GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following papers :—

From R. BRUCE FOOTE, Esq., F.G.S., F.M.U., to the Secretary to Government, Educational Department, dated the Rookery, Yercaud, 19th June 1904.

In reply to your letter No. 368 of the 14th instant requesting me to state whether I accept as correct the statement of differences in dispute between myself and the Government of Madras acting on behalf of the Secretary of State as to what shall be considered a fair and reasonable price for my collection of prehistoric antiquities which you enclosed, I have the honour to inform you that the statement as contained in the second part of paragraph 1, which I quote, appears to me to be correct. The passage I refer to runs as follows : "The Government of Madras acting for the Secretary of State on the 12th April offered the said Mr. Robert Bruce Foote the sum of Rs. 9,300 in full payment for the collection, and a copy of the telegram conveying the said offer is appended, but Mr. Bruce Foote by his letter of the 14th April 1904 (a copy of which is also appended) rejected the said offer. On this the Government in view of a speedy and final settlement of the matter and to avoid the delay of arbitration wrote Mr. Bruce Foote the letter, dated 21st May 1904 (copy appended) in which they offered Mr. Bruce Foote Rs. 15,000 for the said collection. But Mr. Bruce Foote declined the modified offer in the letter, dated Mount Pleasant, Ootacamund, the 23rd May 1904 (copy appended), on the ground that he considered the offer far below the value of his specimens and stated that he was prepared to submit the question to arbitration."

Telegram from the Secretary to the Government of India, Revenue and Agricultural Department, to the Secretary to the Government of Madras, Educational Department, dated 24th June 1904, No. 1909.

With reference to letter No. 345, dated 6th June 1904, Director-General, Archæology, is unable to arbitrate at present owing to ill-health. Suggest that Mr. Bruce Foote be asked to consent to postponement of arbitration for six months as no other competent person available to act on behalf of Government. With reference to umpire Government of India are unable to name a competent person. Suggest therefore that Madras Government and Mr. Bruce Foote agree to submit awards of arbitrators in event of disagreement to British Museum authorities who would appoint umpire on understanding that his decision is final. Letter follows.

From L. ROBERTSON, Esq., I.C.S., Under Secretary to the Government of India, Department of Revenue and Agriculture (G. & M.), to the Secretary to the Government of Madras, Educational Department, dated Simla, 29th June 1904, No. 1947/107—4.

In continuation of this department's telegram No. 1909, dated the 24th instant, regarding the appointment of an arbitrator to examine and value on behalf of Government Mr. Bruce Foote's collection of prehistoric antiquities, I am directed to say that the Government of India regret that the state of the health of Mr. Marshall, Director General of Archæology, will not permit of his undertaking, for the present at any rate, the journey to Yercaud for the purpose. It is hoped that he will be able to do so during the coming winter, and in the telegram referred to, the Government of India have suggested that negotiations should be entered into with Mr. Bruce Foote with the view of obtaining his consent to an extension by six months of the time within which under the agreement forwarded with your letter arbitration should take place.

2. With regard to the nomination of an umpire referred to in paragraph 8 of your letter, I am to say that the Government of India are unable to mention any person in India qualified to act in this capacity, and they advise that if the Governor in Council sees no objection to the course proposed, Mr. Bruce Foote should be asked to consent to the awards of the arbitrators, in the event of their disagreeing, being forwarded to the Secretary of State for submission to the British Museum authorities who would be requested to appoint an umpire on the understanding that his decision would be final.

Telegram from the Acting Secretary to the Government of Madras, Educational Department, to the Secretary to the Government of India, Revenue Department, dated 2nd July 1904, No. 55.

Your telegram 1909, dated 24th June. Under agreement nomination of Government arbitrator before 14th July essential and arbitration could not reasonably be postponed for so long as six months from that date, nor would Bruce Foote accept such delay but actual local inspection and disposal might be slightly deferred. Could not Mr. Marshall definitely come some date not later than say September. If this is impossible can India suggest any one in Calcutta or Bombay with sufficient knowledge (of) antiquities to act immediately as arbitrator ? (The) appointment of umpire in event of disagreement rests with arbitrators to whom British Museum authorities may be suggested.

Telegram from R. BRUCE FOOTE, Esq., to the Secretary to Government, Educational Department, dated Yercaud, 4th July 1904.

Have to move out of this house in three weeks. The lease is up. Please expedite arbitration greatly.

Telegram from the Acting Secretary to Government, Educational Department, to R. BRUCE FOOTE, Esq., dated 5th July 1904, No. 56.

Your telegram, 4th instant. Government regret your difficulty but impossible to arrange arbitration so soon.

Telegram from the Secretary to the Government of India, Revenue Department, to the Secretray to the Government of Madras, Educational Department, dated Chota Simla, 5th July 1904, No. 2023.

Your telegram No. 55, dated 2nd July. Owing to his state of health Mr. Marshall cannot promise to go to Yercaud in September. We can suggest no one but Mr. Rea of Madras or Mr. Cousens of Bombay.

Telegram from the Acting Secretary to the Government of Madras, Educational Department, to the Secretary to the Government of Bombay, General Department, dated Ootacamund, 7th July 1904, No. 59.

This Government under an agreement between [Mr.] Bruce Foote, late [of] Geological department, and [the] Secretary of State have [the] right to purchase his collection of prehistoric antiquities consisting [of] stone implements and pottery. Government's offer [of] one thousand pounds refused and arbitration necessary. [Mr.] Marshall, Director [of] Archæology, India, unable [to] act owing illness. This Government would be glad to know your opinion as to fitness of Mr. Cousens, your Archæological Superintendent, to value such a collection, and if so whether His Excellency would allow his deputation here for about fortnight on the duty. Collection is at Yercaud on Shevaroy Hills. Matter is very urgent as arbitrator must be nominated before 14th instant but duty need not commence immediately.

Telegram from the Secretary to the Government of Bombay, General Department, to the Secretary to the Government of Madras, Educational Department, dated Poona, 9th July 1904, No. 203 P.

Your No. 59. Mr. Cousens says he has not much experience of money value of prehistorics and would prefer not to act as arbitrator unless associated with some one who has. He is expecting letter from Mr. Marshall on subject, and if he has reasons to change his opinion another telegram will be sent. Bombay Government would have no objection to his deputation.

ORDER—No. 430, Educational, dated 13th July 1904.

In accordance with clause (3) of the agreement, dated 14th November 1898, between Mr. Robert Bruce Foote of Yercaud and the Right Honourable the Secretary of State for India, Mr. Alexander Rea, F.S.A.(Scot.), M.S.A., M.R.A.S., Superintendent of Archæological Survey, Madras, is hereby appointed arbitrator on behalf of the Secretary of State in respect of the price to be paid to Mr. Bruce Foote for his collection of Indian prehistoric implements and other things.

2. Mr. Rea is requested to report himself to Government in the Educational Department at Ootacamund at an early date in order to receive the papers connected with his deputation as arbitrator.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To R. Bruce Foote, Esq. (paragraph 1).
„ Alexander Rea, Esq., through the Public Department.
Copy to the Public Department
with copy of letter No. 431, dated 13th July 1904.

LETTER—No. 431, Educational, dated Ootacamund, 13th July 1904, to R. Bruce Foote, Esq., F.G.S., F.M.U., Yercaud.

In continuation of my letter No. 368, dated 14th June 1904, I am directed to confirm my telegram of this date as under :—

> "[Mr. Alexander] Rea, Superintendent, Archæological Survey, Madras, is appointed arbitrator on behalf [of] Secretary of State for valuation your collection of prehistorics."

2. Mr. Rea will be directed to proceed to Yercaud to inspect and value the collection in company with Mr. E. S. B. Stevenson, the arbitrator nominated by yourself, as early as may be practicable.

3. I herewith forward for the use of your arbitrator six copies of the "Statement of difference" for decision by the arbitrators.

H. D. TAYLOR,
Ag. Secretary to Government.

Exd. C. Parthasarathy.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., Nos. 430, 431, EDUCATIONAL, DATED 13TH JULY 1904.

[SUBJECT.—*Mr. Bruce Foote's Collection of Indian Prehistoric Antiquities.*]

From Mr. Bruce Foote, dated 19th June 1904.

Please put up papers. Mr. Foote does not state whether he accepts the statement as a whole, but he states only a portion to be correct.

H. D. TAYLOR—21-6-04.

Submitted that the papers have all been sent down to Madras to be printed urgently. The original of the "statement of difference" is however here and a copy is submitted. Submitted that it is only the portion of this statement quoted by Mr. Bruce Foote that has to be accepted by him and he has accepted it.

P. T. THARYAN—21-6-04.

A. GALLETTI—22-6-04.

Rough proofs of the orders and notes have just been received [1 P.M.] and are submitted.

P.T.T.—22-6-04.

The reference to the arbitrators (with references attached) may now be separately printed. Twelve copies will suffice?

H.D.T.—22-6-04.

But we want copies also for all the printed collections, besides copies for the arbitrators and umpire and then there are the copies for the Government of India if the correspondence has ultimately to go to them? We shall want at least 30 copies, I think.

G. S. F[ORBES]—22-6-04.

The type should be kept standing after the full copies are struck off until final orders are issued.

H.D.T.—24-6-04.

[When all the papers are printed up we have to select papers for our arbitrator.]

G.S.F.

The "statement of difference" is approved. Thirty copies may now be printed, together with the papers therein referred to. Treat as very urgent.

H.D.T.—24-6-04.

Telegram from the Government of India, Revenue and Agricultural Department, dated 24th June 1904, No. 1909.

India suggests that as Mr. Marshall is not immediately available owing to ill health Mr. Bruce Foote be asked to consent to a postponement for six months.

2. It seems extremely doubtful whether Mr. Bruce Foote will agree to postponement of nomination, especially as in the event of the Government failing to nominate an arbitrator he can do so himself. Perhaps India overrates the amount of expert knowledge that is required by the arbitrator. Mr. Stevenson cannot be considered to possess any great knowledge.

3. As to the second proposition, viz., that the Madras Government and Mr. Bruce Foote should agree to submit awards of arbitrators to the British Museum in the event of disagreement, it is observed that this is a variation in the terms of the original agreement.

4. We have only 19 days more and it is desirable that Government should have some one in their mind's eye to appoint as arbitrator, if necessary, at the last moment, should Mr. Bruce Foote decline to extend the period. We have not yet told Mr. Bruce Foote that Government intend to nominate Mr. Marshall, if available, as the reasons cannot be satisfactorily explained in a telegram.

5. India seems to have mistaken the nature of the reference: we did not ask India to suggest the name of a competent person as umpire. The umpire is to be appointed by the arbitrators.

6. A draft telegram and letter to Mr. Bruce Foote are put up, but I doubt whether it is desirable to correspond further with Mr. Bruce Foote. I think he means to exact his pound of flesh, and as soon as possible, and it may not be desirable to indicate the name of the Government arbitrator before he is finally nominated.

7. If Mr. Bruce Foote requires money at once, perhaps, Government might pay him an advance of, say, Rs. 6,000, pending final arbitration. It is not necessary that actual arbitration should be proceeded with at once under the agreement—only the arbitrator must be appointed.

H. D. Taylor—25-6-04.

If as Mr. Taylor says, and I think he is right, though the nomination of the arbitrator must be made before the fixed time (14th July), the arbitration need not be carried out till later, then it is only necessary for us to nominate Mr. Marshall before that date (say about 12th July).

2. I don't think Mr. Bruce Foote should be asked to postpone the arbitration, as India suggest, nor should I make any overture to him at this stage. We shall inform him duly of our nomination and let him raise any question as to the date.

3. Of course the law would presume in default of any specific stipulation as to date of commencing proceedings that they must be begun within a reasonable time, but in the circumstances I do not think a couple of months or so delay would be deemed unreasonable. We can meantime send Mr. Marshall after 14th July the papers to read up the case, and such duty, would, I should say, be deemed the preliminary part of the arbitration.

4. If Mr. Bruce Foote presses for early action, he may be told that the papers have been sent to our arbitrator who will visit Yercaud in the autumn and confer there on the spot with his arbitrator.

5. As to the question of an umpire there is no need to raise that now. We may await the promised letter, and perhaps Mr. Marshall's own arrival.

We may inform India of what we propose.

G. S. F[orbes]—28-6-04.

Circulated to His Excellency the Governor.

H.D.T.—29-6-04.

The arbitrators are of course entitled to take a reasonable time over their work, but I do not think that we can justifiably allow our men to delay active steps towards disposal of the reference for six months from date of appointment—with the possibility of course of his never coming at all.

2. I would * wire again to Marshall saying that Mr. Bruce Foote is not likely to assent to any great delay in disposal, asking whether he could not come at an early date, say in September at last, and if he cannot, whether there is no one either in Bombay or Calcutta with sufficient knowledge of antiquities of the sort to act as arbitrator. **A** Rather than delay the matter and raise complications thereby, I would get some "indifferent" local person who might be supposed to have at least as much knowledge as Mr. Stevenson and let matters go on. The arbitrators are not in the least likely to agree.

* It is submitted that the telegram now requiring reply is from India Should a direct reference be made to Mr. Marshall?

H.D.T.—1-7-04.

His Excellency of course means to India who will inquire of Mr. Marshall.

G.S.F.

J. T[homson]—30-6-04.

May a telegram be sent to Mr. Marshall direct as at "A", and the reply to India postponed till his answer is received?

H. D. Taylor—1-7-04.

No draft, a telegram to India, please, in reply.

G. S. F[orbes]—1-7-04.

A draft telegram is submitted for approval.

H.D.T.—2-7-04.

May issue as slightly revised.

G.S.F.—2-7-04.

Please type fair and despatch "urgent".

H.D.T.—2-7-04.

Typed copy kept in current file.

[Telegram No. 55, dated 2nd July 1904.]

Telegram from Mr. Bruce Foote, dated 4th July 1904.

Please see telegram from Mr. Bruce Foote stating that the lease of his house is up in three weeks' time and that he has to move out.

2. It is strange that Mr. Bruce Foote has not referred to this matter in any of his previous correspondence, and if he has a mind to do so he would no doubt be able to extend the period of lease. People are not likely to be taking houses at Yercaud at this time of year. He is himself responsible for the proper housing of his collection until a final agreement has been arrived at and is responsible for its proper care.

When he spoke to me he mentioned that there was an impending difficulty as to housing the collection.

G.S.F.

3. This telegram may perhaps be a bluff intended to expedite matters. Mr. Foote cannot in reason expect the collection to be inspected and valued at a moment's notice, though Government has done its best to secure a speedy settlement.

Not at all.

G.S.F.

4. India's reply to the telegram regarding Mr. Marshall's deputation has not yet been received. If Mr. Marshall cannot come shortly and is unable to recommend any one else, it will be necessary to appoint a local arbitrator who could no doubt arrange for immediate inspection—even though he may not be a skilled expert.

5. The telegram is submitted to Honourable Member for information.

H.D.T.—4-7-04.

Reply—Government regret your difficulty, but impossible to arrange arbitration so soon.

G.S.F.—4-7-04.

Issue.

H.D.T.—5-7-04.

[Telegram No. 56, dated 5th July 1904.]

From the Government of India, No. 1947/107-4, dated 29th June 1904.

Circulated to Honourable Member.

H. D. Taylor—5-7-04.

Better wait a day or two for reply to our last telegram.

G. S. F[orbes]—5-7-04.

The telegraphic reply received this morning was taken by me in person and left at Honourable Member's residence this morning. India state that Mr. Marshall's health will probably not admit of his taking up the work so early as September, and suggest that either Mr. Rea of Madras or Mr. Cousens of Bombay should be nominated.

Where is Mr. Rea now stationed; is it Bangalore?

H.D.T.—6-7-04.

Mr. Rea's head-quarters are at Bangalore. There was a letter from him in Public written from Madras on the 15th ultimo; he must have apparently gone back by this time.

P. T. Tharyan—6-7-04.

Please send this paper up very urgently to Honourable Member for orders with reference to the telegram left at his residence this morning. It is submitted that Mr. Rea may be asked to act as arbitrator by wire if Public has no objection.

H.D.T.—6-7-04.

Ask Public if they have any objection to the appointment if made.

At the same time look up what we know about Mr. Cousens.

G.S.F.—6-7-04.

Will Public kindly state if there is any objection in that department to the nomination of Mr. Rea as Government arbitrator in connection with the valuation of Mr. Bruce Foote's collection?

H.D.T.—6-7-04.

To the Public Department.

Public Department.

The latest official letter received from Mr. Rea was dated from Madras the 22nd June. He has been there for several months arranging the Adichanellur antiquities in the Madras Museum. On the 17th May last he asked by post card that all official communications to him might be addressed to Madras and he has not since altered his request.

2. There is no objection in Public to his being nominated the Government arbitrator for the valuation of Mr. Bruce Foote's collection, but we do not know whether he has since gone on tour or is about to undertake a tour. The best plan will be perhaps to ask him by wire whether he can undertake the work. A telegram to him addressed to the care of the Superintendent of the Madras Museum will doubtless be forwarded to him wherever he may be.

Draft submitted.

C. S. Simpson—6-7-04.

I do not think we need telegraph. We know of no objection to Mr. Rea being appointed. It may interfere with a tour, but that won't matter much, and we should not object.

2. Educational may have Mr. Rea's services if they wish, and if so Mr. Rea will be told he is appointed, by wire.

M. Hammick—8-7-04.

To the Educational Department.

Educational Department.

I am unable to find out any details of Mr. Cousens of Bombay. His name does not appear in the India List for 1904.

2. He is shown on page 298 of the latest Bombay Civil List. He is an M.R.A.C. and Superintendent, Archæological Survey, Bombay. The history of services of gazetted officers in Bombay does not contain any record of his services.

3. Our time is getting short, we have to nominate our arbitrator before 14th instant and a reference to Bombay would further delay matters. It is submitted that Mr. Rea may be nominated forthwith, and Mr. Bruce Foote informed accordingly. I think that it might be desirable for Mr. Rea, if nominated, to proceed to Ootacamund to receive instructions, unless it be held that the issue of such instructions would prejudice his status as an "indifferent" person.

H. D. Taylor—7-7-04.

We have seven days yet and the appointment can be made by a stroke of the pen.

2. I know nothing about Mr. Rea—never having even seen him; but I fear we are shut up to him. Please bring up in Council to-morrow.

Meantime, there is no harm in telegraphing to Bombay Government urgent.

G. S. F[orbes]—7-7-04.

[Telegram No. 59, dated 7th July 1904.]

Order in Council.

If no reply is received from Bombay before 12th instant, orders to be put up nominating Mr. Rea.

H.D.T.—8-7-04.

To be put up on 12th morning, or earlier if orders are received from Bombay before that date.

H.D.T.—8-7-04.

Telegram from the Government of Bombay, dated 9th July 1904.

The Government of Bombay say that Mr. Cousens has not much experience of the value of prehistorics and would prefer not to act as arbitrator unless associated with some one who has experience. He is, however, expecting a letter from Mr. Marshall, and if he has reasons to change his mind the Bombay Government promise to telegraph again. They have no objection to his deputation.

2. Orders are solicited whether the file may be taken up for disposal at once or we should wait till to-morrow as originally ordered.

P. T. Tharyan—11-7-04.

Wait till to-morrow.

H.D.T.—11-7-04.

Resubmitted.

P.T.T.—12-7-04.

No further communication has been received from Mr. Cousens up to this time (1 p.m.). The Bombay Government state that Mr. Cousens has not much experience of money-value of prehistorics, and would prefer not to act unless associated with some one who has. The Bombay Government would have no objection to his deputation. It is submitted that independence in the arbitration is essential. He should not rely upon Mr. Stevenson.

2. Mr. Rea may be appointed? Draft order nominating Mr. Rea is put up for approval and also draft telegram and letter to Mr. Bruce Foote.

Public has accepted the nomination—*vide* page 4 of notes.

H. D. TAYLOR—12-7-01.

Approved.

Please select.
H.D.T.

Now we have to select the papers for the arbitrators.

G. S. F[ORBES]—12-7-04.

Telegram and letter to issue.

H.D.T.—13-7-04.

Telegram No. 61, dated 13th July 1904.

[Mr. Alexander] Rea, Superintendent, Archæological Survey, Madras, is appointed arbitrator on behalf [of] Secretary of State for valuation of your collection of prehistorics.

Demi-official from J. Sladen, Esq., to the Secretary to the Government of Madras, Educational Department, dated Poona, 11th July 1904.

In continuation of my telegram No 203-P., dated 9th instant, I am to send you a copy of Mr. Cousens' letter received to-day.

ENCLOSURE.

Demi-official from H. Cousens, Esq., to J. Sladen, Esq., dated Poona, 11th July 1904.

I enclose Mr. Marshall's letter received this morning. It is clear there is to be only one arbitrator, that is, for one side. With the little experience I have had in that line I feel I could not act alone. Of course if Government desire me to undertake it I am prepared to go.
