GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 20th July 1904, Ref. on Cur. No. 6438 of 1903.

With reference to Memorandum No. 339, Educational, dated 7th instant, calling for an early reply to G.O., No. 475, Educational, dated 1st October 1903, regarding the revised course of study in the College of Agriculture at Saidapet, I have the honour to state that the reply of the Board of Revenue has not yet been received. On being reminded of it the Board informs me that the Inspector-General of Agriculture has not replied to their reference.

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 10th September 1904, Ref. on Cur. No. 6858 of 1903.

In continuation of my letter, Ref. on Cur. No. 6438 of 1903, dated 20th July last, I have the honour to submit, for the information of Government, a copy of the resolution of the Board of Revenue, Mis. No. 4347, dated 11th August 1904, in which the Board, to whom the proposals of the Principal, College of Agriculture, in regard to the revised courses of study were referred, has resolved that the matter should lie over pending receipt of the orders of Government on the note which the Inspector-General of Agriculture appears to have submitted to Government in regard to the changes to be made in the organization of the college. In the circumstances, I agree with the Board that the matter may lie over for the present.

ENCLOSURE.

PROCEEDINGS of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 4347, dated 11th August 1904.

Read again Board's Reference No. 2997, dated 20th November 1903, referring to the Inspector-General of Agriculture for favour of remarks Endorsement of the Director of Public Instruction, Ref. on Cur. No. 6858, dated 2nd November 1903.

Read also the following letter from the Inspector-General of Agriculture in India, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 25th July 1904, No. C. 759.

In reference to your endorsement No. 2997, dated 20th November 1903, under No. 6858, dated 2nd November 1903, from the Director of Public Instruction, Madras, herewith returned with letter No. 764, dated 8th September, from the Principal, Madras College of Agriculture, I have the honour to say that the consideration of Mr. Keess' proposal should be deferred until it is decided what general action is necessary to improve the instruction at present given at the college. In a separate note which I submitted to the Secretary, Revenue Department, I have shown that many radical changes are required in the organization of the college. When these are made it will be possible for examiners to test the practical knowledge of students in a way

that cannot be done now. The awarding of a certain proportion of the final pass marks in agriculture by the college staff for practical work in field cultivation, dairy work and office work is right enough in principle, but so long as the farm and dairy are as badly worked as they are at present, students would be awarded marks for practical work which is really not practical work at all.

Resolution—Mis. No. 4347, dated 11th August 1904.

Recorded pending receipt of the orders of Government on the Inspector-General's note regarding the changes to be made in the organization of the Agricultural College.

NOTES CONNECTED WITH G.O., No. 576, EDUCATIONAL, DATED
19TH SEPTEMBER 1904.

[SUBJECT.—*Revised course of study in the College of Agriculture, Saidapet.*]

From the Director of Public Instruction, No. 6858, dated 10th September 1904.

In G.O., No. 429, Educational, dated 24th July 1902, the Government accepted the recommendation of the Committee appointed to reconsider and revise the course of instruction at the College of Agriculture and directed the immediate introduction of the revised curriculum recommended for adoption.

2. In his report on the college for 1902-1903, the Principal appeared to entertain some doubts as to the feasibility of adhering strictly to the revised courses of study and promised a further communication on the subject. The Government, while reviewing the report in question, observed that they would await the promised communication—*vide* G.O., No. 475, Educational, dated 1st October 1903.

3. The Director now submits a copy of the resolution of the Board of Revenue in which the Board, to whom the Principal's proposals in regard to the revised courses of study were referred, has decided that the matter should lie over pending receipt of the orders of Government on Mr. Mollison's report*. The Director agrees with the Board and considers that it may be done. Submitted that the proposal may be accepted and the present current recorded. Please see the draft placed below.
