Letter from M.R.Ry. R.A.Srinivasa Aiyangar Avargal, Rai Sahib, B.A., B.C.E., Executive Engineer, Nellore Division, to the Superintending Engineer, II Circle, dated 1st November 1904 No.552-S-E.

With reference to your No.454-N-L dated 5-10-04, I have the honour to inform you that the vacancy of the Acting Tank Superintendent's place in this Division was notified in the Fort St. George Gazette, but unfortunately no passed man applied for the place. For the temporary clerk's places that were --- similarly notified, only 4 passed men applied, and they were all appointed as Temporary clerks. But only one man joined the appointment, and two of them though reminded several times, have not joined up to date and hence their appointments had to be cancelled. The fourth man also has not joined up to date. Thus even from the applicants for the temporary clerks' places, no one could be spared for the Tank Superintendent's post. Further much difficulty is experienced in another direction i.e. when the unpassed man working in the offices come to know that passed men have been appointed for their places, they resign the --- appointment and go away. One temporary clerk by name A.Srinivasa Rao resigned the appointment and went away in similar circumstances.

As in the circumstances above explained, passed men are not available now, I have the honour to request that you will be good enough to represent the difficulties and obtain the sanction of Government for the exemption of the present Acting Tank Superintendent G.Subba Rao for the remaining 6 months also i.e. from 1-10-04 to 31-3-1905. Formal application for --- exemption is herewith submitted.

C. No. 2079 From the P. to D. No. 5479C dated 28-11-1904

SUBJECT.

Temporary exemption from the examination
rules.

F.

In G.O. No. 444 E.O. of 8-9-04 the
Executive Engineer, Nilgore Division, was inform-
ed that the temporary exemption granted to
G. Subba Rao therein would not be
further extended and that arrangements
should be made to procure the services of
a passed candidate. The Executive Engineer
now applies again for exemption on behalf
of Subba Rao for another six months, ~~and~~
and reports that the vacancy was notified
in the Port St. George Gazette, but that no
passed man applied for the place. The
Superintending Engineer supports the applica-
tion. In the circumstance may the extension
applied for be granted? Orders are solicited.

In the circumstances there seems no other alternative
but to grant the further exemption applied for.

43.12-4

G. Subba Rao has been continuously exempted from
1st June 1902, & it is not desirable to keep him on
longer at the post, in the special circumstance

on until a horse candidate is available
further exemption up to 31st March, with the sanction

but this will be the only last extension in the case of
the individual. If a passed candidate could be
found by 31st March, and if it be found necessary to
enter him in the examination, some other name
should be nominated.

[The next step will be, unless some fresh
arrangement is suggested, to apply for permanent exemption
with reference to the past
service. This must be processed again.]
