G.O., No. 449, Educational, dated 25th July 1904.

ABSTRACT.—Communicating to the Director of Public Instruction, with remarks, letter from the Government of India requesting that a comprehensive review of the Educational improvements resulting from the recurring grant of lakhs made to Provincial revenues on account of education may be furnished and that it may be accompanied by a statement of the probable amount of the expenditure in the current financial year as shown in the budget estimate for 1904-1905.

READ—also the following paper:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 3rd August 1904, Ref. on Cur. No. 6475.

With reference to G.O., No. 449, Educational, dated 25th July 1904, requesting me to review the educational improvements resulting from the recurring grant of 8 lakhs made to the Provincial revenues to meet increased expenditure under education, I have the honour to point out that three of the most important of the improvements proposed are still under consideration by Government, viz.—

- (1) The reorganization of girls' schools (*vide* my letter, C. No. 3859, dated 29th April 1904).
- (2) The appointment of additional Sub-Assistant Inspectors of Schools (*vide* my letter, Ref. on Cur. No. 4726, dated 9th July 1904).
- (3) The improvement of training schools (*vide* my letter, Ref. on Cur. No. 5187, dated 3rd August 1904).

2. Setting aside the additions which have been made to grants-in-aid and subsidies towards them the cost of these three schemes is very great as compared with that of the schemes already definitely sanctioned, viz., about $2\frac{3}{4}$ lakhs as compared with $\frac{3}{4}$ of a lakh.

I beg, therefore, to solicit orders as to whether the review may be delayed until final orders are issued regarding these schemes.

ORDER—No. 526, Educational, dated 23rd August 1904.

The review referred to may be delayed until final orders are passed on the schemes of reorganization still under the consideration of Government.

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction.

NOTES CONNECTED WITH G.O., No. 526, EDUCATIONAL, DATED
23RD AUGUST 1904.

[SUBJECT.—*Recurring Grant of 8 lakhs.*]

From the Director of Public Instruction, No. 6475, dated 3rd August 1904.

In G.O., No. 449, Educational, dated 25th July 1904, the Director was requested to furnish as early as possible a comprehensive review of the educational improvements resulting from the recurring grant of 8 lakhs made to the Provincial revenues on account of education, together with a statement of the probable amount of expenditure in the current financial year. In reply, he states that three of the most important improvements proposed, viz., (1) the reorganization of girls' schools, (2) the appointment of additional Sub-Assistant Inspectors of Schools and (3) the improvement of training schools, are still under the consideration of Government, and he consequently requests permission to delay the submission of the review pending the issue of final orders regarding these schemes.

2. In regard to (1) and (2) of the schemes referred to above, it is submitted that the files on the subject are now with the Honourable Member and final orders have not yet been passed on them. As regards (3), it is observed that the Director's letter has not yet been received in the office. Probably it may now be with the Accountant-General.

N.L.R.—11-8-04.

It seems unnecessary for the Director to wait for orders on the scheme for the improvement of training schools. It is submitted, however, that he should wait for final orders on the reorganization of girls' schools and the appointment of additional Sub-Assistant Inspectors. The file connected with the former of these subjects went to the Honourable Member on the 11th May and that connected with the latter on the 27th July last.

P. T. THARYAN—12-8-04.

A. GALLETTI—12-8-04.

The report called for by the Government of India may be deferred pending the issue of final orders on schemes of reorganization now under contemplation?

H. D. TAYLOR—19-8-04.

Yes.

G. S. F[ORBES]—21-8-04.

The Director of Public Instruction may be informed accordingly.

H.D.T.—22-8-04.
