Copy of letter from the Collector of the Nilgiris,

Ref. on B.T. No.63 of 1904, dated 3rd June 1904.-

In reply to the official memorandum of Government No. 54, dated 20th January 1904, I have the honour to report that the deposit of Rs. 500 proposed by the Curator was considered too high, and I recommended that it might be reduced to Rs. 200.

2. The present Storekeeper was unwilling to furnish security ~~ø~~ if his pay began from Rs. 20. The Curator therefore proposed to fix his pay at Rs. 25 - 1 - 30 and I agreed with him as the Storekeeper should get more pay when he deposits security.

3. If this higher rate of pay is sanctioned, he is willing to a deduction of Rs. 5 from his pay every month and to furnish personal security till the whole amount is made up This he might be allowed to do.

4. With reference to the 2nd paragraph of the memorandum, I recommend that the Storekeeper's appointment should in future, be made permanent and enclose a proposition statement as required by Article 57 of the Civil Account Code.

5. The Curator recommends that the present incumbent's past temporary service, from 1st March 1898, may be taken into

6 5

into consideration and requests that he might be considered to have held the appointment from that date so that his service from the beginning may count for pension. A similar concession was granted to Mr. T. Burrows, the late Nursery Overseer, in G.O. No. 1057 Rev., dated 2nd December 1886 and I support the Curator's recommendation in the present case. Further, it will be seen from the Curator's letter, a copy of which is enclosed that the storekeeper has not passed the examinations necessary to qualify him for the public service. Under the circumstances he may be exempted from the examination rules.

7

Copy of Official Memorandum, No. 54, dated 20th January 1904.

Reference.- Letter from the Collector of the Nilgiris R.DisNo.430, dated 28th October 1905.

The Curator in his report enclosed in the Collector's letter noted above, proposes that a security of Rs. 500 should be taken from the storekeeper of the Government Gardens, the latter being paid Rs. 25-1-30 instead of Rs.20-1-30 as originally proposed by him: the Collector proposes a security of Rs.200 but does not say whether he approves of the increased rate of pay proposed by the Curator. He will now be requested to report on the point. It should be stated whether the present storekeeper will consent to give a security of Rs. 200 if his pay is fixed at 20-1-30.

2. It is not also clear from the papers on the subject whether the storekeeper's appointment should in future be made permanent. If the appointment is to be made permanent a proposition statement under article 57 of the Civil Account Code should be prepared and submitted through the Accountant General.

Forwarded to Government.

The entries in column 'Present Scale' have been compared with the Registers of this office and are correct.

There is no audit objection to the proposal being sanctioned by Government.

The extra cost under establishment can be met from the savings in the provision of Rs. 6000 for 'working expenses' from which the pay of the storekeeper has hitherto been ~~sent~~ met.

The temporary service cannot count under article 36 Civil Service Regulations as it was paid for from contingencies. The Curator and the Collector of the Nilgiris appear to be mistaken when they state that a similar concession was granted to Mr. Burrows. That officer was on the temporary establishment from June 1868 while G.O.No.1057 Revenue, dated 2nd December 1886 states that Mr. Burrows will be considered to have held the appointment of Nursery Overseer in the Botanical gardens from and after April 1st 1871 the date from which he was placed on the permanent establishment.

The only ground of exemption put forward in favor of the exemption of Ahmed Sheriff for the Storekeeper's post. Govt. Garden Ootacamund (25-1-30) is "that he has served in the department for nine years and is reported to be doing his work properly". As however this is a temporary appointment which has been made permanent, and is of a special nature in a special locality the exemption applied for may be granted —
