C. No. 2100 From the Govt. of I. Home Dept. No 744, dated 22nd Dec 1903.

SUBJECT:

Extension of Mr Chatterton's Special duty.

In sanctioning the employment of Mr Chatterton, for a term of three years, in furthering ^{and} the progress of technical and industrial education in this presidency and especially the development of the aluminium industry ~~begin~~ at the School of arts the Secy of State asked for information as to the relation in which Mr Chatterton would stand during his special employment to the Supdt. of the School of arts — vide para. 3 of the Secy. of States' despatch in G.O. no. 174 Bdl. dated 10th April 1900, page 3.

2. In reply the Govt of I. was informed that Mr Porterfield, the then Supdt. of the School of arts, would in pursuance of a notice given to him under his agreement vacate his office in February 1901; that the post of Supdt. would be left unfilled and that Mr Chatterton would have charge of the School without prejudice to his

Special

Special duties. Vide letter no 517 Edl. dated 23rd Oct. 1900.

3. In letter no 546 Edl. dated 31st Oct. 1900, it was further stated that the above said arrangement would continue for a period of three years, (during which Mr. Chatterton would be on special duty) and during that period the School would have two distinct departments - the fine arts and the industrial - each ~~of which~~ being in immediate charge of a responsible assistant under the orders of Mr. Chatterton; that the then Asst. Supdt. would be in charge of the fine arts dept. and that the industrial dept. would be in charge of a competent subordinate seconded from the P. W. D. on a salary of Rs 400 per mensem. The Govt of I. was further requested to obtain the sanction of the Secy of State to the creation of the appointment of Industrial Assistant. This sanction was accorded in the Secy. of State's despatch no 40. Public (Edl) dated 22nd March 1901 printed in G.O. no. 269 Edl. 15th May 1901.

4. This Industrial Asst. was chiefly required to supervise the business in Aluminium.

vide

vide para. 8 of Mr. Stewart's letter in G.O. no. 511 Edl. dated 18th Oct. 1900. The business in Aluminium was recently transferred to the Indian Aluminium Company and the Govt. directed in G.O. no. 542 Edl. dated 5th Nov. 1903 that the services of Mr. Brand, the Industrial Asst. at the School of Arts, should be replaced at the disposal of the P. W. D. ~~Mr.~~ Mr. Chatterton has asked for a reconsideration of this order and the question is still under consideration - vide linked file.

5. In letter no. 535 Edl. dated 29th Oct. 1903, the Govt of I. was asked to obtain the sanction of the Secretary of State to the continuance of Mr. Chatterton on special duty for a further period of eighteen months from the 8th Feb. next when the period of three years sanctioned in 1900 would expire. The Govt of I. now wants to know whether the proposed extension of Mr. Chatterton's special duty would necessitate the continuance of the arrangements made for the working of the School of Arts in 1901 - that is the substitution of an Industrial Asst. on Rs 400 a month in place of the Superintendentship. Or in other words the continuance of Mr. Brand as Industrial Asst. in the School of Arts.

6. Now that the Aluminium business has been transferred to the Indian Aluminium Company, it seems clear that the services of the Industrial Asst. at the School of arts will not be required. But the matter has been rendered difficult by Mrs. Chatterton going on leave from April next and by the proposal to appoint Mr. Brand to act for him. It has not been settled whether Mr. Brand will continue as Industrial Asst. and will have charge of the School or will be appointed to act as Supdt. of the School of arts, an appointment which is vacant. In the latter case the sanction of the Govt. of I. will be necessary under para. 16 of the Res. of the Govt. of I. D. 23rd July 1896 in G.O. no. 449 Sd. D. 10-8-96 and in the former case the sanction of the Secretary of State will be necessary. vide art. 80 of the Civil Service Regulations.

7. If Mr. Brand is to be appointed to act as Supdt. of the School of arts during Mrs. Chatterton's absence, the Govt. of India may be informed, in reply to their telegram under reference, that the ~~arrangements~~ continuance of the arrangements made for the working of the School of arts in 1901 will not be necessary. But in that case also a difficulty exists:

This a minor matter. Perhaps Mr. Brand will take leave, or he might be kept on at the School of Arts, the sanction of the Secy of State being applied for with retrospective effect.

exists. Mr. Brand's deputation as Industrial Assistant will terminate on the 7th Feb. next; he will then have revert to the P.W.D. for a short time till he is again appointed to act as Supdt. of the School of arts in April. This will cause some dislocation of arrangements in the P.W.D. and if it is to be avoided Mr. Brand's deputation, ^{as Industrial Asst. at the School of arts} will have to be extended by two or three months, for which the sanction of the Secy of State will be necessary. article 80 of the C.S.D.

8. In view of these difficulties it would perhaps be better to postpone giving a definite reply to the Govt. of I. till orders are passed on the linked file. Meanwhile the Govt. of I. may be informed that a definite reply to their enquiry will be sent to them in the first or second week of January next.

A draft-telegram to the Govt. of I. is placed below for approval.

I see no use in an intermediate disposal. The question of the future management of the School of Arts is somewhat urgent. & must be settled definitely before a reply can go to India. Resubmit the two files to MM. & mark res. - directly after holidays.

There is a number of

 such, if purely industrial training
