Triplicane,

6th August-1904

The Secretary to The Government of Madras,  
in the Educational Department.

Sir,

We have the honour to request that you will be  
pleased to send us spare copies of the G.O.s sanctioning  
changes from time to time of the Madras Grant-in-Aid  
Code. They are required for preparing a Short Summary  
of the working of the Code in this Presidency. The Summary  
will be on the lines of the account of "Payment by Results"  
given in the May number of the Educational Review,  
a copy of which is sent herewith, and it will therefore  
exclude all controversial matter.

We have the honour to be,

Sir,

Your most obedient servants

C. No.1410, from the Editors of the Educational Review, d/6-8-1904.

Subject.

Supply of copies of G.Os. sanctioning changes in the Grant-in-Aid Code.

Orders are solicited as to whether the Editors' request should be complied with. The changes sanctioned in the Grant-in-Aid Code from time to time are usually published in the Fort St. George Gazette and the petitioners can have access to it if they chose. Perhaps they may be informed accordingly.

R.N.  
12-8-04.

If the applicants have to rely on the gazettes alone they may go wrong. As the information is required for a useful object we may perhaps comply with the request as a special case.

P.T.T.  
12-8-04.

A.G.  
12-8-04.

He may have copies of all G.Os. which are placed on Editors' Table, but it is inexpedient to issue a general order regarding grant of G.Os. containing amendments to Grant-in-Aid Code as these may contain correspondence which it is not desirable to communicate to the outside public.

H.D.T.  
14-8-04.

From an examination of the old records it is gathered that the first Code was approved in G.O. No.1100 Public dated 16th August 1855. This G.O. has not been printed.

Portion of the file  
held back under  
Secretary's orders.

2. The next Code was approved in G.O. No.1022 Public dated 16th August 1858. This G.O. has been printed - but there is no printed Code with it. All the papers connected with it were however afterwards printed in the form of selections from records. There is no copy of these selections here but even if there was a copy it would not be available for lending.

C

3. The third Code was approved in G.O. No.379 Edl., dated 20th December 1864, but this G.O. contains a letter from the Government of India and cannot therefore be given out.

4. The Code was subsequently revised in parts from time to time and the orders <sup>are</sup> mostly printed but it has not been possible to ascertain which of the orders were placed on the Editors' Table. It is submitted also that a few orders at intervals even if they could be given will not be of much use for the purpose intended.

D

5. The fourth Code in a complete form appears to be that issued with G.O. No.36 Edl., dated 16th February 1880. There appears to be no objection to the grant of a copy but several orders are referred to in it and the grant of a copy will only lead to further inquiries.

6. The first Code published in book form was in 1885. Subsequent issues in book form were for 1894, 1896-97, 1897-98 and 1899-1900. Since then the Code in book form has become a regular annual publication.

7. Submitted that the Editors of the Educational Review may be furnished with a copy of each of these printed Codes and that they may be informed

- (i) that there are no such codes in book form for earlier years.
- (ii) that all G.Os. sanctioning changes in the rules have not been printed and
- (iii) that a few printed G.Os. even if they could be given will not be of much use.

8. For Codes in force from 1855 to 1885 they may be asked to apply to the Director and for their purpose it seems enough if they get codes in force from time to time.

I <sup>PH</sup> 15/9/4 Put up a copy of Records No XXVI Selections from the early history (I think) of Govt education (and I suppose of the grant-in-aid system) in this Presy. 16.9.4

all the selections from records in the Madras Library relating to Educational matters have been obtained and are submitted. The only one which seems to be of some use in the present connection seems to be no LXXXII.

II <sup>PH</sup> 17/9/4 Copies of Selections Nos II XLI LXXXII and the dispatch of 1854 may be supplied. They throw light on the early history of Govt education in this Presidency. For the later period it will be sufficient if the Editor is supplied with a complete set of editions of the Code. Those available here may be sent at once; for the others the Editor may apply to the Director. 19.9.4

+ for use & return; we have only two or three copies.

VI The Educational review seems an interesting and well edited publication. The periodical seems to be deserving of recognition, and the notes above may be sent to the Editor for reference and return after one month.

The permanent office is so untrust

worthy in the communications  
of papers their adherence to old  
& antiquated <sup>habits</sup> ~~customs~~, while there  
is always the risk of carelessness,  
that it is the most inadvisable  
to ~~pass on~~ or give instructions  
for the supply of G.O.s, so long  
as we retain the custom of  
binding together all the corres-  
-pondence & the opinions  
of our depart. advisers with  
the Order of Govt.

But we can promise them  
a copy of the Grant in Aid Code  
as revised ~~periodically~~ <sup>permanently</sup> (this  
will save them buying it); &  
also copies of all Notifications  
published in the H. St. Co. say varying  
the Code from time to time.

May the collections and despatch of 1854 referred to  
in W. Galletti's note of 19/9/04 be sent to the  
editor for reference and return after one month  
as proposed?

We really can't ~~supply~~ <sup>lend</sup> books of  
reference to magazine editors.  
They must procure their own.  
Simply promise them a  
copy of the Grant in Aid Code &  
early copies of the Notices publ'd in H. St. Co. say

The office time has been  
terribly wasted over this
