University of Madras.

Communicating to the Syndicate of the — letter from the Government of India forwarding for information a copy of the letter to the Registrar of the Calcutta University and of the notification of the Government of India containing orders issued for the purpose of enabling colleges and schools situated outside the present jurisdiction of the Calcutta University, and hitherto affiliated to or recognized by that University, to send up pupils for the next Calcutta Entrance Examination and for other examinations to be held during 1905 and 1906.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From R. NATHAN, Esq., C.I.E., Deputy Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Simla, 9th September 1904, No. 781.

I am directed to forward, for the information of the Governor in Council, a copy of the letter to the Registrar of the Calcutta University and of the notification of the Government of India in the Home Department noted on the margin containing orders issued for the purpose of enabling colleges and schools situated outside the present jurisdiction of the Calcutta University, and hitherto affiliated to or recognized by that University, to send up pupils for the next Calcutta Entrance examination and for all other examinations of the Calcutta University which will be held during the years 1905 and 1906. The object of these orders is to prevent the inconvenience which would be occasioned to students were they to be obliged to change their course of studies in the midst of preparing for an examination. The orders are permissive only, and it will be open to any college or school affected by them to apply at once for affiliation to, or recognition by, the university within whose jurisdiction it is situated, and to relinquish as soon as it finds it desirable to do so the connection with the Calcutta University, which the orders referred to above reserve to it.

ENCLOSURES.

From H. H. RISLEY, Esq., C.S.I., C.I.E., Secretary to the Government of India, Home Department, to the Registrar, Calcutta University, dated Simla, 9th September 1904, No. 780 (Education).

I am directed to forward a copy of the notification in the Home Department, No. 778, dated the 8th September 1904, in which the Governor-General in Council directs that, notwithstanding anything contained in the notification of the Government of India in the Home Department, No. 717, dated the 20th August 1904, any college situated elsewhere than in Bengal, Burma, or Assam, affiliated to the University of Calcutta before the passing of the Indian Universities Act, 1904 (VIII of 1904), may continue to exercise the rights conferred upon it by such affiliation until the 31st day of December 1906, and that students from any of such colleges may be examined by the said University up to that date and degrees may be in due course conferred upon them.

2. These orders of the Governor-General in Council will enable colleges situated outside the new jurisdiction of the Calcutta University to continue to send up students for examinations of the Calcutta University until the 31st December 1906, and will thus avoid the inconvenience that would be caused were students now preparing themselves for examinations of the Calcutta University to be required to alter their course of studies and present themselves for examination by the Universities to which their colleges have been transferred under the orders of the Government of India of the 20th August 1904. These colleges will, however, be able to seek affiliation from the University within whose territorial jurisdiction they are now situated, and if they desire it they will be able to relinquish their connection with the University of Calcutta before the date indicated in the notification.

3. The Governor-General in Council also considers it desirable that students now reading in schools outside the new jurisdiction of the Calcutta University for the forthcoming Matriculation examination of that University should be permitted to present themselves for it. The Senate of the University should therefore continue to recognize for the purpose of the Matriculation examination of 1905 and no subsequent Matriculation examination those schools outside Bengal, Burma and Assam which it recognized on the date of the commencement of the Indian Universities Act. They should also hold the examination at those centres outside the same provinces at which it has hitherto been held. The Government of India do not think that it is necessary to issue a formal notification under the Act for this purpose.

4. The Government of India are forwarding a copy of this letter and of the notification alluded to in paragraph 1 above to the Governments of Madras, Bengal, the United Provinces and the Punjab, and to the Agents to the Governor-General in Central India and Rajputana.

NOTIFICATION of the Government of India, Home Department (Education), dated Simla, 8th September 1904, No. 778.

In exercise of the powers conferred by section 27 of the Indian Universities Act, 1904 (VIII of 1904), the Governor-General in Council is pleased to direct that, notwithstanding anything contained in the notification of the Government of India in the Home Department, No. 717, dated the 20th August 1904, any college situated elsewhere than in Bengal, Burma or Assam, affiliated to the University of Calcutta before the passing of the said Act may continue to exercise the rights conferred upon it by such affiliation until the 31st day of December 1906, and students from any of such colleges may be examined by the said University up to that date and degrees may be in due course conferred upon them.

ORDER—No. 586, Educational, dated 20th September 1904.

Communicated to the Syndicate of the Madras University with the request that they will inform Government whether any similar notification is required in respect of that University.
