour.

4. I am to request that, with the permission of the Governor in Council, the services of the officers referred to in paragraph 2 may be made available to serve on the Committee, and that they may be instructed to hold themselves in readiness to proceed to Simla in July next.

Order—No. 319, Educational, dated 26th May 1904.

Communicated to the Director of Public Instruction and the Surgeon-General. The Surgeon-General is requested to issue the necessary instructions with reference to paragraph 4 of the letter from the Government of India.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction.
" Surgeon-General.
Copy to the Public Department.

READ—also the following paper :—

From R. NATHAN, Esq., C.I.E., Deputy Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Simla, 23rd June 1904, No. 521.

I am directed to refer to the Home Department letter No. 379, dated the 10th May 1904, regarding the appointment of a Committee of medical officers to consider the question of the revision of the regulations for medical degrees granted by the Indian Universities.

2. In paragraph 3 of that letter it was stated that the Committee would meet in Simla some time during next month. It has since been represented to the Government of India that if the meeting is held in July it will interfere very seriously with the working of all the Medical Colleges, and the Government of India have therefore decided that the Committee instead of meeting at Simla shall assemble at Calcutta during November next (the exact date will be communicated hereafter). I am accordingly to request that, with the permission of the Governor in Council, the services of the officer selected to serve on the Committee may be made available in November next.

ORDER—No. 420, Educational, dated 9th July 1904.

With reference to G.O., No. 319, Educational, dated 26th May 1904, the Director of Public Instruction and the Surgeon-General are informed that the Committee of medical officers appointed to consider the question of the revision of the regulations for medical degrees granted by the Indian Universities, will assemble at Calcutta during November next instead of at Simla in July as originally arranged. The Surgeon-General is therefore requested to arrange for the services of the Principal, Medical College, Madras, being made available in November next.

NOTES CONNECTED WITH G.O., No. 420, EDUCATIONAL,
DATED 9TH JULY 1904.

[SUBJECT.—Appointment of a Committee to consider the question of Medical Education.]

From the Government of India, No. 379, dated 10th May 1904.

I

A copy of the letter from the Government of India may be circulated to His Excellency the Governor and the Honourable Members for perusal only with reference to memorandum No. 641, Public, dated 29th April 1901.

N. LATCHMANA RAO—16-5-04.

P. T. THARYAN—17-5-04.

H. D. TAYLOR—17-5-04.

Seen. Warn Colonel Maitland.

J. T[HOMSON]—19-5-04.

G. S[TOKES]—21-5-04.

G. S. F[ORBES]—21-5-04.

To the Public Department with the request that the necessary warning may be given to Colonel Maitland in that department, as directed by His Excellency.

H.D.T.—23-5-04.

PUBLIC DEPARTMENT.

A draft official memorandum to the Surgeon-General is submitted.

C. S. SIMPSON—25-5-04.

Issue.

A. Y. G. CAMPBELL—25-5-04.

Memorandum No. 2159, Public, dated 25th May 1904.

The Surgeon-General is requested to be good enough to warn Lieutenant-Colonel J. Maitland, I.M.S., that he will be required to serve on a Committee which it is proposed to assemble at Simla in the month of July next, to consider the manner in which the regulations for medical degrees in Indian Universities should be revised, and the extent to which, and the means by which, a more uniform system may be introduced.

2. A Government order on the subject will be issued shortly.

P.T.T.—18-5-04.

A. GALLETTI—18-5-04.

H.D.T.—18-5-04.

To the Public Department.

PUBLIC DEPARTMENT.

Lieutenant-Colonel Maitland, I.M.S., has been granted privilege leave for a month from the 1st June. If the Committee is to meet very early in July, he will perhaps have to start before the end of June, but this is a matter which may be considered when the date of the meeting is communicated.

2. With regard to the terms of the draft order, it is submitted that the Surgeon-General, as the administrative head of the Medical department, is the officer who should be requested to make Lieutenant-Colonel Maitland's services available to sit on the Committee. The latter officer is under the orders of the Director of Public Instruction only in a collateral sense. A copy of the order may be sent to the Director of Public Instruction and the Home Department letter should of course be communicated to him.

3. Submitted that the order may be: "Communicated to the Director of Public Instruction. The Surgeon-General will be requested to make the services of Lieutenant-Colonel Maitland, I.M.S., available to serve on the Committee, and to instruct him to hold himself in readiness to proceed to Simla in July next."

C. S. SIMPSON—19-5-04.

Will it be necessary to place Lieutenant-Colonel Maitland's services at the disposal of the Government of India by a notification?

A. Y. G. CAMPBELL—20-5-04.

The Government of India apparently do not contemplate this. They say that it will not be necessary to make any officiating appointments in place of the officers who will serve on the Committee, or to grant them any deputation allowance. They will be in the position of officers serving under their own Governments, but travelling on duty.

C.S.S.—20-5-04.

Draft may be accepted subject to remarks in first office-note in Public.

A.Y.G.C.—20-5-04.

Yes. The draft in Educational won't do. The Surgeon-General as head of the department must be instructed as in the draft suggested above. Colonel Maitland has already, I think, gone on leave to Bangalore.

M. HAMMICK—22-5-04.

To the Educational Department.
