Respected Sir, I humbly beg leave to introduce myself to your honor as a member of Tanjore Mangalavilas family which since the demise of the late Maharaj in 1855 has all along been under the fatherly protection of the Government. To begin with, the several members of this family were allowed decent pensions and these having lapsed by halves through two generations and the family also having considerably increased have diminished very largely and its present members are receiving only very small stipends which are hardly adequate to maintain them decently and to enable them to educate their children properly.

My means having thus grown very slender I made a request to the then Government Agent - J. Twigg Esq. to get me an exemption from the examination rules and to recommend me for a Sub-Registrar's place. I was accordingly recommended to the then Inspector General of Registration who advised

 advised me through the Govt Agent to accept a clerk's place in the department of Registration and to continue in it until I should be found qualified for a Sub-Registrar's place. I beg leave to inform your honor that I have been holding the clerk's place for the last 3 years and I have tried my best to give every satisfaction to my Superiors and therefore make bold to request that your honor may be pleased to recommend me favourably to Government for being exempted from the examination rules and given a ^{Probationary} Sub-Registrar's place.

As a member of Tanjore Raj family I am deserving of your honor's encouragement in every way and shall ever be laid under your deep obligation if your honor will be so kind as to do me any thing that is needful for the advancement of your humble ward.

I beg to remain

Sir,

In returning herewith petition of V. Bhadranaidajee Sahib, applying for the post of a Probationary Sub Registrar, received with Government Endorsement No.2796, dated 16th July last, I have the honour to state that the petitioner's work as a clerk in the Registrar's office, Tanjore, is reported on favourably by the Registrar of that district and that he may be exempted from the examination rules so as to enable him to hold the appointment of a Sub Registrar in the Registration Department. I shall then be able to try his capacity by deputing him to act as Sub Registrar in short vacancies after requiring him to pass the departmental tests and eventually appoint him as a permanent Sub Registrar in case he is found to discharge his duties as acting Sub Registrar efficiently and satisfactorily. I beg to add that, in the case of clerks already in the department, it is not always necessary that they should be appointed as Probationary Sub Registrars before they are appointed as Sub Registrars.

I have the honour to be,

Sir,

Attention is solicited to the
Notes & orders in Genl. 626, Poll, dated
20. Sept 1898. Regarding the request of the
present applicant for appointment as Sub Regr
of Regn. wrote as follows:- "It does not
seem desirable to appoint the applicants
to the post of Sub Registrars or even Probationers. Their
educational qualifications are not such as to justify
the hope that they will be able to acquire a fair
knowledge of the Regulations & Rules of the Dept
of the Stamp Law so as to be in a position
to discharge the duties of a Sub Registrar
without placing themselves at the mercy of
their subordinates." Bhadranaidajee Sahib

The exemption applied for may be granted
There are very few of these Tangur pensioners
who even attempt to qualify for the public
service, and the applicant has been
intent to serve in a lonely post for
some time.

If employed in the Reg. I think
it is probable that he will be posted elsewhere
than to the Tangur St. We have two
pensioners (at Madanajala & Tiruvadi)
already employed in the Reg. Tangur
in Tangur.

If it is granted it should be as
a very special case.
I am very loath to appear
exemption in this case. The
public service is the first
consideration & I don't think
the dept. will be well
served by appt. men
of the low educational qualifications
possessed by this man, when
so many others with full
qualifications are standing
hungry at the gate.
However I will accept H. S. decision
