## GOVERNMENT OF MADRAS.

## EDUCATIONAL DEPARTMENT.

READ—the following papers :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated 14th May 1904, Ref. on C. No. 2159.

I have the honour to request the sanction of Government to the admission, into the fourth-year class at the Medical school, Ráyapuram, in July next, as a private student, of one A. J. Thomas, a Travancore hospital assistant student, in view to enable him to appear for the final examination for hospital assistants to be held in March next by the Board of Examiners, Medical College. This examination is open only to students who have gone through the full four years' course in any of the Medical schools, Ráyapuram, Vizagapatam and Tanjore. The petitioner has undergone a four years' course in the Medical school, Trivandrum, and this course seems to be much the same as in the Medical schools in this Presidency : but he cannot appear for the final examination as the Trivandrum school is not one recognised by this Department. Lieutenant-Colonel Reeves accordingly recommends that the student be admitted to the next final examination on condition that he goes through a year's course from July next. The candidate is willing to do so, and I beg to request that sanction be accorded to his admission into the school.

Memorandum No. 248, Educational, dated 21st May 1904.

The Director of Public Instruction is requested to be so good as to ascertain and report—

- (1) what qualifications are required for admission to the Medical school at Trivandrum, and
- (2) whether A. J. Thomas, the present applicant, has passed the matriculation or any higher examination.

(By Order.)

A. GALLETTI,  
[Ag. Asst. Secretary to Government.]

To the Director of Public Instruction.

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated 13th July 1904, Ref. on Cur. No. 2159.

With reference to memorandum No. 248, Educational, dated 21st May last, I have the honour to state that the qualifications required of students for admission into the late Travancore Medical school were a certificate of having passed the fifth form examination in some Government or recognized high school and a certificate of good conduct. A. J. Thomas, the student referred to in the memorandum, has not passed the matriculation or any other higher examination, but the Superintendent of the Ráyapuram school recommends that as he failed by only a few marks in one subject in the final examination, he be admitted into the school.

2. I also submit, for the orders of Government, applications (to be kindly returned) from two more Travancore students for admission into the fourth-year class of the Ráyapuram Medical school. One of them is a matriculate, while the other was a student of the matriculation class when he joined the Medical School, Trivandrum. Lieutenant-Colonel Reeves recommends that both of them be admitted and this recommendation has my support.

## ENCLOSURES.

From F. W. ALVEYN, to the Superintendent, Medical School, Ráyapuram, dated Pettah, Trivandrum, 24th June 1904.

Your card No 631, dated 20th June to hand. I herewith enclose the original certificate. As for my studies before joining the Medical school, I was a student of the matriculation class in the St. Joseph's High school here. I got admission to the Medical school here by a competitive examination held by the Travancore Government in which only matriculates and students of the matriculation class were allowed to compete. I shall feel very grateful to you to give me the reply by wire, for which I enclose stamps to the value of eight annas.

## Annexure.

I do hereby certify that F. W. Alveyn was a student in the Medical school, Trivandrum, from 1074/1898 to 1077/1902, both inclusive.

The curriculum comprised the following subjects :—

|                 |                        |
|-----------------|------------------------|
| Anatomy.        | Operative Surgery.     |
| Physiology.     | Hygiene.               |
| Materia Medica. | Medical Jurisprudence. |
| Medicine.       | Midwifery.             |
| Surgery.        | Diseases of Women.     |

He attended the practice of the medical, surgical and obstetric wards during the four years.

He appeared for the final examination in September 1902, but failed for want of 3 marks in midwifery.

His conduct was satisfactory throughout.

Telegram from G. Samuel, to the Superintendent, Medical School, Ráyapuram, dated 28th June 1904.

Posted course certificate. Bringing matriculation certificate. Pray orders.

From G. SAMUEL, to the Superintendent, Medical School, Ráyapuram.

With reference to my telegram No. 593, I beg to send herewith my course certificate for admission to the Ráyapuram Medical school.

I beg to be favoured with an early reply so that I may be there in time.

## Annexure.

I do hereby certify that G. Samuel was a student in the Medical school, Trivandrum, from 1074/1898 to 1077/1902, both inclusive.

The curriculum comprised the following subjects :—

|                 |                        |
|-----------------|------------------------|
| Anatomy.        | Operative Surgery.     |
| Physiology.     | Hygiene.               |
| Materia Medica. | Medical Jurisprudence. |
| Medicine.       | Midwifery.             |
| Surgery.        | Diseases of Women.     |

He has a good knowledge of the above subjects.

He attended the practice of the medical, surgical and obstetric wards during the four years.

He appeared for the final examination in September 1902, but failed for want of a few marks in midwifery.

His conduct was satisfactory throughout.

ORDER—No. 439, Educational, dated 19th July 1904.

The admission of A. J. Thomas, F. W. Alveyn and G. Samuel, hospital assistant students of the late Travancore Medical school, into the fourth-year class of the Ráyapuram Medical school is sanctioned.

2. The following telegram will be despatched to the Superintendent, Medical school, Ráyapuram :—

[The] admission [of] Travancore medical students A. J. Thomas, F. W. Alveyn and G. Samuel to [the] fourth-year class [of the] Medical school [at] Ráyapuram [is] sanctioned.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 439, EDUCATIONAL, DATED  
19TH JULY 1904.

[SUBJECT.—Admission of a student of the late Travancore Medical School into the Ráyapuram Medical School.]

From the Director of Public Instruction, No. 2159, dated 14th May 1904.

In the circumstances reported by the Director, it is submitted that there seems no objection to the admission of the student into the fourth-year class at the Ráyapuram Medical school.

RAMAN UNNI NAYAR—18-5-04.

It is understood that admission to the Medical school at Trivandrum is not restricted to matriculates, whereas in the Medical schools in the Madras Presidency only \* matriculates are ordinarily admitted as private students and that this is the reason why the Trivandrum school has not been recognized by the Madras Educational Department. If so, and if the present applicant is not a matriculate, his admission to the Ráyapuram school seems to be open to objection. It is submitted that before the sanction applied for is granted, the Director of Public Instruction may be asked u.o. for information on the points referred to.

P. T. THARYAN—19-5-04.

In case the student is not a matriculate, a certificate from Colonel Reeves that he has a good knowledge of English would suffice? and he might be exempted?

A. GALLETTI—19-5-04.

Draft official memorandum to the Director of Public Instruction requesting him to state what qualifications are required for admission to the Medical school, Trivandrum, and whether the present applicant has passed the Matriculation or any higher examination.

H. D. TAYLOR—20-5-04.

A draft memorandum is placed below for approval.

[Memorandum No. 248, dated 21st May 1904.]

From the Director of Public Instruction, No. 2159, dated 13th July 1904.]

In reply to memorandum No. 248, dated the 21st of May last, the Director states (1) that the qualifications required of students for admission into the late Travancore Medical school were a certificate of having passed the fifth form examination in some

Government or recognized high school and a certificate of good conduct; and (2) that A. J. Thomas has not passed the Matriculation or any other higher examination. It is now for consideration whether the Director of Public Instruction's recommendation made in regard to A. J. Thomas in his letter of the 14th May 1904 may be approved.

2. The Director also submits for orders applications from two more Travancore students for a similar concession. One of them is reported to be matriculate. The Superintendent of the Medical school, Ráyapuram, recommends the grant of the concession and the Director of Public Instruction supports his recommendation. For orders as to whether it may be approved.

N.L.R.—15-7-04.

P.T.T.—16-7-04.

The scholastic year has begun; so the matter is urgent.

2. As the students have been through a course at the Trivandrum Medical school (which has apparently been closed), they are probably capable of profiting by scientific instruction.

A. GALLETTI—16-7-04.

The request is not supported by the Travancore Darbar and it is not known whether the applicants intend to serve in Travancore or under Government.

2. These applications apparently arise owing to the closure of the Trivandrum school, in which the candidates have all undergone a four years' course, but failed by a few marks to pass.

3. They may be admitted to Ráyapuram as a special case.

H. D. TAYLOR—18-7-04.

Yes in view of the closure (as I understand) of the Trivandrum school and the fact that they have already been through a portion of the medical course.

G. S. F[ORBES]—18-7-04.

The Superintendent, Ráyapuram Medical school, may be informed by telegram, and draft to follow, admitting these candidates, may be prepared accordingly.

H.D.T.—19-7-04.

A draft is submitted for approval.
