With reference to Proceedings of Government, N^o 621, Edl, dated, 11th October 1904, I have the honor, by desire of the Directors of the Civil Orphan Asylums, to state, with reference to paragraph 3 of the Order, that:—

(A) Collin Latimour was born on the 25th January 1883 and admitted into the Asylum on the 15th August 1894, under Order of Government, N^o 482, Edl, dated 29th June 1894. From January 1903 he has been serving as an Apprentice in the Madras Railway Workshops. He earns a few annas a day, excluding Sundays and holidays, which is insufficient to keep him in food, lodging and clothes. The amount received from Government is paid over to him in full. Enquiries have been made and it has been ascertained that by January 1905 he will be earning enough to support himself. Under the circumstance the Directors request that his allowance may be continued to be paid till

(B) William Tremenhore was born on the 3rd September 1892 and admitted into the Asylum, under the Order of Government, No 117, Edl, dated, 5th March 1902. He is still under age.

2. With reference to paragraph 2 of the Order of Government under acknowledgment, I am to state that as the case was a very urgent one, the mother having been admitted into the Maternity Hospital to qualify herself as Nurse, the children having no place to go to, and the mother having no means to board them any longer, they were admitted into the Asylum temporarily pending removal to Ootacamund. It is requested that Government may be pleased to sanction their admission on the foundation of the Walfair Orphanage, and the payment of the usual grant on their behalf so long as they remain on the rolls of this Institution.

December 1904.

Sir,

I do not wish my boys to be
sent to the Lawrence Asylum at Ootacamund,
so there will be no use of the Baptismal
Certificates. But you can take a month's
notice of removal from the 1st December '04 to
1st January '05. A friend will take them in
for the 12 months I am in training after which
I will be able to pay their proper board, &c.

Thanking you for their temporary
home and wishing the School every success.

C. No. 1923 From the Hony Secy. C.D.A. No 270, dated 31-10-1904.

SUBJECT.

Pupils in the Civil Orphan Asylums
maintained from the Woltair Orphanage fund.

In G.O. no. 621 Edl dated 11th Oct. 1904
the Govt. refused to sanction the admission of
two children into the Civil Orphan Asylums on
the foundation of the Woltair Orphanage and
requested the Directors of the C.D.A. to state
the names and ages of the children now main-
tained in the Asylums on the foundation of
the Woltair Orphanage and to explain why
if any of them were over age they should not
be removed forthwith therefrom.

2. In the current under notice the Directors
furnish the information called for. There are
now four children maintained from the Woltair
Orphanage fund; of these Collin Latimour
was 21 years old on the 25th January 1904.
Apparently Latimour should have left the
Asylum long ago, but there seems to be no
rule as to the age at which an inmate should
leave the Civil Orphan Asylums. The Directors
say that from January 1903 Latimour has been
serving as an apprentice in the Indian Railway
workshops

He should certainly have

workshops and is earning a few annas a day, excluding Sundays and holidays, which is insufficient to keep him in food, lodging and clothes and that therefore they pay him in full the amount received from Govt. The Directors further say that by January 1905 Latimour will be earning enough to support himself and request that his allowance may be continued till January 1905. This request may perhaps be granted. It may be noted that in G.O. no. 482 Edd & 29th June 1894, the Govt. undertook to maintain the inmates of the Waltair Orphanage until they arrived at an age to earn their own living.

3. William Fremmenhere, Charlotte Latimour and Grace Raymond are the three other children. The first two are twelve years old and may remain in the Asylum about five years^{more}. The third is 16 years old and may remain in the Asylum for one year more. To maintain these during these years nearly Rs 2400 is necessary as against Rs 1934-10-8 the balance of the Waltair Orphanage fund on the 31st March 1904.

4. The Directors further request state that as the case was a very urgent one they

admitted into the Asylums the two children referred to in G.O. no. 621 Edd & 11th Oct. 1904 pending their removal to Botacamund and request that Govt may be pleased to sanction their admission on the foundation of the Waltair Orphanage and payment of the usual grant on behalf of them so long as they remain in the Asylums.

5. As stated in para 3 of these notes, the amount of the Waltair Orphanage fund now with the Govt is insufficient to maintain the children now on the foundation until they are of an age to earn their living. The request of the Directors cannot therefore be granted & they may be so informed.

But in para 1 of G.O. no. 621 Edd, 2. 11 Oct. on 25-11-04 the Directors were permitted to receive these two children temporarily into the C.O.A. if there was a likelihood of their being admitted into the L.A. Asylum, Botacamund within a year. It is therefore A.P. that information as to whether the Bill. of the L.A. had been addressed regarding the admission of the two boys if so, when they are likely to be received into that institution may now be called for.

6/16-11-04

There has been a not unnecessary delay of a fortnight as office is dealing with this very simple paper.

The Director should have taken the steps without the sanction of Govt. There may be no vacancy in the Asylum before the boy attains the age of 12 years - after which he cannot be admitted under the rules. The Govt. into the Asylum should be provided for him in the L.A.

14/12/1904

This was for Govt. to decide. The Director should not have taken the responsibility.

The Director should not have acted on their
own responsibility in admitting into the care of
prob. children on the foundation of a institution
for the maintenance of which no further funds are
available.

What is the length of course at the Lancaster Hosp?
What are the ages up to which boys & girls
are retained at the L.A. Asylum?

The Director wishes to state
whether it has been ascertained that the
children are likely to be admitted to the
L.A. at an early date and whether
final application has been sent in to
the Principal. The older boys could be
admitted after to attain the age of 12
which will not be very long.

The length of the course for the midwifery
nurse pupils is 15 months - six months' train-
ing in sick nursing and nine months' training
in midwifery. vide para 5 of letter to the Govt.

The Hon^y. Secretary says that Mrs. Blake-
more has no intention of placing her children
in the Lawrence Asylum and further proposes
to withdraw them from the C. O. Asylum ~~for~~
on the 1st. of January next.

In these circumstances the Directors of the C. O. A. request that their letter no. 270 dated 31st Oct. 1904 may be considered as cancelled. The Director's letter no. 270 of 31st Oct. 1904 & their present letter no. 302 of 6th Dec. 1904 may therefore be simply 'recorded'. There ^{seems} ~~is~~ no need to pass any orders about the maintenance of the children for the period they have been in the C. O. A. The charge will be
