ABSTRACT.—Recording letter from the Government of India stating that a reference was made to the Secretary of State on the 12th November 1903 on the proposal to add an appointment on Rs. 500—50—1,000 to the cadre of the Indian Educational Service in order to provide for the Professorship of Civil Engineering in the College of Engineering.

Despatch from the Government of India, Home department (Education), to His Majesty's Secretary of State for India, dated Simla, 12th November 1903, No. 17.

We have the honour to forward, for your consideration, a proposal submitted by the Government of Madras to add an appointment on Rs. 500—50—1,000 to the cadre of the Indian Educational Service in order to provide for the Professorship of Civil Engineering in the College of Engineering, Madras.

2. In his Educational despatch No. 61, dated the 17th May 1900, Lord George Hamilton sanctioned the creation of the professorship in question to be held by an officer of the Public Works department, of standing not higher than an Executive Engineer of the third grade on Rs. 700 a month who was to receive the pay of his grade, together with a presidency allowance of Rs. 100 and house-rent at the rate of Rs. 45 a month. The Government of Madras were unable to spare the services of an officer of the Public Works department locally to fill the appointment and there appears to us no likelihood of other local Governments being able to assist them. In these circumstances we agree with the Government of Madras that it is inexpedient any longer to depend upon securing an officer of the Public Works department for the post, and we recommend that it should now be included in the cadre of the Indian Educational Service.

3. If the proposal is approved, we would ask you to decide, with reference to paragraphs 3 and 4 of the Madras Government's letter, whether Mr. James should be appointed to the post on the terms for which he asks or whether an officer should be selected in England.

Telegram from His Majesty's Secretary of State for India, to His Excellency the Viceroy, dated 15th December 1903.

Your despatch of 12th November No. 17. Both proposals Government of Madras sanctioned.
