An humble memorial of Tanjore students to the following The -
Hon'ble members of the Madras Legislative Council, requesting to
do their best to localise Madras as a centre for conducting the --
Senior Examination of the London Chamber of Commerce., so as to --
hold the examination from 1905 in May.

The Hon'ble Member T.A. Govindaraghava aiyar avergal,
The Hon'ble Member K. Vasudeva Iyengar avergal,
The Hon'ble Member R.N. Prakasa Mudaliyar avergal,
The Hon'ble Member M. Krishna Nair avergal,
The Hon'ble Member Mr. J. Twig,
The Hon'ble Dr. A.G. Bourne, F.R.S.,
The Chief Secretary to the Government of Madras.

Most respectfully shewth,

N.B: This is signed by the
members of the Council.

In view of the importance and backwardness of commercial ---
education and technical education in this Presidency, we the students
of Tanjore beg permission to approach your honour with the follow-
ing few lines for favourable consideration and moving the Government
to localise Madras as a centre for the senior examination of the
London Chamber of Commerce for the following reasons:-

Under Article 2 of the Public service notification senior --
examination of the London Chamber of Commerce is included as one
of the educational qualifications to hold appointments on Rs.15 or
upwards classed as superior service. The Government considering
the merits of the senior scheme of the Chamber of commerce included
this examination as a qualification in January 1903. But it has
not as yet been pleased to localise a centre in this Presidency. -
The Government may offer one plea that other examinations included
in the Public service notification (Allahabad University Examin.
Oxford & Cambridge University Examin.-) are not held in this Presy.
And so too this even is not necessary to be held here. But there
is one important reason to hold this special examination in this
Presy. That is to say there are nearly not less than two dozen -
commercial schools in this Presy. imparting commercial education.

P. 12
P. 12

So some advanced students of these commercial schools such -
as have passed intermediate and advanced examination (Technical)
of the Madras Government wish to appear for the senior examination
of the London chamber of commerce since it is included as one
of the qualification in the public service notification, they
have to go all the way to Bombay inflected with plague at
cost of nearly Rs.40 for transit and other charges. We do
not see any reason why the Government should recognise this
examination as a public service qualification without localising
a centre in this presidency. At least one centre will do in
Madras until it will fetch popularity among the commercial --
students. This examination is held in London between 16th
April and 13th May, and so too simulataneously in the Elphinstone
High school at Bombay. Therefore please be good enough to move
the Government to be pleased to consider the necessity and to
notify that the next senior examination of the London Chamber
of commerce will be held in Madras on the dates specified in
the scheme of the examination published by the London chamber
of commerce. As there are only five or six months for the
examination an immediate notification is quite nessary to give
wide publicity of the conduct of the examination in Madras.

We, the voiceless class (students) hope that the --
Hon'ble Members of the Council will be pleased to take pity
on the importance of the commercial education and also on us
and favour us with a Government notification in the Fort St.
George Gazette ordering the senior examination of the London
chamber of commerce to be held for the first time in April and
May next (1905) when they are held in London and Bombay.

For the purpose of ordering an immediate notification in
the Gazette this subject may be treated as a special subject for order of
in the meeting of the Council to be held on the 28th Instant.

We beg to remain,

The Hon'ble Members,

Your honours most obedient students.

EDUCATIONAL DEPARTMENT.

C. No. 2085 From the R. Ranganathan, Junjore No. , dated 27-11-1904.

SUBJECT.

Senior Commercial Examination of the London
Chamber of Commerce.

Attention is invited to paragraph 10 (iv) of
the letter from the Govt of India, vide G.O.
678 E.D. of 21st November 1901, wherein that
Govt suggested the introduction of the
London Chamber of Commerce Commercial
examination, for testing of knowledge in
Commercial matters. In a later Communi-
cation dealing with the Subject of European
Education, the Govt of India wanted that
Local Governments & Administrations
should arrange to give every assistance
to the holding of The Cambridge Senior
Local Examination, & the Senior London
Chamber of Commerce Commercial
examination wherever there was a local
demand for either of them - vide G.O.
755 E.D. of 16th December 1901. It was
also desired that a pass in either of these
examinations should be considered as
qualifications for Govt employ ment.
These two examinations were accorded
recognized as qualifications for Govt

Government.

The petitioners point out that the Senior examination of the London Chamber of Commerce is annually held at Bombay, ^{pray that} arrangements may be made for the holding of that examination in Madras during 1905.

Submitted for orders as to whether
any action need be taken on the
petition, with reference to paragraph 9
of the letter from the Govt. of India in G.O.
no 75522 of 16th December 1901.

By "local demand" India meant demand on the part of European boys wishing to go home and obtain employment in England. Petitioners are not European boys and ~~do~~ have no idea of going to England.

Refer to W. P. Y. ?

It is not even known who petitioners are. They
should advise SDJ in the first instance
through the ~~Memphis~~ local CO. Officers &
maybe informed accordingly under the petition
rule.
