G.O., No. 102, Educational, dated 11th February 1904.

ABSTRACT.—Making arrangements for the payment to the University of Madras of Rs. 480 a year from the rent income of the Tamkam bungalow for the maintenance of the Johnston of Carnsalloch scholarships.

READ—also the following paper :—

From C. A. PATERSON, Esq., M.A., LL.B., Registrar, University of Madras, to the Secretary to Government, Educational Department, dated Senate House, 1st June 1904, No. 1665.

In G.O., No. 102, Educational, dated the 11th February 1904, the Government was pleased to order that as far as possible the payment to the University of an annual sum of Rs. 480 for the maintenance of the Carnsalloch scholarships should be regarded as a first charge on the rents of the Tamkam bungalow, and that future maintenance charges should, if possible, be so regulated as to enable that contribution to be regularly paid as soon as the rent was raised. But the whole of the surplus receipts for the year ending 31st March 1904, amounting to Rs. 777-7-9, have been credited under G.O., No. 260, Educational, dated 27th April 1904, to the Public Works Department "in part settlement of the amount due to that Department". It is not known what amount still remains to be paid to that Department; but I am directed to inquire whether the Government will be pleased to arrange to pay to the University at an early date the promised amount of Rs. 480 out of the income for the current official year and to issue to the Collector of Madura the necessary instructions regarding the payments for future years.

ORDER—No. 452, Educational, dated 26th July 1904.

The Syndicate is informed that the additions to the Tamkam bungalow sanctioned in G.O., No. 102, Educational, dated 11th February 1904, have not yet been carried out and that as soon as they are completed orders will issue to the Collector of Madura for the payment of the annual contribution of Rs. 480 promised to the University out of the increased rent which will then be levied. In the meantime the existing arrangements have to be continued. The amount still due to the Public Works Department on account of improvements to the building already effected is Rs. 1,029-5-5.

NOTES CONNECTED WITH G.O., No. 452, EDUCATIONAL, DATED
26TH JULY 1904.

[SUBJECT.—Payment to the Madras University of an annual sum of Rs. 480 for the maintenance of the Carnsalloch Scholarships.]

From the Registrar, Madras University, No. 1665, dated 1st June 1904.

Please see paragraphs 1-3 of the notes connected with G.O., No. 365, Educational, dated 20th June 1902, which are reproduced below for easy reference :—

"The property known as the Tamkam bungalow in Madura is vested in the Secretary of State upon trust for the founding and maintenance of two or more scholarships called the Johnston of Carnsalloch scholarships. According to the trust-deed which will be found printed in G.O., No. 365, Educational, dated 20th June 1902, the income from the property has in the first instance to be devoted to the payment of all costs, charges and expenses connected with the management and improvement of the premises, the residue being utilized for the payment of the scholarships."

"In G.O., No. 215, Educational, dated 21st May 1877, the rent of the building was fixed at Rs. 100 a month, and in G.O., No. 193, Educational, dated 27th May 1878, it was decided that the rent should be paid over to the University after deducting 10 per cent. for repairs. Other charges, such as gardener's pay, quit-rent and municipal assessment, seem also to have been paid from the rent and the balance handed over to the University. From the net proceeds thus received the University spent only Rs. 480 *per annum* in scholarships, and the balance was allowed to accumulate, but the cost of important repairs and additions to the building, which was not previously deducted from the proceeds, was until 1895 met from this accumulated balance. In 1895, however, the University declined to provide funds for carrying out certain repairs sanctioned by Government, saying that they had no power under the trust-deed to utilize the accumulated balance for repairs to the building. Thereupon the Government directed that in future the income from the property should not be handed over to the University until the cost of all necessary repairs to the bungalow had first been liquidated—*vide* G.O., No. 602, Educational, dated 29th September 1896, and G.O., No. 412, Educational, dated 20th July 1897. Since April 1897, therefore, the balance of the rent, after deducting gardener's pay and rates and taxes, has been paid to the Public Works Department in settlement of the advance made from Provincial funds for meeting the cost of certain repairs and additions."

* *Vide* G.O., No. 376, Educational, dated 20th August 1900.

† In 1900-1901, Rs. 860-10-5—G.O., No. 225, Educational, dated 25th April 1901; 1901-1902, Rs. 806-2-5—G.O., No. 232, Educational, dated 22nd April 1902; 1902-1903, Rs. 841-4-7—G.O., No. 195, Educational, dated 1st May 1903; 1903-1904, Rs. 777-7-9—G.O., No. 260, Educational, dated 27th April 1904; total Rs. 3,285-9-2.

2. In 1900 a sum of Rs. 3,801 * remained to be paid and since then Rupees 3,285† has been paid, but small additional expenses have also been incurred. The exact amount now due is not known, but it cannot be much.

3. Early this year it was decided that substantial additions should be made to the building, that the rent should be raised to a figure not exceeding Rs. 160 *per mensem*, that out of this rent Rs. 480 should be paid annually to the University and that the balance should be credited to Government for meeting the cost of the improvements to, and maintenance of, the building.

4. The Syndicate of the Madras University now complain that in G.O., No. 260, Educational, dated 27th April 1904,* the whole of the surplus receipts of the Tamkam bungalow for 1903-1904, amounting to Rs. 777, was ordered to be credited to the Public Works Department and that the contribution of Rs. 480 promised in G.O., No. 102, Educational, dated 11th February 1904, has not been deducted for payment to the University. The Syndicate also request that—

(1) arrangements may be made for the payment to the University at an early date of the promised contribution out of the income for the current year;

(2) instructions may be issued to the Collector regarding future payments.

5. It is submitted that the Syndicate appears to be labouring under a misapprehension of G.O., No. 102, Educational, dated 11th February 1904. It is admitted in the Registrar's letter that this contribution is to be paid only "as soon as the rent was raised." To raise the rent, however, additional accommodation has to be provided and in G.O., No. 102, Educational, dated 11th February 1904, the Public Works Department was asked to revise the plans and take up the work. The plans and estimate have not yet come up for approval in Educational.

6. It will therefore take some time, about a year apparently, for the arrangement sanctioned in G.O., No. 102, Educational, dated 11th February 1904, to come into force. As soon as the additions to the bungalow are completed, orders will issue to the Collector to pay, as decided in February last, Rs. 480 out of the increased rent, but till then the existing arrangements have to be continued. Submitted that the Syndicate may be informed accordingly.

7. Before, however, this is done the Public Works Department may be asked *u.o.* to state the exact amount now due to that Department after allowing for the credit ordered in G.O., No. 260, Educational, dated 27th April 1904.

To the Examiner, Public Works Accounts.

According to the latest accounts received in office, *i.e.*, those for May 1904, the total amount due is Rs. 1,029-5-5 as shown below:—

Outlay on—	RS.	A.	P.
(1) Constructing a verandah south of dining-room in Tamkam bungalow	1,536	7	0
(2) Repairs to Tamkam bungalow	270	6	2
Total ..	1,806	13	2
Deduct amount ordered to be credited to Public Works Department in G.O., No. 260, Educational, dated 27th April 1904.	777	7	9
Net amount due ..	1,029	5	5

* Includes percentage charges for establishment and tools and plant.

This amount is subject to variation as the work referred to in item (2) which is estimated to cost Rs. 255 (see G.O., No. 913 W., dated 15th March 1904) and on which an outlay of Rs. 217-6-2 (exclusive of establishment and tools and plant charges) has been incurred, is reported to be still in progress.

EDUCATIONAL DEPARTMENT.

According to the figure given on page 2 of the notes the net amount due to the Public Works Department on account of repairs to the Tamkam bungalow is Rs. 1,029-5-5. This does not, however, appear to include the amount due to them previous to the credit ordered in G.O., No. 260, Educational, dated 27th April 1904, which seems to come to about Rs. 1,300*. The Public Works Department may be asked about this.

PUBLIC WORKS DEPARTMENT.

The sum of Rs. 1,029-5-5 includes the amount due to Government previous to the credit ordered in G.O., No. 260, Educational, dated 27th April 1904.

2 On the 1st June 1900 there was a sum of Rs. 3,801-3-4 remaining to be paid. This amount included a sum of Rupees 669-9-0 spent on the collection of materials for constructing an additional office-room in the bungalow—estimate Rs. 2,130. The work was subsequently abandoned and the expenditure incurred was written back by utilizing the materials

on other works. The net amount due was thus Rs. 3,131-10-4. The repair charges incurred from 1901-1902 to date amount to Rs. 1,183-4-3,† while a sum of Rs. 3,285-9-2 has been paid. The balance yet to be paid is thus Rs. 3,131-10-4 + Rs. 1,183-4-3 — Rs. 3,285-9-2 = Rs. 1,029-5-5.

3. The file may, it is submitted, be returned to Educational.
