Government Schools in Coorg.

Abrogating rule 7 of the rules for the inspection and control of — approved in G.O. No. 222, Educational, dated 6th April 1904, and stating that the travelling allowance admissible to the Director of Public Instruction and the Inspecting officers of the Madras Educational department and their establishment while touring in Coorg will be debited to the Madras Provincial revenues.

G.O., No. 222, Educational, dated 6th April 1904.

ABSTRACT.—Approving, subject to certain modifications, the rules for the inspection and control of Government schools in Coorg submitted by the Director of Public Instruction.

READ—also the following paper:—

From W. DOBBIE, Esq., Accountant-General, Madras, to the Secretary to Government, Educational Department, dated 18th July 1904, No. T. 240-Gl./4388.

With reference to G.O., No. 222, Educational, dated the 6th of April 1904, approving of the rules for the inspection and control of Government schools in Coorg, I have the honour to bring to the notice of Government the difficulty that exists in carrying out the provisions of the seventh rule, that the travelling allowance of the Madras Educational authorities for their tours in Coorg shall be debitable to Coorg revenues.

2. The account officer for Coorg is the Comptroller, India Treasuries, and the expenditure referred to above when paid in Madras can only be charged to the revenues of Coorg by debiting it to the account current with India. But the provisions of article 1105 of the Civil Account Code prohibit such a debit.

3. The inspection of the schools in Coorg has, I understand, for long been conducted by the Madras Educational authorities and for some time no adjustment with Imperial revenues on this account has been made, the reason for this being that as every new Provincial settlement is based upon the actual past expenditure, the charge has been taken into account in making the Provincial settlement. This has doubtless been the case as regards the current Provincial settlement so that Provincial revenues will be no loser if the adjustment required by the new rules is not made.

4. In these circumstances, I would enquire whether Government still desires that the adjustment be made, and if so to request that the sanction of the Government of India may be obtained.

ORDER—No. 519, Educational, dated 22nd August 1904.

In the circumstances stated by the Accountant-General, No. 7 of the rules approved in G.O., No. 222, Educational, dated 6th April 1904, will be abrogated and the travelling allowance admissible to the Director of Public Instruction and the Inspecting officers of the Madras Educational department and their establishment while touring in Coorg debited to the Madras Provincial revenues.

NOTES CONNECTED WITH G.O., No. 519, EDUCATIONAL, DATED
22ND AUGUST 1904.

[SUBJECT.—*Debit to Coorg Revenues of the Travelling Allowance of Madras Educational Officers touring in Coorg.*]

From the Accountant-General, No. T. 240-Gl./4388, dated 18th July 1904.

The difficulty complained of by the Accountant-General is apparently in respect of travelling allowance drawn in Madras for journeys in Coorg. The Director will perhaps be able to arrange with the Coorg authorities for all allowances for journeys in Coorg being paid in Coorg before the officers leave that place. The Accountant-General will then have no occasion to debit anything to the account-current with India.

2. If an arrangement to the above effect is made, strict instructions will have to be given to the Educational officers touring in Coorg that all allowances claimable for journeys in Coorg must be drawn from Coorg before they (the officers) leave the place. The Director may, however, in the first place be asked u.o. whether an arrangement of the kind suggested can be made.

Yes.

H. D. TAYLOR—26-7-04.

To the Director of Public Instruction.

The arrangement proposed whereby Educational officers touring in Coorg should draw their travelling allowances before leaving Coorg does not strike me as practicable. The bills ought to be submitted to me for control before payment, the journey back from Coorg into Madras territory would have to be included before being performed and any delay such as might be caused by the Coorg treasury being closed for a holiday, or on account of any objection to the bill would keep the officer in Coorg after his duty was performed.

2. But is it necessary that the amount should be drawn before leaving Coorg? The travelling allowance debitable to Coorg might be drawn upon a Coorg bill and presented to the Coorg treasury through a banker or in some such way. But perhaps this is also impracticable. It is not exactly my business, but it appears to me that there is no more reason why our travelling allowances in Coorg should be debitable to Coorg revenue than that a proportion of our salaries should be so debitable. Two Inspectors and an Inspectress visit Coorg annually. The Director of Public Instruction must go sometimes and as for office work education in Coorg appears likely to occupy a very definite proportion of my time to say nothing of Bangalore.
