C. No. 142 From the D.P.I. No 8928, dated 20-1-1904.

SUBJECT.

Reorganization of Govt. girls' schools, Central Circle.

A scheme for the reorganization of ^{the} Govt. Girls' schools in the Central Circle was approved in G.O. no. 441 Edl dated 14th September 1903 and was sanctioned in G.O. no 724 Financial dated 7th Nov. 1903. In the former order it was directed that on the revised scale of salaries taking effect no results stipends over and above them should be paid to any of the teachers.

2. As under this ruling the teachers would have to be paid fixed salaries on the old scale and results stipends up to the 6th Nov. 1903 and fixed salaries ^(alone) on the revised scale ~~only~~ after that date, if the scheme were given effect to from the 7th Nov. 1903 - the date of the Financial order, the Director considers it simpler & more convenient to introduce the scheme from the 1st April 1904 and solicits sanction for doing so. Submitted that the Director's proposal may be approved.

3. In the current years budget there is

To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government to the scheme for the re-organization of the Government girls' schools in the Central Circle approved in G.Os. No. 441 Educational, dated 14th September 1903 and No. 724 Financial, dated 7th November 1903 being brought into force from 1st April 1904 instead of from the date of the financial order.

2. If effect is to be given to it from the date of the financial order, the teachers will have to be paid results stipends for about 8 months of the year and fixed salaries without stipends for the remaining period. It seems a simpler and more convenient course to allow them their stipends for the whole year and bring the revised scales of pay into force on 1st April 1904. In this way it may be possible to introduce the new schemes into all three circles at the same time.

3. In the current year's budget there is a lump provision of Rs 16,000/- for the improvement of girls' schools which will remain unutilized on account of the above recommendation. I am addressing Government in a separate communication regarding the transfer of this sum to the head of "building grants."

I have the honour to be,

Sir,

Your most obedient servant,

A. R. Bhowmik

Director of Public Instruction.

a lump provision of Rs 16,000 for meeting the charges of this reorganization and the Director proposes to address Govt. separately requesting to transfer this sum to the head of building grants.

A draft is placed below for approval.

7/4
22-1-04. In the next Provincial contract we have asked for a ~~higher figure~~ larger grant for Education than in the current year's budget and it is likely that we shall get it but nevertheless it is better that as much ^{as possible} of the current year's budget provision is utilized before the 31st March next and the Director may be specially asked to see to it.
