Lower Secondary Examination.

Authorizing the Commissioner for Government Examinations to publish the results of such of the pupils of the Zamindar's Lower Secondary school, Turaiyur, as were successful at the — held in December 1903.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ--the following papers:—

Petition from M. NAGASWAMI and others, late third form pupils, Zamindar's Lower Secondary School, Turaiyūr, to His Excellency the Governor in Council, dated 9th May 1904.

MAY IT PLEASE YOUR EXCELLENCY,—We the late third form pupils of the Zamindar's Lower Secondary school, Turaiyūr, Trichinopoly district, most respectfully and humbly crave permission to approach your Excellency with the following for your Excellency's kind perusal, broad sympathy and favourable orders.

2. We beg to state that our applications for the "Lower Secondary examination" for 1903 were submitted to the Secretary to the Commissioner for Government Examinations on the 13th August 1903 and the same were acknowledged on the 2nd September 1903, bearing the said Commissioner's office seal.

3. We beg to add that the manager was directed by the Assistant Inspector of schools, Tanjore-Trichinopoly division, to submit a plan of school building which he (manager) proposes to erect. On a rough plan being submitted for approval of the authorities, the Director of Public Instruction, Madras, forwarded on 2nd November 1903 an order to the manager of the Zamindar's Lower Secondary school, Turaiyūr, stating that because the proposed building is only 10 feet wide, the privilege of recognition is withdrawn. The manager thereupon submitted an appeal to the Director of Public Instruction praying for a reconsideration of his order, and that time may be allowed him to enlarge the proposed building. No time was allowed. To our sad misfortune, the Director was not pleased to modify his order.

4. We beg permission to add that we submitted a memorial to the Director of Public Instruction on 14th December 1903 and another through the Assistant Inspector of schools, Tanjore-Trichinopoly division, Tanjore, praying that the results of the examination may be caused to be published.

5. Your Excellency may observe that, in this instance, double punishment was awarded to a single defect, in point of a school building, to wit, the results grant was withheld from being paid to the manager, and we, helpless pupils, were allowed to suffer by the examination results being withheld as may be seen from the enclosure No. 154/5-D., dated 12th March 1904, herewith submitted for kind reference.

6. We, poor pupils, beg to submit to your Excellency that we have been mercilessly treated and we pray your Excellency to show grace on us, residents of rural tracts, where education is still backward. It may also be added that the Turaiyūr zamindari was a declared backward locality, and the concession was since withdrawn.

7. It may appear to your Excellency, that we appeared as pupils for the "Lower Secondary examination" in December 1903 and that because the Director was pleased to forward his order withdrawing the privilege of recognition on 2nd November 1903, article 4 (1) of the notification regulating the "Lower Secondary examination" goes unfavourably against us. If the said order was favoured to the manager a month later on, the notification shall not have affected us. Our poverty does not allow us to prosecute our studies further on.

8. We, poor pupils, should not be found fault with and thus be cruelly treated in our results being withheld from publication. The manager of the school was punished for want of a building by the results grant being withheld for 1903-1904.

9. We therefore earnestly pray your Excellency to be pleased to grant a special concession in this instance and save us by granting a favourable order that the results of the "Lower Secondary examination" may, as far as they relate to us, be caused to be published, apart from article 4 (1) of the notification, seeing that severe double punishment was inflicted, in the case under instance, for a single defect.

10. A copy of this memorial is submitted through the proper channel.

11. The signature of (six) others could not be obtained as they are now absent from Turaiyūr and we humbly represent their cause also.

The Director is requested to be so good as to state whether he has received any petition from M. With reference to your memorandum No. 315, dated 29th ultimo, I have the honour to state that a petition, dated 9th May 1904, was received in this office from M. Nagaswami and others, late pupils of the Zamindar's Lower Secondary school, Turaiyūr, regarding the withholding of the results of the Lower Secondary examination of that school and it was returned to the petitioners on the 23rd idem with the remark that the Director cannot interfere in the matter. Without seeing the petition I cannot defend this procedure and it appears probable that the petitioners should have been referred to the Commissioner for Government Examinations.

In returning the papers received with your endorsement No. 365, Educational, dated 21st July 1904, I have the honour to submit the following remarks.

2. The petitioners have of course nothing to do with the withdrawal of recognition.

3. Recognition was withdrawn on the 2nd November 1903 because the school ceased to fulfil some of the most important conditions of recognition and the petitioners therefore became ineligible for the Lower Secondary examination.

4. I think that it is hard upon the petitioners that they should suffer for the fault of the manager and I shall as Commissioner request Government to consider the petitioners to have been eligible to sit for the Lower Secondary examination and to sanction the publication of their results.

ORDER—No. 508, Educational, dated 13th August 1904.

The Commissioner for Government Examinations will be authorized to publish the results of such of the pupils of the Zamindar's Lower Secondary school, Turaiyūr, as were successful at the Lower Secondary examination held in December last.
