READ—again the following paper :—

G.O., No. 558, Educational, dated 8th September 1904.

ABSTRACT.—Passing orders on the cases of the members of the Committee of Visitors of the Reformatory School, Chingleput, who have forfeited their membership by reason of their not attending the committee meetings for a period of six consecutive months.

READ—also the following paper :—

From S. G. ROBERTS, Esq., I.C.S., Acting Sub-Collector of Chingleput, to the Secretary to Government, Educational Department (through the Collector of Chingleput), dated 25th October 1904, D. Dis. No. 2375.

As directed in G.O., No. 558, dated 8th September 1904, and received by me on the 14th instant, I have the honour to report that by a comparison of the dates of the meetings of the Reformatory School Committee with the dates of my tours I find that I have generally been out on tour when the meetings were held.

2. I had only just taken charge of the sub-division on 9th July 1903—the first meeting held after I came to the sub-division. I was at head-quarters but very busy with criminal cases (especially security for good behaviour cases) in October, November and December of that year and I had no notice of the meeting of the 16th January (I particularly remember this fact) on which morning I returned from a short camp at Palaya Seeveram. I was out in camp or in charge of the district for all the subsequent meetings except for that of the 8th of last month when I was too busy to attend.

3. I have the honour to report, however, that the various Superintendents of the Reformatory, especially Lieutenant-Colonel Marsden, I.M.S., have continually been consulting me with regard to the inner working and discipline of the Reformatory, and I have at various times devoted much attention to the subject. Colonel Marsden was staying with me for some time: and the Reformatory formed the staple of our conversation at all hours.
