FURTHER PAPERS.

The Secretary to Government,

Educational Department.

Si,

In his letter Dis No. 1540 dated 29th July

1904 the District Medical and Sanitary Officer, Anantapur,

informed the Inspector of European and Training Schools that the immediate removal of the Government Training school, Anantapur, was necessary, as the whole town was infected with plague.

Mr. Stone accordingly requested me to sanction the transfer of the school with effect from the 8th August last to Tadpatri where the necessary accommodation was available in the Local Fund Jubilee Choultry; and as the practising school had disappeared and most of the students had run away and it appeared to be the only chance of carrying on the school I approved of the transfer in anticipation of the sanction of Government. I have the honour to request in these circumstances that the temporary transfer of the school to Tadpatri and its continuance there until it can be safely reopened at Anantapur may be sanctioned.

I have the honour to be,

S i r,

Your most obedient servant,

E. Gabriellian
 For Director of Public Instruction.

C. No. 1710 From the

No 6743, dated 23-9-1904

SUBJECT.

Removal of the Training School at Andantapur
to Jabpatri as a temporary measure.

Dr. Bourne's D.O. in D.O.

oc. au 106 d. 23-7-04. C.

In July last the D.P.O. wrote demi-officially to say that as plague had broken out in Anantapur the local ^{district medical & sanitary officer} ~~Chief Surgeon~~ advised the immediate removal of the Training School there to some other locality and that the Inspector of European Training Schools accordingly proposed its transfer to Bellary. Dr. Bowne desired to know whether the ^{district medical & sanitary officer's} ~~Chief Surgeon's~~ advice should be acted upon in anticipation of formal sanction. In reply he was informed that he should exercise his own discretion as to any urgent action to be taken and that any orders of Govt. which he ^{might} ~~may~~ require should be applied for officially. He was also informed that the state of plague in Anantapur at the time was not such as to justify the hasty removal of the School from there.

2. The Director now reports that in a further communication from the District Medical and Sanitary Officer on the 29th July 1904 the school has been removed to Sadpatri with effect from the 8th August 1904 and requests that formal sanction may ~~be~~ be accorded to the transfer. The draft placed below is submitted for approval.
