The Secretary to Government,

Educational Department.

Sir,

I have the honour to request the sanction of Government for the exemption from the examination rules of the individuals entered in the enclosed list A with a view to their confirmation as clerks on Rs.15 in the Revenue Department in the Bellary District. The Government have already recognized the difficulty of procuring passed men in this district and have sanctioned permanent exemptions in a few cases. Matters have grown no better and the state of affairs seems to me to necessitate an application for the concession on a larger scale.

2. For sometime past the supply of passed men to fill the lower grades in this district has almost run dry. The continued prevalence of plague has practically driven away men from other districts and so few local men pass the requisite test that the lowest grade clerkships and even those on Rs.17½ and Rs.20(in the western taluks at least) are filled(nominally as a temporary measure) by unpassed men. Endeavours have been made to replace such men by passed candidates but without any success and they become in all but name permanent hands. There are at present 4 permanent vacancies in my own office which cannot be filled up for want of passed men and the state of affairs in the taluks is as I have said far worse.

3. The continuance of existing practice of employing unpassed men on temporary exemptions is not at all conducive to the efficient performance of work as we have not much hold on the men and they have nothing to look forward to, though a certain number of them have worked satisfactorily for some years and might well be confirmed. I have consulted my Divisional Officers and called for a list of the best of the temporary hands whom they would recommend for permanent exemption from the examination rules.

4. List A enclosed includes the men so selected. I may state that ~~that~~ I have had occasion to inspect personally the work of some of them and have satisfied myself that the men included in the list deserve the concession. It will be seen that of the 25 men recommended 2 are Muhammadans and 5 Non-Brahmin Hindus.

5. The Head Assistant Collector reports that it is hopeless to expect a sufficient supply of passed men for all the vacancies in his Division and accordingly recommends that posts on Rs.15 should be thrown open to unpassed men. I am inclined to agree with him but such a step may, I think, be deferred and individual exemptions should continue for the present. Only unpassed men of approved merit should be permanently taken in to superior service and each case should be separately decided on its merits.

6. In this connection I may bring to the notice of Government the case of the two men included in the list B who are reported to be doing exceptionally good work. These men were confirmed in superior service before the examination rules came into force and the Divisional Officers strongly recommend that they should be given some further concession. I venture to support their recommendations.

I have the honour to be,
Sir,
Your most obedient servant,

Collector.

C. No. 1433 From the Collr: of Bellary No 172, dated 6-8-1904.

SUBJECT.

Exemption from the Examination rules.

The Collector of Bellary brings to the notice of Govt: the difficulty experienced in procuring passed men in the district for employment in the lower grades of the service and says that while the continued prevalence of plague there has practically driven away men from other districts, ~~and that~~ so few local me pass the requisite test that the lowest grade clerkships are filled by unpassed men. This practice of employing unpassed men, he add is not conducive to the efficient performance of work and endeavours made to replace them by qualified candidates have been without success. The Collector therefore submits, in consultation with his Divisional officers, a list-A- containing the names of 25 of the be of the temporary hands who deserve ~~some~~ concession and recommends that they ma be permanently exempted from the Examination rules for confirmation as clerks on Rs. 1 per mensem in the Revenue Departt: in the D

He

He also submits another list – B – containing the names of two men who are reported to be doing exceptionally good work. These men hold permanent appointments in the service on Rs 15 & Rs 17½ respectively but their exemption is requested so as to enable them to be promoted to Rs 25 & Rs 20 respectively. Orders are solicited as to whether in the circumstances reported the Collector's recommendation may be accepted.

Res
18/8/4

In the circumstances stated by the Collector all those whose service permanent or temporary or both, extends over five years may perhaps be exempted. If this is approved, the exemption of nos 3, 7, and 16 in list A will be disallowed & the remaining 22 in list A will be exempted.

2. It does not appear that there are sufficient grounds for the exemption of those in list B – cause of deficiency of qualified men being temporary H 18.8.4

This is rather a large order. I am not aware of the ordinary circumstances of Bellary Dt. but I do not think that advantage should be taken of a plague epidemic to try and get everyone's protegés into higher posts. Many of the nominees have only passed Primary Examination. – but some relief seems necessary.

The proposal may be sanctioned as follows

No 1. M. Idris Sahib. . for Bellary Dt. and R15.

" 7. Mahomed Khalil Sahib – for Treasury Depts. Bellary Dt. only } R15.

Of the others I would exempt for R15 posts in Bellary Dt. only

Nos 2. 4. 5. 8. 9. 11. 19. 23. This will give the Coll. ten men in all for existing vacancies. But for the special circumstances of Bellary I should not be inclined to exempt any one.

List B need not be considered.

As proposed except that I would in the special circs. let the two men in B, one go up to R 25 & the other to R 20
