EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 433, EDUCATIONAL, DATED
14TH JULY 1904.

[SUBJECT.—*Funds for the maintenance of the Military Female Orphans transferred to Lovedale.*]

From the Secretary, Lawrence Asylum, Ootacamund, No. 739, dated 9th July 1904.

The Committee of the Lawrence Asylum desires to know in detail the exact sum which will be annually paid to it for the maintenance of the girls who will be transferred to the Lawrence Asylum from the Military Female Orphan Asylum.

2. In paragraph 3 of the scheme on page 9 of G.O., No. 212, Educational, dated 5th April 1904, it was stated that these orphans should be maintained out of the interest (about Rs. 12,000) from the funded capital of the asylum and "all grants or funds formerly paid to the Madras Military Female Orphan Asylum and which may be in future paid to the Committee" of the Lawrence Asylum. A detailed account of these grants will be found in the copy of the Military Female Orphan Asylum budget for 1903. Of these however it seems that only the following can be depended upon :—

	RS.
(1) Interest on funded capital after paying Rs. 468 to outboarders, in round figures	12,000
(2) Donation interest, in round figures	10,700
(3) Capitation grant at Rs. 5 an orphan—for 100 orphans.	6,000
(4) Grant for general funds	3,300

The grant for Assistant Surgeon's pay and the educational grants-in-aid will not be continued. The Lawrence Asylum having an Assistant Surgeon of its own will not require a second Assistant Surgeon and being a Government institution it will not be paid any grant under the Code.

3. The Committee may, therefore, be informed that it can expect to receive Rs. 32,000 as detailed above, but the exact amount may be a little more or less.

P. T. THARYAN—11-7-04.

The Military Female Orphan Asylum received salary grants amounting to Rs. 1,620 per annum under the Grant-in-aid Code. The Lawrence Asylum can't get anything under the Grant-in-aid Code, because it is not a private, but a Government institution. It is maintained from Military funds.

2. If, however, there is any deficit, Government in the Educational Department may make it a payment from 22. Education, under the head of Government schools, secondary.† Government can therefore continue the Rs. 1,620 under another name; it won't be a grant, it will be an item of expenditure.

3. Submitted, however, that the Committee need not be informed of this. If they can do without it, so much the better. If they want more money, they are sure to ask for it.

A. GALLETT—12-7-04.

The Committee may be informed as at "C". Please put up draft for approval and submission to Honourable Member after acceptance in Financial.

H. D. TAYLOR—12-7-04.

The draft placed below is submitted for approval.

2. Orders are solicited whether it should go to Financial for acceptance. The payments are all made from Military or other Imperial funds.

P.T.T.—12-7-04.

A.G.—12-7-04.

In the circumstances, acceptance by Financial seems unnecessary.

H.D.T.—12-7-04.

As the order has to do with the disposition of funds it should go to the Financial Department. If that Department finds the figures right the draft may issue.

G. S. F[ORBES]—12-7-04.

H. D. TAYLOR—13-7-04.

FINANCIAL DEPARTMENT.

The draft may, it is submitted, be accepted.

The figures have been checked from the papers in the file and are correct. The draft order may be accepted.
