To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for an expenditure not exceeding Rs 25/- per mensem towards conservancy charges demanded by a conservancy agent recommended by the Health Officer for the use of a cart and driver for attending the latrines at the Umdah Bagh where the Madrasa-i-Azam is now located. The latrines are situated too far from the road to allow of the Municipal conservancy carts being used, and the Headmaster reports that house holders and several firms on the Mount Road have adopted an arrangement similar to that proposed for the school. In the event of this arrangement being sanctioned the services of the toty on the establishment will be dispensed with.

2. The charge may be met from the contingent allotment of the Madrasa which will proportionately be increased.

I have the honour to be,

Sir,

C. No. 36 From the D. P. O. No 7729, dated 4th Jan 1903.

SUBJECT.

Conservancy arrangements at the Undah Bagh.

The Director states that the latrines
at the Undah Bagh where the Govt.
Madrasa-i-Azam is located are situated
too far from the road to allow of the
municipal conservancy carts being used
and proposes to employ a conservancy agent
who will supply a cart and driver for
attending the latrines. The Agent has, it
is stated, been recommended by the
Health Officer and demands Rs 25 per mensem.

The Director solicits sanction for the payment
of this amount and states that house holders
and several firms on the mount road have
adopted a similar arrangement. If this
proposal is approved, the services of the toty on
Rs 5 will, it is stated, be dispensed with.

2. There seems to be no objection to
the adoption of the proposed arrangement but
the cost is high and the necessity for it
has not been clearly made out. It is
submitted that the President, Municipal
