To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit the enclosed plan and the sale deed of a site purchased for the construction of a permanent building for the hostel attached to the Native College, Madura and to recommend that, under Rule 113 of the Grant-in-Aid Code, a grant of Rs 2,033/- be sanctioned.

2. The hostel which was started in 1900 and now located in a house taken on mortgage provides accommodation for 38 students. As a larger number are expected to join the hostel in case a more spacious building is provided the College Committee have purchased the site in question, which is only about 100 yards from the college building, and they intend erecting a permanent building of their own. The Superintending Engineer, Sixth Circle reports that the site is suitable for hostel purposes and that he agrees with the Collector of Madura in considering that the price paid for it viz. Rs 6,100/- is reasonable.

I have the honour to be,

Sir,

Your most obedient servant,

From the Director of Public Instruction No 3858, dated 12-1-1904.

SUBJECT.

Building grant to the native College, Madura.

The draft placed below may issue with the concurrence of the Land M. Departt.

2. It would have been well if the Director had submitted to Govt. for information ^{a copy} of the report of the Superintending Engineer that the site selected for the construction of a permanent building for the hostel attached to the Native College, Madura, ^{in question} is suitable for hostel purposes and of the opinion of the Collector of Madura that the price paid for the site was reasonable.

3. As the present application ~~for grant~~ is only a grant towards the cost of purchasing a site and not for the construction of a building, it is submitted that the file need not go to the P.W.D. for sanction.
