Building Grant.

Requesting the Director of Public Instruction to arrange for the examination by the Government Solicitor of the title-deeds of the building purchased by the manager of the Anglo-Vernacular school, Triplicane, and for the valuation of the building by the Consulting Architect before the — applied for can be sanctioned and to report the result to Government.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 8th August 1904, Ref. on Cur. No. 1052.

I have the honour to submit the enclosed plan of a building purchased for the use of the Anglo-Vernacular school, Triplicane, Madras, at a cost of Rs. 6,250 and to recommend that, under rule 118 of the Grant-in-Aid Code, a grant of Rs. 2,083 be sanctioned.

2. The building is the one in which the school has been located for some years past, and as the accommodation provided was inadequate, and as the landlord refused to carry out the necessary alterations, the manager thought it best to purchase it, which he did while his application was under consideration, contrary to rule 118 of the Grant-in-Aid Code. He intends to carry out the necessary improvements himself.

3. The late Mr. Stuart called upon the manager for an explanation for purchasing the building before the grant was sanctioned, and the latter replied to the effect that the competition to purchase houses in Triplicane, and more especially in the street in which the building is situated was very keen and that any delay in closing the bargain would have necessitated his losing the only opportunity of providing the school with a suitable building. Mr. Stuart thought that the explanation might be accepted and the application entertained. The school is well conducted and is under a committee of management which has done a great deal for education in the neighbourhood of Triplicane. I recommend that the explanation of the manager be accepted.

4. The Collector of Madras and the Consulting Architect who were consulted by me on the subject are of opinion that the locality is good and the house is well worth Rs. 6,250.

5. Out of the allotment for building grant in the current year's budget estimate payment of Rs. 2,222 has been made up to date.

ORDER—No. 511, Educational, dated 16th August 1904.

The Government accept the manager's explanation of his reasons for purchasing the building before the grant was sanctioned, but consider that, before orders are passed on the present application, the title-deeds of the building and site should be examined by the Government Solicitor and the building examined and valued by the Consulting Architect. The Director is requested to arrange accordingly and report the result.

NOTES CONNECTED WITH G.O., No. 511, EDUCATIONAL, DATED
16TH AUGUST 1904.

[SUBJECT.—*Building Grant for the Anglo-Vernacular School, Triplicane.*]

From the Director of Public Instruction, No. 1052, dated 8th August 1904.

The plan forwarded with the Director's letter read above has not been countersigned by him. Submitted that it may be returned for his countersignature before the file goes to the Public Works Department for its opinion as to the cost of the building purchased.

N.L.R.—11-8-04.

The first thing to be decided seems, however, to be whether the manager's explanation of urgency for purchasing the building before the grant was sanctioned may be accepted. Submitted that in the circumstances stated it may be accepted.

P. T. THARYAN—12-8-04.

A. GALLETTI—12-8-04.

The explanation may be accepted, but I consider that, before orders as to a grant issue, the title-deeds both for building and site should be examined by the Government Solicitor, and the buildings examined and valued by the Public Works Department.

H. D. TAYLOR—13-8-04.

G. S. F[ORBES]—15-8-04.

Please draft accordingly.
