Public Service Notification.

Authorizing the Director of Public Instruction to grant exemptions from the technical qualifications required by article 5 of the — to the same extent to which he exercises powers under article 3 (3) of the same notification.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 24th August 1904, Ref. on Cur. No. 6821.

Under article 3 (3) of the Public Service notification heads of departments can sanction exemption from the operation of articles 1 and 2 in the case of acting appointments which do not exceed three months in duration, if the acting allowance inclusive of any local allowance available is not more than Rs. 15 per mensem. It is not clear whether this power can be exercised as regards appointments of the above description when the exemption to be granted is in respect of the professional qualifications referred to in article 5 of the notification.

Exemption from the operation of article 5 would include—

(1) Cases in which candidates possess the necessary general education qualifications but lack the corresponding professional certificates; and

(2) cases in which they do not possess the necessary general education qualifications and must therefore necessarily be exempted from the corresponding professional certificates or may be exempted from holding any such certificates.

Under (1) would come the case of a matriculate who has no teachers' certificate of the upper secondary grade or no teachers' certificate at all; while (2) would include an unpassed candidate or a lower secondary or primary candidate who holds no teachers' certificate at all or a certificate lower than the grade corresponding to the general education attainments prescribed under articles 1 and 2. The spirit of the notification appears to be that heads of departments can grant exemption from article 5 in all cases in which they can grant exemption under article 3 (3). As this has not, however, been explicitly laid down in the notification I beg to request the favour of orders on the subject.

ORDER—No. 562, Educational, dated 9th September 1904.

The Director of Public Instruction will be authorized to grant exemptions from the technical qualifications required by article 5 of the Public Service notification to the same extent to which he exercises powers under article 3 (3).

Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 562, EDUCATIONAL, DATED
9TH SEPTEMBER 1904.

[SUBJECT.—*Interpretation of articles 3 (3) and 5 of the Public Service notification.*]

From the Director of Public Instruction, dated 24th August 1904, No. 6821.

Articles 1 and 2 of the Public Service notification prescribe certain *general* educational qualifications for candidates entering the public service, and article 5 prescribes in addition certain *special* qualifications for appointments to particular posts. Article 3 enumerates certain exceptions to articles 1 and 2, and in clause (3) thereof heads of departments are empowered to sanction temporary exemptions from general educational qualifications in cases of acting appointments which do not exceed three months in duration, if the acting allowance inclusive of any local allowance available is not more than Rs. 15 *per mensem*. No such exception is, however, expressly allowed under article 5. The Director therefore inquires whether heads of departments can grant exemptions from special qualifications under article 5 in all cases in which they can grant exemption under article 3 (3) of the Public Service notification.

2. In G.O., No. 287, Educational, dated 8th May 1896, the Board of Revenue has been empowered to sanction the exemption from *special tests* of persons in the Revenue department who propose to appear for them within twelve months on the understanding that the exemption shall remain in force only until the publication of the results of the examinations to be held next. No other heads of departments have been similarly empowered. The technical qualifications required in the Educational department are not, however, so absolutely necessary as in some of the other professional departments, viz., Medical and Engineering. It is submitted therefore that while, as the rules now stand, heads of departments other than the Board of Revenue can sanction temporary limited exemptions only so far as general educational qualifications are concerned and not as regards technical qualifications, there appears to be no objection to empowering the Director to sanction temporary exemptions from the special qualifications required by article 5 in the same way as he can sanction exemption from the general educational qualifications under article 3 (3) of the Public Service notification.
