GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, to the Secretary to Government, Educational Department (through the Accountant-General), dated Madras, 8th September 1904, Ref. on Cur. No. 6982 (a).

I have the honour to request that the sanction of the Government of India may be obtained to the appointment of Mr. B. O. Reynolds, Instructor in Engineering, College of Engineering, Madras, as Acting Superintendent of Military students on a salary of Rs. 20—2—40 in addition to his own office. Mr. Reynolds has been performing the duties of Superintendent from the 8th March last, the date on which Mr. W. H. Goddard availed himself of the leave on medical certificate granted to him, and now that the arrangement is expected to last for at least a year, I think that he is entitled to the remuneration and that with retrospective effect.

Endt. No. P. A. 334/6989.

Forwarded to Government.

2. The sanction of the Government of India should be obtained.

3. A similar arrangement was sanctioned by the Government of India in 1901—vide G.O., No. 619, dated 30th October 1901.

ORDER—No. 635, Educational, dated 20th October 1904.

The Government of India will be addressed.

H. D. TAYLOR,
Ag. Secretary to Government.

Letter—No. 636, Educational, dated 20th October 1904, to the Secretary to Government of India, Home Department.

With reference to the correspondence ending with Mr. Williams's letter No. 438 (Education), dated 24th October 1901, I am directed to state that Mr. W. H. Goddard, Instructor in Surveying and Drawing and Superintendent of Military students in the Madras College of Engineering, has again proceeded on leave on medical certificate for one year with effect from the 8th of March last. It has again been considered advisable to appoint Mr. B. O. Reynolds, Instructor in Engineering, to act as Superintendent of Military students. Mr. Reynold's present pay as Instructor is

Rs. 400 *per mensem*, while the allowance attached to the appointment of Superintendent of Military students continues to be Rs. 20 rising by annual increments of Rs. 2 to Rs. 40. As the combined remuneration of the two posts exceeds Rs. 250 *per mensem*, I am directed to request that the Government of India will be pleased to sanction the arrangement under article 167 of the Civil Service Regulations with retrospective effect from the 8th March last.

Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., Nos. 635, 636, EDUCATIONAL, DATED
20TH OCTOBER 1904.

[SUBJECT.—*Superintendent of Military Students in the Madras College of Engineering.*]

From the Director of Public Instruction, No. 6982 (a), dated 8th September 1904.

From the Accountant-General, No. P.A. 1334/6989, dated 20th September 1904.

The Government of India may be requested to sanction the appointment of Mr. B. O. Reynolds, Instructor in Engineering in the College of Engineering, Madras, as Acting Superintendent of Military Students on a salary of Rs. 20—2—40 in addition to his own duties. A similar arrangement was sanctioned by the Government of India in their letter No. 438, dated 24th October 1901—*vide* G.O., No. 610, Educational, dated 30th October 1901. A draft is submitted below for approval. In 1901, application was made under article 182. The corresponding article in the present edition of the Civil Service Regulations is 167.

P. T. THARYAN—29-9-04.

A. GALLETTI—30-9-04.

For approval. The permanent pay of Mr. Reynolds is Rs. 400.

H. D. TAYLOR—1-10-04.

A | Please refer me to the papers creating or constituting this appointment of
| "Superintendent of Military Students."

2. Why should not the duties, which are evidently light, be considered a part of the regular duties of any of the instructors to whom the Principal may assign them.

3. These special claims for extra remuneration on all sorts of pretexts are quite contrary to the general principle that an officer's whole time is the State's. The other day we had a claim from a medical officer for special remuneration to superintend a whipping, and if the policy is to be continued we shall have civilians claiming extra allowances every time a fresh Act imposing duties upon them is passed.

G. S. F[ORBES]—4-10-04.

Please put up the papers called for at "A".

H.D.T.—5-10-04.

In G.O., No. 361, Educational, dated 23rd September 1880, a committee was appointed to consider the question of re-modelling the Civil Engineering College, Madras. In paragraph 89 of a note by Page 28 of G.O., No. 61, Educational, dated 26th April 1882. Colonel (then Lieutenant) Love, R.E., Principal of the college and one of the members of the committee, drawn up with reference to this Government Order, he stated that the superintendence of military students was generally undertaken by the

instructor in surveying (without any extra remuneration) and suggested that an allowance of Rs. 20 might be paid for this superintendence. This suggestion was adopted by the committee and embodied in their report—paragraph 43 of the report—page 8 of G.O., No. 61, Educational, dated 26th April 1882.

2. Orders approving of the introduction of a new scheme of studies were passed in Proceedings No. 670, Educational, dated 16th July 1885. Proposals were then made for reorganizing the staff of the college with a view to give effect to these orders. The proposal to remunerate the superintendent of military students was among them—paragraph 10 of Colonel Love's letter—page 7 of G.O., No. 328, Educational, dated 27th May 1886. The Director, however, made it a distinct appointment

A distinct appointment, but presumably to be held by one of the instructors. The appointments of librarian and storekeeper, shown separately in the same list, were held by one man in 1887 (paragraph 12 of G.O., No. 17, Educational, dated 14th January 1887).

A. GALLETTI.

with a pay of Rs. 20—40 (paragraph 5 of his letter on page 2 of G.O., No. 328, dated 27th May 1886, and the proposition statement on page 9). This was sanctioned by Government. In the notes connected with the Government Order there is no reference to this particular appointment.

3. In his proposals to give effect to the reorganization, Captain Henderson, Acting Principal, said that the superintendence of military students was undertaken by Mr. Cames, one of the assistant masters then on leave, and that he should be appointed permanently to the post, with Mr. Goddard to act for him—paragraph 14 of Captain Henderson's letter—page 3 of G.O., No. 17, Educational, dated 14th January 1888.

4. Mr. Cames died in January 1893—G.O., Nos. 288, 289, Educational, dated 29th April 1893, and Mr. Goddard succeeded him—G.O., No. 411, Educational, dated 21st June 1893.

P. T. THARYAN—12-10-04.

The superintendent has to correspond with the military authorities and "his duties frequently keep him in Madras during the college vacations" (1886).

A. GALLETTI—13-10-04.

H. D. TAYLOR—14-10-04.

Very well: let the letter go; but if the Engineering College is moved to Saidapet and some reorganization of staff takes place this allowance might well be abolished.
