EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 681, EDUCATIONAL, DATED 17TH NOVEMBER 1904.

[SUBJECT.—*Rules for the Inspection and Control of Schools in Bangalore.*]

From the Director of Public Instruction, dated 6th September 1904, *No.* 6532.

The rules for the inspection and control of schools in the Civil and Military station of Bangalore and in Coorg were formerly embodied together; the latest rules will be found printed as an appendix to G.O., No. 2, Educational, dated 2nd January 1902. The rules for Coorg were then separated and enacted in G.O., No. 222, Educational, dated 6th April 1904. With his letter read above the Director now forwards a separate set for Bangalore.

There is no "enacting." !!
G. S. F[ORBES].

2. These rules seem to call for the following remarks:—

(1) *Rule* 3.—"The inspection and examination of these institutions except those for "*European boys* and Training, Technical, Industrial and Art schools *for boys* shall vest in the "Inspector of schools or the Inspectress of Girls' schools as the case may be. The inspection "and examination of all schools for *European boys* and Training schools *for boys* shall vest in the "Inspector of European and Training schools in Madras. Technical, Industrial and Art schools "*for boys* shall be inspected and examined by the Inspector of Technical schools in Madras. In "the exercise of their duties the Inspecting officers shall be assisted by the Sub-Assistant Inspec-"tor stationed in Bangalore and any other subordinate officer who may hereafter be authorised "in that behalf by the Resident in Mysore."

This rule speaks of only *boys* schools so far as European, Training, Technical, Industrial and Art schools are concerned. It may be that there are no such schools for *girls* in Bangalore, but the rule as it stands has the appearance of incompleteness. It is submitted therefore that the word "Europeans" may be substituted for "European boys" in two places in the rule where these words occur and that the words "for boys" may be omitted from the three places where they occur.

A. GALLETTI.
H. D. TAYLOR.

Very well: the Director of Public Instruction has probably reasons.
G. S. F[ORBES].

Further, the rule does not say in which of the Inspectors or Inspectresses the inspection and examination of ordinary institutions shall vest. The words "Central Circle" may therefore be inserted between "Inspectress of Girls' schools" and "as the case may be." This is the phraseology adopted in rule 3 in the appendix to G.O., No. 2, Educational, dated 2nd January 1902.

A. GALLETTI.
H. D. TAYLOR.

Not necessary to alter. The jurisdiction of the circles is separately settled.
G. S. F[ORBES].

(2) *Rule* 4.—"The inspection and examination of primary schools *for boys* other than those intended for Europeans shall devolve on the Sub-Assistant Inspector."

The words "for boys" occurring in this rule may be omitted for the reason explained in the foregoing clause for a similar omission in rule 3.

A. GALLETTI.
H. D. TAYLOR.

Perhaps he intends that Primary schools for *girls* should be inspected by an Inspectress?
G. S. F[ORBES].

(3) *Rule* 5.—"The travelling allowance admissible to the Director of Public Instruction, the Inspectors and the Inspectress and their establishment, while touring in Bangalore shall be debitable to the Madras revenues, Bangalore not being required to bear the charge."

This rule may perhaps be omitted. In the absence of any rule travelling allowances will be debitable to the Madras revenues. There seems to be no necessity to say so. The rule in the Coorg rules saying that travelling allowances for journeys in Coorg will be debitable to the Coorg revenues has just been struck out—*vide* G.O., No. 519, Educational, dated 22nd August 1904, and there is now no rule to the effect that allowances for journeys in Coorg will be debitable to Madras revenues: it is only understood in the absence of a rule to the contrary. The same course may be adopted in the case of the Bangalore rules.

Immaterial.

A. Galletti.

The serial No. 5 has been repeated by the Director of Public Instruction in his draft rules, two of which bear that number; 4 and 5 (first time) may be read as one.

There is no objection to rule 5, but it is superfluous.

H. D. Taylor—22-9-04.

It seems superfluous though harmless.

G. S. F[orbes].

(4) *Rule* 9.—"Communications from the heads of colleges and secondary schools shall be addressed to the Inspector or the Inspectress *and* those from the heads of institutions for *European boys* and Training schools *for masters* to the Inspector of European and Training schools, *communications from the Heads of Technical schools for boys* shall be addressed to the Inspector of Technical schools. The headmasters of Primary schools shall communicate with the Sub-Assistant Inspector."

The word "and" in line 2 may be omitted, the words "European boys" in line 3 may be altered into "European children," the words "for Masters" in line 3 and "for boys" in line 4 may be omitted and for the words "communications from the heads of Technical schools shall be addressed," the words "and those from the heads of Technical schools" may be substituted. The rule will then run as follows :--

A. Galletti.
H. D. Taylor.

Immaterial.

A. Galletti.

"Communications from the heads of colleges and secondary schools shall be addressed to the Inspector or the Inspectress, those from the heads of institutions for European children and of Training schools, to the Inspector of European and Training schools, and those from the heads of Technical schools, to the Inspector of Technical schools. The headmasters of Primary schools shall communicate with the Sub-Assistant Inspector."

Very well.

G. S. F[orbes].

(5) *Rule* 10.—"The appointment, dismissal, leave, transfer, removal and punishment of Government teachers and other Government servants on salaries not exceeding Rs. 30 per mensem shall vest in the Inspectors or the Inspectress and in the Director of Public Instruction in all other cases. *In case of dismissal* an appeal shall lie to the Director against all orders inflicting a punishment which are passed by the Inspectors and the Inspectress under this rule and to the Resident against all such orders passed by the Director. At the close of each quarter a return of *appointment*, etc., made by the *Inspector* or the Inspectress shall be furnished to the Director and a similar return of *appointment* made by the Director shall be furnished to the Resident."

The words "In case of dismissal" in line 4 may be omitted as it is not only in the case of dismissal but in the case of all punishments that appeals should and do lie. The word "appointment" in lines 7 and 8 should be "appointments" and "Inspector" in line 7 should be "Inspectors."

Proviso that no second appeal should lie, should also be inserted. The rule as it stands may mean this, but is not clear.

G. S. F[orbes]—2-10-04.

To Director of Public Instruction u.o. for remarks.

H. D. Taylor—3-10-04.

I see the notes speak of the rules *enacted* for Coorg in an order of the Madras Government and my covering letter to this current submits rules for Bangalore for the *approval* of Government.

These schools are under the financial control of the Chief Commissioner and Resident, respectively, and the Madras Government lends its officers and, of course, lays down who shall be lent and is concerned in the work they are expected to do in so far as it affects the time that it will occupy. Is not this the position and that these rules are not issued by the Madras Government but concurred in or otherwise in so far as their officers are concerned? This view has suggested itself to me only since my visit to Coorg.

2. The changes proposed in rule 3 surely give it a meaning which was not intended. The inspection of schools in Bangalore shall vest in the Inspector or Inspectress, as the case may be, *i.e.*, each according to his or her normal functions *except* when the Inspector of European and Training schools, or the Inspector of Technical schools comes in. The exceptions are enumerated. Any school for girls whether European girls or girls under training belongs to the Inspectress. The change proposed would hand over European girls and girls under training to the Inspector of European and Training schools which was not intended.

It might be well in the light of my opening remarks to specify the inspecting officers thus—

Inspector of Schools, Central Circle, Madras.

Inspectress of Girls' Schools, Central Circle, Madras.

I think that all these inspecting officers are wanted for Bangalore, but that is the main point for Government to decide. Since visiting Coorg I am going to propose that all the inspection shall be delegated to one of our officers only.

3. *Rule* 4.—The proposal is that the primary schools for girls shall be inspected by the Inspectress. There are nine of them. This is for Government to decide.

4. *Rule* 5 may be omitted now. It was only inserted as the procedure for Coorg was different.

5. *Rule* 9 should not be altered as proposed for reasons given above. It would be a little clearer if it read—

"Communications from the Heads of colleges and secondary schools shall be addressed to "the Inspector or the Inspectress *except* those from the Heads of institutions for European "boys and Training schools for masters which shall be addressed to the Inspector of European "and Training schools *and* communications from the Heads of technical schools for boys *which* "shall be addressed to the Inspector of Technical schools. The *Heads* of primary schools shall "communicate with the Sub-Assistant Inspector."

The Inspector of Technical schools does not want communications about lace-making and embroidery.

6. *Rule* 10.—The alterations proposed are desirable.

A. G. Bourne—6-10-04.

Paragraph 1 *of the Director's note.*—The position appears to be this. Coorg and Bangalore require the assistance of Madras Educational officers. The Director draws up rules embodying the conditions under which such assistance can be given. The Chief Commissioner of Coorg and the Resident in Mysore approve them and they are issued by the Madras Government. The rules are for the guidance of Madras officers and cannot be issued by the Chief Commissioner or the Resident, as the case may be.

H. D. Taylor.

The Resident might issue them very well

G. S. F[orbes].

Paragraph 2 *of the Director's note.*—In the light of the explanation now offered, the only alteration required in rule 3 is the insertion of the words "Central Circle, Madras" after "Inspector of schools" and after "Inspectress of Girls' schools" in line 3.

H. D. Taylor.

Paragraph 3 *of the Director's note.*—Rule 4 may stand as originally drafted by the Director of Public Instruction.

H. D. Taylor.

Paragraph 4 *of the Director's note.*—Rule 5 may be omitted.

H. D. Taylor.

Paragraph 5 *of the Director's note.*—Rule 9 may be altered as now proposed by the Director.

P. T. Tharyan—14-10-04.

A. Galletti—15-10-04.

H. D. Taylor—18-10-04.

The rules are for the guidance of the officers of the Madras Educational department inspecting the Bangalore schools. At the same time they are rules which require the approval of the Resident so as to be in operation there.

2. I have corrected in red ink the copy of the rules originally put up, and brought them into conformity with the Director of Public Instruction's views in his note of 6th October so far as they are accepted.

Please verify and see that all corrections have been carried out.

G. S. F[orbes].

3. The Government Order issuing them should simply refer to them as rules issued with the concurrence of the Resident in Mysore for the guidance of officers of the Madras Educational department in the inspection and control of Bangalore schools, etc.

G. S. F[orbes]—20-10-04.

Please check again the rules as revised by Honourable Member with Director of Public Instruction's suggestions and draft an Order according to Honourable Member's instruction.

H. D. Taylor—21-10-04.

The draft placed below is submitted for approval. If approved, it may be put in type before submission to the Secretary. The Honourable Member's corrections have been checked and will be again checked in proof.

P. T. Tharyan—22-10-04.

A. Galletti—22-10-04.

For approval of the Government order issuing the rules.

H. D. Taylor—12-11-04.

Issue only order and appendix and not the rules which we have NOT accepted. These will be printed with copies for office use.

(Of course there would be no harm in sending one full copy to the Director of Public Instruction provided all spare copies are only of the order and new rules: but we can't have unapproved rules disseminated all over the country.)

G. S. F[orbes]—15-11-04.

Print and issue in accordance with Honourable Member's instruction.
