Educational Department.

Si,

I have the honour to request that you will be so good as to obtain the sanction of Government for the purchase locally of an iron safe at a cost not exceeding Rs 250 for the School of Arts. The safe is required to hold silver articles in process of manufacture by apprentices in the silver smiths' class. There is already a safe in the School; but the Superintendent reports that it is required for office cash the key of which is in separate custody.

2. The charge can be met from the provision in the current year's budget for 'Furniture and Apparatus' for the school of Arts.

I have the honour to be,

Sir,

Your most obedient servant,

A. G. Brown

Director of Public Instruction.
