I have the honour to state that the 'White King' Collection of Coins, which is to be disposed of by auction at Amsterdam next month, contains a number of rare South Indian Coins which are not represented in the collection of the Madras Museum. Some of these e.g. Coins of the Pulicat, Negapatam, Cochin and Tranquebar mints (including one coin worth more than Rs 100/-) are of special local interest, and in my opinion it is highly desirable that they should, if possible, be procured for this Museum. As the purchase if effected will be a special one, which cannot be met from the current budget grant I would submit that an additional allotment of Rs 600/- (Rupees six hundred only) may be made for this purpose.

2. I propose to send bids with a reasonable limit to the Auctioneer, and it is probable that the whole of the abovementioned sum may not be required. As the mail of the 1st proximo is the latest date on which it will be possible

to communicate with the Auctioneer, I have to request that if the grant is sanctioned the fact may be communicated to me by wire.

3. The usual reappropriation statement is forwarded herewith.

I have the honour to be,
Sir,

Your most obedient servant,

J. R. Henderson.
