A notice of election is enclosed for your information.

CALCUTTA UNIVERSITY.

Notice.

In exercise of the powers conferred by section 12, clause (*a*), of the Indian Universities Act, 1904 (VIII of 1904), and with reference to the election of ordinary Fellows to be held within the period of one year after the commencement of the said Act, His Excellency the Chancellor of the Calcutta University is pleased to direct that of the ten Ordinary Fellows who, under section 6, sub-section (1), clause (*a*), are, after the expiration of the said period to be elected by registered Graduates, five shall be elected by Masters or holders of a higher degree in some Faculty or Bachelors who graduated before the year 1867.

As regards eligibility for election, His Excellency the Chancellor considers that the electors would do wisely to make their choice from among Masters or holders of a higher degree in some Faculty or Bachelors who graduated before the year 1867.

The election will take place at the Senate House, College Square, on Monday, the 26th September 1904.

Every candidate for election must be nominated by a Master or holder of a higher degree in some Faculty or a Bachelor who graduated before the year 1867, and no person will be allowed to nominate more than one candidate. The nomination of a candidate shall be made in writing, which shall be signed by the person making the nomination. No special form is provided for the purpose. Nomination in any form will be accepted provided that it gives the name, degree and year of graduation of the person who is nominated, and also of the person who nominates. The nomination should be, on the face of it, addressed to the Registrar, Calcutta University, and must reach the office of the Registrar on or before the 10th September 1904.

On and after the 12th September, voting papers containing the names of the candidates nominated will, on application, be supplied by the Registrar. An application for a voting paper will not, for obvious reasons, be attended to, unless it contains the full name of the applicant written legibly, his degree, the year in which it was obtained and his present address. The voting paper must be filled up and signed in the presence of the Registrar at the Senate House on the 26th September 1904, between the hours of 10 A.M. and 5 P.M.; but Graduates who will not be able to appear in person before the Registrar may fill up and sign their voting papers in the presence of a Magistrate, a Judge, a Subordinate Judge or a Munsif (excluding village munsifs). In the absence of a Magisterial or Judicial Officer of the rank aforesaid in a Native State, the signature must be acknowledged before the Chief Minister or the Chief Magisterial officer of the State. The officer before whom such acknowledgment is made, or the Registrar, as the case may be, shall then countersign the voting paper, as having been signed before him by the person whose signature it bears. A voter exercising the functions of a Magisterial or Judicial officer of the rank aforesaid will not be competent to countersign his own voting paper. Each voter shall be entitled to vote for five candidates, but no voter shall be allowed to give more than one vote in favour of any one candidate. All voting papers duly signed and countersigned as aforesaid must reach the Registrar not later than 3 P.M. on Monday the 26th September, after which no voting paper, which is not signed in the presence of the Registrar, will be accepted. Graduates who are not known to the officer in whose presence they intend to fill up and sign their voting papers must bring with them their diplomas or other satisfactory proof of identity.

Memorandum No. 495, Educational, dated 12th September 1904.

The Superintendent, Government Press, is requested to publish the enclosed notification without fail in the next issue of the *Fort St. George Gazette*, and to strike off extra copies of the notification and forward thirty copies to each District Magistrate and twenty copies to each District Judge. He is requested to report the date of despatch.

The following telegram will issue to the Superintendent, Government Press:—

The three University notifications are approved under date sixth September. Please fill in the consecutive numbers of the notifications and publish. Wire urgent numbers of notifications.

H. D. TAYLOR—6-9-04.

Telegram from the Superintendent, Government Press, dated 7th September 1904.

University notifications are numbered 77, 78 and 79.

The notification in respect of Coorg has issued bringing the Act into force with effect from the 9th September. Similar notification has appeared in this week's *Fort St. George Gazette*. The *Rules* for election will issue in a Gazette Extraordinary.

2. Letter from the Government of India, Home Department, enclosing reference from the Registrar, Calcutta University, is submitted for perusal. The rules provide for the attestation of votes by Judicial officers—but do not provide for nomination. The specific reference was however in regard to the former point only. No further action seem necessary and the file may now be "Recorded."

Our.
J. T[HOMSON].

H. D. TAYLOR—8-9-04.

I presume you have issued the orders desired on Mr. Nathan's letter. If not do so please by Gazette notification.

J. T[HOMSON]—9-9-04.

No orders have as yet issued. The Gazette Extraordinary containing the rules for election is expected to-day.

2. A draft notification to be published in the next Gazette is put up for approval and acceptance by Judicial, together with a special circular to all District Magistrates and District Judges, drawing their attention to the same.

H. D. TAYLOR—10-9-04.

To the Judicial Department.

JUDICIAL DEPARTMENT.

Accepted. May issue in Educational.

M. HAMMICK—10-9-04.

EDUCATIONAL DEPARTMENT.

In the notification it is observed that the Press has altered the signature from that of the Registrar to that of the Secretary and has added a preamble on its own account. I wish to know what authority there is for this. Is there any rule under which all notifications must issue under the signature of a Secretary to Government? The question whether the rule should issue under the signature of the Secretary or Registrar was fully considered.

2. The notice may now be sent to press for publication with the next Gazette. The Press Superintendent will be requested to strike off extra copies and to forward 30 spare copies to each District Magistrate and 20 spare copies to each District Judge and to intimate date of despatch. Draft to Press Superintendent put up.

H. D. TAYLOR—11-9-04.

Submitted that under existing rules notifications by *Government* have to issue under the signature of a Secretary to Government, but notifications by subordinate officers issue under the signature of *their* Secretary or other officers authorized to sign them. For instance a notification by the Board of Revenue issues under the signature of the Board's Secretary—one by the Commissioner for Government Examinations issues under his Secretary's signature.

In the present case, the Superintendent, Government Press, acted on his own authority, and wrongly. As he inserted a preamble the proper thing for him was to leave the Registrar's signature immediately below the notification as in the orginal and add what he has now put in. "By order of His Excellency, etc."

Yes.
But I think there is no illegality about the notice as it stands.
H. D. TAYLOR—11-9-04.

2. A fair copy of the memorandum and notification is submitted for signature. It will be despatched immediately on its return from the Secretary. As it will in any * case be received in Madras before Tuesday morning—the date of the next Gazette—and as the notification is confidential *at present*, I have not sent an advance copy to the Gazette. The notification is a short one and will not require more than half an hour to be put in type.

* Even if it returns too late for this morning's tappal.

P. T. THARYAN—11-9-04.

Issue.

H. D. TAYLOR—11-9-04.

[Memorandum No. 495, dated 12th September 1904.]

The memorandum to the Superintendent, Government Press, with the notification was despatched yesterday. Would it not be better to omit the words "under the signature of the Registrar of the Madras University" from the notification. The Secretary has apparently put them in deliberately but the fact is brought to notice.

P. T. THARYAN—12-9-04.

Yes, omit. I drafted the notification before receipt of the Gazette.

The Superintendent should be called on to explain why he altered the original notification.

H. D. TAYLOR—12-9-04.

Alteration telegraphed to the Superintendent, Government Press, and Superintendent asked for explanation.

P. T. THARYAN—12-9-04.

For the Superintendent, Government Press—

With reference to the Gazette Extraordinary that issued on Friday last the Secretary desires to know under what authority the preamble was added and the Registrar's signature substituted by that of the Secretary. Also under what authority the words "By Order of the Governor in Council" were put in.

P. T. THARYAN—12-9-04.

Gazettes Extraordinary are only issued by Government, and always under the signature of a Secretary to Government. The Gazette of India Extraordinary for the $3\frac{1}{2}$ per cent. loan issued yearly is "Republished by Order of His Excellency the Governor in Council under the Chief Secretary's signature" although I receive this notification through the local Accountant-General, and not from the Local Government.

See No. 79 on page 616 of Part I-B, dated 6th instant, the Press put the first two lines and inserted it as a "Notification by Government" as it was received from the Secretariat without any instructions. If the notification had been received from the Registrar of the University it would have appeared under "Miscellaneous notifications" in Part I-B.

R. HILL—16-9-04.

Submitted to the Secretary.

2. The Gazette of India Extraordinary referred to is *republished* under the signature of the Chief Secretary to Government, Madras, but the notifications themselves appear under the signature of the Secretary to the Government of India or the Comptroller-General as the case may be.

3. Submitted that while the notification on page 6 of the current file is all right in itself, it does not appear to be what His Excellency referred to on page 2 *supra*. His Excellency apparently had in view the issue of instructions regarding voting by *Calcutta* graduates. Please see Mr. Nathan's letter No. 758, Education, dated 2nd September 1904. I am extremely sorry I was not able to read up the file till now.

4. Submitted that the telegram placed below may now go to all District Magistrates and District Judges.

5. General instructions about voting by Calcutta graduates were however issued in G.O., No. 932, Educational, dated 14th December 1895. The Government order is in Madras and has been called for but an abstract is put up in the file. These may perhaps be sufficient after all. There are very few, if any, Calcutta graduates in this Presidency.

P. T. THARYAN—21-9-04.

The telegram may issue. In the absence of the original G.O., No. 932, dated 14th December 1895, it is better to make quite sure. Send deferred.

H. D. TAYLOR—22-9-04.

[Telegram No. 85, dated 22nd September 1904.]

These papers may now be recorded and printed. Please see the draft placed below.
