From W. S. MARRIS, Esq., Officiating Deputy Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Simla, 31st October 1904, No. 890:

I am directed to acknowledge the receipt of your letter No. 397, dated the 28th June 1904, in which you submit the views of the Governor in Council on the subject of the terms on which native teachers should be permitted to attend training institutions.

2. The Government of India accept the proposals stated in paragraph 4 of your letter with respect to the emoluments to be granted to teachers under training and to their *locum tenentes*.

3. As regards the other concessions, local Governments and Administrations have in general accepted the proposals made in paragraph 4 of the letter from this Department to the Governments of Punjab and Burma of the 4th February 1904, a copy of which was forwarded to you with the Home Department letter No. 87, dated the 4th February 1904. The Governor-General in Council has accordingly decided that the concessions enumerated below may be granted to teachers under training :—

(a) The teachers will be treated while under training as detached from their regular appointments but still in the service.

(b) The period spent under training will qualify for earning increments of salary but not for earning further leave. It will not cancel the leave already earned.

(c) Travelling allowance will be granted under the rules in respect of journeys to and from the training institution.

The necessary amendment will be made in the Civil Service Regulations to give effect to the above decisions.

ORDER—No. 700, Educational, dated 28th November 1904.

In supersession of the previous orders regarding the grant of certain concessions to native teachers permitted to attend training institutions, the following concessions have now been sanctioned by the Government of India :—

(1) Teachers sent for training to the Teachers' college and other training institutions under departmental management will be allowed at the discretion of the Director of Public Instruction, the President of a Local Board or the Chairman of a Municipal Council, to draw so much pay in addition to their stipend as will raise their total emoluments to Rs. 10 per mensem, while the persons acting for them will also draw a minimum pay of Rs. 10 per mensem. If the pay of the appointment is sufficient and it is considered expedient to exceed these minima in the case either of the teacher under training or his *locum tenens*, then the teacher under training will be permitted to draw, in addition to his stipend, a portion of the pay of the appointment not exceeding one half, while his *locum tenens* will be permitted to draw a salary not exceeding the remaining portion of the pay of the appointment.

In no case, however, will the total emoluments of any teacher or his *locum tenens* exceed the permanent pay of the post.

(2) Teachers will be treated while under training as detached from their regular appointments but still in the service.

(3) The period spent under training will qualify for earning increments of salary but not for earning further leave: it will not cancel the leave already earned.

(4) Travelling allowance will be granted under the Civil Service rules in respect of journeys to and from the training institution.

2. The Director of Public Instruction will be requested to submit, at a very early date, a draft of consequential alterations in the Educational rules now under revision.
