C. No. 1626 From the Honorary Secretary Civil Orphan No 295, dated 8-9-1904.

SUBJECT.

The admission of two pupils into the Civil Orphan Asylums on the foundation of the late Waltair Orphanage.

J.

Please see the notes connected with G.O. no 742 Eol of 5th December 1902. For every pupil admitted into the Madras Civil Orphan Asylums on the foundation of the late Waltair Orphanage the Govt pay the C.O.A Rs 15 per mensem out of the funds with them to the credit of the Orphanage. The balance to the credit of the Orphanage on the 31st March 1904 was Rs 1934-10-8 - G.O. no 547 Eol of 5th September 1904. There are now four pupils in the C.O.A maintained out of the funds of the Orphanage and at Rs 15 per mensem this amount will not be sufficient for their maintenance for more than three years. It will not therefore be advisable to take in any more pupils on the foundation of the Orphanage unless the Govt are prepared to pay for them when the funds to the credit of the Orphanage are exhausted. It does not appear that the Govt will be prepared to do this & if so it is submitted that the present application may be refused.

$\frac{PH}{17/9/14}$ The two boys are 1 and 8 and between them would require support for 16 years if they left the Asyl 16 years at Rs 15 p. mensem = the total of the fund is only Rs out of this four orphans have Rs 10

Under 9.6 No 40228. 1129.6 94. The Govt. only
 changed itself into the maintenance of the
 orphan then in the Orphan Asylum at Walton.
 Others have been subsequently admitted &
 funds permitted.
 The balance of funds will be a credit of the
 admission of these two children.

The father of the orphan was a Sergeant
 in the 2nd Bat. Somerset L.I. & at the
 children he recommended for admission

Under rule 3(1) of the Asylum rules on page [31]
 of the forty-fourth report of the Asylum, further, the orphan
 children of fathers who have died on service have preference
 over other children, but ~~as far as can be~~
 traced there is no precedent for Govt. recommending
 children for admission. Would it not be well to leave this
 to the Chaplain?

2 - On the 31st December last there were 48 boys
 waiting for admission - page [12] of the report referred to
 and so even if the Govt. make an exception and recommend
 the two boys from Mr. Blakenham it will be sometime
 before they can be admitted, but Mr. B would like
 to leave the children off her hands at once.

An application may already
 have been made to the Asylum authorities,
 & thinks it worth while, the

 how long it will be before there will
 be vacancies for the two boys. H

Yes. This was my object in asking for the information.

These children would come under class 3, and I
 understand from the Principal that they would
 probably not have long to wait for admission.
 One boy is however 10, and the maximum age for
 admission is 12.

2. The Chaplain Walton may be asked to register

to the Principal Lawrence Asylum, to register
 their names, & to ascertain how soon they
 are likely to be admitted. If in the course of
 one year, then they might be admitted
 temporarily to the C.O.A.

3. For how much longer do the 4 orphans of
 the Walton establishment remain in the C.O.A.?

Are their ages known?

and should have left by this time. A third - Bremenheere -
is 10 or 11 years old and may remain for about seven
years more. The age of the fourth - Charlotte Louisa
Latimer - is not known. The reply to para: 3 of the draft
will explain the situation clearly.
