C. No. 1280 From the Supdt. Govt. Museum No 711, dated 20-7-1904

SUBJECT.

Museum Bulletin Vol V No. 1

Page 18 of the pamphlet shows that a Mr. Rivers is the author of the article in question. There is however nothing to show whether the article was paid for. If it was there is no reason why copies should be printed at the Govt. Press and supplied to the author. Before therefore the sanction applied for is granted the Superintendent, Govt. Museum may be asked u.o. for information on this point.

The article in question not having been paid for, the Superintendent's request may be sanctioned and the draft placed below ~~was~~ issued. It appears however that under G.O. No. 1199,

Public Dec 25th November 1902 the ~~Sup~~ can himself arrange for the printing referred to, but ~~8/8/4~~ does the rule apply to books?

Surely heads of departments can't authorize the printing of new editions at Gov't expense.

For the U.S.

under paragraph 3 of G.O.

No 1199 Public, dated 25.11.02, with A
of an unusual character should not be carried out by the Govt. Press without the authority of Govt. The reprint of a portion of a Museum Bulletin for the purpose of supplying copies to the author would surely come under this head. The Supr. of the Museum acted rightly in applying for the sanction of Govt. for the purpose.

The draft may be accepted in full.
