Land acquisition.

Stating, with remarks, that the Director of Public Instruction should provide funds by reappropriation from any of the minor heads in his budget for the acquisition of the land required for the extension of the play-ground attached to the Government girls' school at Bhadrachalam.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—again the following papers:—

G.O., No. 507, Educational, dated 13th August 1904.

Read—the following paper:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 3rd August 1904, Ref. on Cur. No. 607 of 1903.

The piece of land marked A B C D in the accompanying sketch plan and measuring 2,080 square yards is required for use as a play-ground for the Government girls' school, Bhadrachalam. The site is owned by "the Superior Proprietor (Zamindar of the taluk)" and I understand that he is not willing to part with it. I have the honour to request therefore that the Collector of Gódavari may be authorized to acquire the site under the Land Acquisition Act. The Collector states that the cost of acquiring it will be Rs. 430 including 15 per cent. allowance for compulsory acquisition.

Order—No. 507, Educational, dated 13th August 1904.

The Government consider that Rs. 430 for half an acre of land in Bhadrachalam is excessive, and the Collector is requested to explain how the land in question is so costly.

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction:
„ Collector of Gódavari.

G.O., No. 553, Educational, dated 7th September 1904.

Read—the following paper:—

From E. B. ELWIN, Esq., I.C.S., Acting Collector of Gódavari, to the Secretary to Government, Educational Department, dated 22nd August 1904, D. Dis. No. 3469.

Adverting to G.O., No. 507, Educational, dated 13th August 1904, I have the honour to report that the cost stated in this office Dis. No. 2662/ Rev., dated 2nd July 1904, includes the allowance of 15 per cent. for compulsory acquisition allowed in the Act, and the market value of the site in question is reported to be Rs. 371. The site is in the heart of the town and adjoins the main street, and the high market value is due to its favourable situation. One hundred and sixty-eight yards of a similar site separated from the site in question by a lane was sold for Rs. 30, and there is a document in evidence thereof. This was taken as the datum in fixing the value of the site in question.

Order—No. 553, Educational, dated 7th September 1904.

The Collector of Gódavari is requested to take steps for the acquisition under the Land Acquisition Act, 1894, of the land shown in the appended sketch plan, which is required for use as a play-ground for the Government girls' school, Bhadrachalam.

2. The Director will provide the necessary funds.

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 27th September 1904, Ref. on Cur. No. 7798.

With reference to G.O., No. 553, Educational, dated 7th September 1904, I have the honour to request that the amount required for the acquisition of the land in question may be arranged to be met from the funds at the disposal of the Public Works Department. I am unable to point out corresponding savings in the budget estimates of this department.

ORDER—No. 627, Educational, dated 13th October 1904.

As the land is required for the extension of the play-ground attached to the girls' school and not as a site for any building, the Public Works Department cannot be called upon to meet the cost of the acquisition from the funds at its disposal. The Director of Public Instruction will therefore be requested to provide for it by reappropriation from any of the minor heads in his budget.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 627, EDUCATIONAL, DATED
13TH OCTOBER 1904.

[SUBJECT.—*Funds for the acquisition of land for the Government girls' school,
Bhadrachalam.*]

I

From the Director of Public Instruction, No. 607, dated 3rd August 1904.

For orders as to whether the Director's proposal to acquire the land shown in the sketch plan for use as a play-ground for the Government girls' school, Bhadrachalam, may be approved. In case it is approved, the Collector of Godavari may be requested to take steps for the acquisition of the land under the Land Acquisition Act, the required funds being provided by the Director. As no buildings are to be erected, the Public Works Department cannot well be asked to provide these funds. The cost of acquiring the land has been estimated at Rs. 430 including the 15 *per cent.* allowance for compulsory acquisition.

N. LAKSHMANA RAO—6-8-04.

It does not appear that the whole of the plot marked A B C D is proposed to be acquired. Its area is $270' \times 156'$, or 90 yards by 52 yards = 4,680 square yards, but the Director wants only 2,080 square yards which will apparently take in only the portion marked A B E F. It seems to be mere vacant site.

P. T. THARYAN—8-8-04.

A. GALLETT—8-8-04.

The area proposed to be acquired is less than half an acre and the compensation is estimated at Rs. 430, which seems high for Bhadrachalam.

Still the acquisition would seem desirable and may be approved.

H. D. TAYLOR—9-8-04.

If the price of vacant land at Bhadrachalam is nearly Rs. 1,000 an acre, the people must be rolling in wealth. Say the price is excessive for half an acre and ask the Collector to explain.

G. S. F[ORBES]—11-8-04.

Please draft accordingly.

II

From the Collector of Góddavari, No. 3469, dated 22nd August 1904.

In their order, No. 507, Educational, dated the 13th instant, the Government considered that Rs. 430 for half an acre of land in Bhadráhalam, required for use as a play-ground for the Government girls' school in that town, was excessive and requested the Collector of Góddavari to explain how the land in question was so costly. In reply, he reports that the high market value of the site in question is due to its favourable situation.

2. It is now for consideration whether the Director's proposal made in his letter of the 3rd instant that the land in question should be acquired under the Land Acquisition Act, 1894, should be approved. If it is approved, the Collector of Góddavari may be requested to take steps for the acquisition of the land under the Land Acquisition Act, the required funds being provided by the Director. Orders are solicited.

P. T. THARYAN—30-8-04.

Submitted that religious attractions bring visitors and money to Bhadráhalam, that for an Agency town it is well to do and consequently sites are of some value.

A. GALLETT—30-8-04.

In the circumstances stated by the Collector and Agent the acquisition may be sanctioned.

H. D. TAYLOR—31-8-04.
