G.O., No. 647, Educational, dated 1st August 1895.

Read—the following Proceedings of the Board of Revenue (Land Revenue), No. 177, dated 1st June 1895 :—

Read—again Proceedings of the Board of Revenue (Land Revenue), No. 512, dated 23rd November 1894.

ABSTRACT.—Communicating to the Collector of Nilgiris Government Order stating that C. V. Krishna Rao, second clerk, Head Assistant Collector's office, can appear for all the Special tests except the Revenue higher and the Criminal tests, and requesting all Collectors to report whether the concession granted in G.O., No. 1059, Revenue, dated 2nd December 1886, may now be withdrawn.

Read—also file of Collectors' replies to Board's Proceedings, No. 512, dated 23rd November 1894.

Resolution—No. 177. dated 1st June 1895.

The Board begs to submit its reply to G.O., No. 865, Educational, dated 15th November 1894, enquiring whether the concession, under which Collectors have been permitted to appoint persons who have not passed the Revenue test (lower) to temporary vacancies in the grade of Revenue Inspector, might not be withdrawn.

2. From the Collectors' letters read above, the Board observes that, except in the seven districts noted in the margin, passed candidates are always available and that no difficulty is therefore anticipated in the remaining districts in filling up temporary vacancies. The Collectors of

Ganjám.	South Arcot.
Vizagapatam.	Nilgiris.
Górávari.	South Canara.
Kurnool.	

the excepted districts urge the following reasons in favour of the entire or partial continuance of the concession. In Ganjám, there are a few passed men, but most of them are physically unfit for out-door work. They are further unwilling to take up Revenue Inspectors' appointment. In Vizagapatam and Kurnool and in the Agency tracts of Górávari there is a paucity of passed men. In the last of these districts passed candidates are available in the plains who will not take up appointments in the Agency tracts for fear of being attacked with malarious fever. In South Arcot passed men can be found, but the number of those who will eventually rise to responsible positions is still small. In the Nilgiris difficulty is anticipated in obtaining qualified persons who know Malayalam for appointments in the South-east Wynaad, but the Collector proposes to apply for exemptions as cases arise. In South Canara the Collector wishes to introduce the non-Brahmin element more largely into the grade of Revenue Inspectors and would for this purpose continue the concession for some time.

3. The Board considers that the concession may now be withdrawn except in the following districts or portions of districts :—

Ganjám, Vizagapatam, the Agency Tracts of Górávari, Kurnool and South Canara.

The Board has not included South Arcot in the list of tracts to be excepted as it is of opinion that the difficulty experienced by the Collector may be overcome by inviting applications from the neighbouring districts.

4. In this connection, the Collector of South Arcot recommends the relaxation of G.O., No. 918, dated 24th October 1893, which limits the proportion of persons who may be deputed to undergo a course of training in survey to one-fifth of the number of Revenue Inspectors in each district. The Collector will be referred to G.O., No. 3441, Revenue, dated 3rd September 1894 (copy now furnished), in which a similar request made by the Collector of Malabar was negatived by Government on the ground of expense.

The Board's proposal is approved and the following clause will be added in the column of remarks in schedule B of the Public Service Notification against Revenue Inspectors and in the schedule attached to the Special Tests Notification against Revenue test, lower grade, 7 Revenue Inspectors: "The Collectors of the following districts or portions of districts—Ganjám, Vizagapatam, the Agency tracts of Górávari, Kurnool and South Canara—may appoint persons who have not passed the Revenue test to temporary vacancies in the grade of Revenue Inspector."

Read—also the following paper :—

Reference from the Board of Revenue (Land Revenue), A No. 452, dated 2nd November 1904.

Read—the following paper :—

From R. RAMACHANDRA RAO, Esq., Acting Collector of Kurnool, to the Secretary to the Commissioners of Land Revenue, dated Kurnool, 4th October 1904, R. C. No. 1488 Sup./Accts.

A few revenue subordinates in the district who did not pass the Account Code were from time to time appointed as acting Revenue Inspectors. Enclosed is a list of such men. The appointments are contrary to the instructions contained in G.O.,

No. 898, Revenue, dated 16th October 1886, and were made by oversight without the requisite sanction of the Board. In most cases fully qualified men were not available. I have the honour, therefore, to request that the Board will be pleased to grant temporary exemption in the case of all these men till the publication of the next Special Test examination results.

2. In this connection I wish, however, with due respect, to reopen the question once before raised by the Board in their order No. 1667, dated 23rd July 1886, and finally disposed of by the Government in G.O., No. 898, Revenue, dated 16th October 1886. The question is one affecting the administrative convenience of the district and therefore deserves the favourable consideration of the Board.

In G.O., No. 647, Educational, dated 1st August 1895, printed in Board's Proceedings, No. 292, dated 15th August 1895, the Government delegated to the Collectors of a few districts including Kurnool the power of exempting and appointing to temporary vacancies in the grade of Revenue Inspectors persons who have not qualified themselves by passing the Revenue test. No such delegation has been accorded with respect to exemption from the Account test. As fewer people have passed the Account test than the Revenue test, the object of the former delegation—which is to minimise correspondence regarding exemptions as it was inevitable for paucity of passed men—is entirely nullified. If the qualification with regard to Account Code should be enforced, the argument put forth by Mr. Goodrich in the year 1886 in his letter to the Board printed in Board's Proceedings, No. 545, dated 12th September 1887, will be applicable to this district even at this date.

3. I have the honour therefore to request that the Board will be pleased to recommend to Government the advisability of delegating to the Collector of this district the power of exempting and appointing to temporary vacancies in the grade of Revenue Inspectors persons who have not passed the Account Code.

Submitted for the orders of Government.

2. In their order No. 1059, Revenue, dated 2nd December 1886, Government sanctioned the proposal to allow Collectors to appoint to temporary vacancies in the post of Revenue Inspectors men who had not passed the Revenue test (lower). This test has since been split up into two, viz., the Revenue test (lower) and the Account test (lower)—G.O., No. 67, Educational, dated 2nd February 1894; and, though the concession granted in 1886 was continued in the Kurnool district under G.O., No. 647, Educational, dated 1st August 1895, this order mentioned by name only the Revenue test and not both the Revenue and the Account tests as revised. As pointed out by the Collector the object of the concession cannot be secured unless it extends

to both the tests. The Board therefore recommends that the temporary exemption allowed under the Government Order last quoted may be ordered to cover the Account test (lower) also.

2. The Commissioner for Government Examinations will be requested to submit a draft of the corresponding alterations to be carried out in the Special Test notification.

NOTES CONNECTED WITH G.O., No. 725, EDUCATIONAL,
DATED 12TH DECEMBER 1904.

[SUBJECT.—*Temporary appointment of persons who have not passed the Account Test, Lower Grade, to the post of Revenue Inspector.*]

REVENUE DEPARTMENT.

From the Board of Revenue (Land Revenue), No. A. 452, dated 2nd November 1904.

The subject is one for consideration in the Educational Department, and the current may, it is submitted, be transferred u.o. to that Department with Revenue Department's acquiescence.

F. B. EVANS—17-11-04.

J. N. ATKINSON—19-11-04.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

The Collector of Kurnool points out that a few Revenue subordinates who have not passed the Account Test, Lower Grade, have, from time to time, been appointed as acting Revenue Inspectors in the district contrary to the instructions contained in G.O., No. 898, Revenue, dated 10th October 1886, and that the power delegated to Collectors in G.O., No. 1059, Revenue, dated 2nd December 1886, to appoint persons who have not passed the Revenue Test, Lower Grade, to temporary vacancies in the grade of Revenue Inspectors has not been extended in respect to exemption from the Account Test. He says that as fewer people have passed the Account Test than the Revenue, the object of the delegation is entirely defeated and therefore requests that a similar power may be delegated to him to exempt persons who have not passed the Account Test. The Board of Revenue supports the Collector's recommendation.

2. It is submitted that there appears to be no sufficient reason for extending the concession already granted. In fact, in G.O., No. 865, Educational, dated 15th November 1894, it was thought that it might be withdrawn. But on the recommendation of the Board it was still kept in force only in Ganjam, Vizagapatam, the Agency tracts of Gódvári, Kurnool and South Canara—*vide* G.O., No. 647, Educational, dated 1st August 1895—and the delegation of power was withdrawn from the Collectors of other districts.

3. Under G.O., No. 287, Educational, dated 8th May 1896, the Board has now power to sanction temporary exemptions from special tests of persons in the Revenue Department who appear for them within the course of one year. The Collector may therefore apply to the Board for temporary exemptions in individual cases. In these circumstances it is for consideration whether even the concession hitherto in force may not now be wholly withdrawn. Orders are solicited.

RAMUN UNNI NAYAR—30-11-04.

But if the Collectors of Kurnool and a few other districts are allowed to retain the power of exempting persons who have not passed the Revenue Test, Lower Grade, to temporary vacancies as Revenue Inspectors, then it is submitted that for the reason given by the Revenue Board, viz., that when the power referred to above was originally conferred on Collectors, the Revenue Test, Lower Grade, included the test in Accounts, Lower Grade, the same Collectors be also authorized to grant exemptions from passing the Account Test, Lower Grade, to persons appointed temporarily as Revenue Inspectors.

V. KRISHNASWAMI—2-12-04.

I am keeping the notification back in Public (Military) because 4 (2) and 4 (12) are wrong and require correction, and the information has to be got from the Military.

Better wait and verify if it will not take too long, but I should like the notification to issue by 20th instant. It has been hanging fire for a long time.

H.D.T.—10-12-04.

But if Secretary wishes I can correct the items myself by reference to the Army Regulations, India, though I shall not be certain that my corrections will be right. Office to note whether the notification has come back from all other departments.

A. GALLETTI—9-12-04.

The notification has come back from all other departments.
