Stating that the Director of Public Instruction should issue a circular to the officers of the — prescribing the procedure to be adopted in case those officers intend to retire or to proceed on leave preparatory to retirement, or to apply for sanction to be deputed on special duty.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 4th July 1904, Cur. No. T./1.

I observe from the papers communicated to me for information and guidance in G.O., No. 181, Educational, dated 15th March 1904, that as long notice as possible should in future be given of the probable occurrence of vacancies in the Indian Educational Service whether these are to be permanent or temporary and in those communicated in G.O., No. 143, Educational, dated 3rd March 1904, that it will be necessary to supply information as to which of the officers of this service are likely to obtain furlough and more particularly to apply to be deputed on special duty during the next calendar year.

2. I have the honour to enquire whether I should take any action with regard to these matters. It appears that I am expected to act under the former order and it would be convenient to deal with both matters simultaneously. It would also be convenient to have some arrangement under which the necessary action should be taken regularly each year.

3. I beg to suggest that I should be instructed to ascertain from the Accountant-General on a certain date in each year which officers of the Indian Educational Service will during the next calendar year—

- (1) be eligible for retirement;
- (2) be eligible for long leave and for retirement at the expiry thereof;
- (3) be eligible for long leave;

and that I should then ascertain from these officers whether it is their intention to retire or apply for such leave and in the third case referred to whether they intend to apply to be deputed on special duty during any portion of the leave.

4. I beg to point out that in cases where application is made to the Secretary of State for filling vacancies either temporarily or permanently, it will be necessary to make it clear to the officers concerned that they may be compelled to abide by their decision.

5. The absence of provision in the Civil Service Regulations for notice of intention to retire or to apply for leave may introduce difficulty in the way of giving effect to the orders under reference.

ORDER—No. 422, Educational, dated 9th July 1904.

The Government consider that it will suffice if the Director issues a circular that all officers of the Indian Educational Service desiring to retire or to proceed on long leave preparatory to retirement, in any calendar year, should intimate the fact to him by the 1st of the previous December, and that all officers intending to proceed on long leave or to apply for sanction to be deputed on special duty should similarly give intimation by the 1st of the previous June.

2. The Director should, on receipt of the information, submit reports to Government.

Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 422, EDUCATIONAL, DATED
9TH JULY 1904.

[SUBJECT.—*Indian Educational Service.*]

From the Director of Public Instruction, No. T-1, dated 4th July 1904.

The Director suggests that he may be instructed to ascertain first from the Accountant-General on a certain date in each year which officers of the Indian Educational Service will, during the next calendar year, be eligible for retirement, long leave and retirement or long leave, and then from the officers concerned whether it is their intention to retire or go on long leave or apply to be deputed on special duty.

2. Orders are solicited whether the suggestion should be accepted. It is submitted that there does not appear to be much necessity for this procedure, which may be considered inquisitive. The object aimed at can be equally attained if the Director issues a circular to the effect that all officers wishing to retire or go on long leave preparatory to retirement in a calendar year should intimate the fact to him in the month of January in that year, and that all officers desirous of going on long leave and of applying to be deputed on special duty should similarly give intimation before the 1st of June of the previous year. It is sufficient if intimation of retirement is

Paragraph 3 of the circular on page 9 of G.O., given in January, because the best period of recruitment is May or June and there will be ample time for communication to

the Secretary of State before then. For permission to go on special duty longer notice is necessary as the Government of India have decided to make enquiries about the matter in June every year—*vide* paragraph 3 of their letter, page 3 of G.O., No. 143, dated 3rd March 1904.

P. T. THARYAN—5-7-04.

The Secretary of State's specific reference is to certain other Provincial Governments.

2. It will be sufficient if the Director issues a circular and submits a report (based on information voluntarily given him) once a year, say by the end of December? The Secretary of State wants to hear as "soon after the 1st of March as possible".

A. GALLETT—6-7-04.

Yes. It is, of course, quite impossible to foresee vacancies caused by death or illness.

H. D. TAYLOR—7-7-04.

The draft placed below is submitted for approval.
